ie the 20th of May And in another place he says Some say that He was born on the 24th or 25th of the month Pharmuthi which would be the 19th or 20th of April Medievalist Traditions in Nineteenth-century British Culture Clare A.

Adams,2016-05-13 Expanding our understanding of what it meant to be a nineteenth century author Amanda Adams takes up the concept of performative embodied authorship in relationship to the transatlantic lecture tour Adams argues that these tours were a central aspect of nineteenth century authorship at a time when authors were becoming celebrities and celebrities were international Spanning the years from 1834 to 1904 Adams s book examines the British lecture tours of American authors such as Frederick Douglass Harriet Beecher Stowe and Mark Twain and the American lecture tours of British writers that include Harriet Martineau Charles Dickens Oscar Wilde and Matthew Arnold Adams concludes her study with a discussion of Henry James whose American lecture tour took place after a decades long absence In highlighting the wide range of authors who participated in this phenomenon Adams makes a case for the lecture tour as a microcosm for
