Gospel of Mark Charles A. Bobertz, 2016-10-18 How Baptism and the Eucharist Shaped Early Christian Understandings of Jesus Long before the Gospel writers put pen to papyrus the earliest Christians participated in the powerful rituals of baptism and the Lord's Supper which fundamentally shaped their understanding of God Christ and the world in which they lived In this volume a respected biblical scholar and teacher explores how cultural anthropology and ritual studies elucidate ancient texts Charles Bobertz offers a liturgical reading of the Gospel of Mark arguing that the Gospel is a narrative interpretation of early Christian ritual This fresh responsible and creative proposal will benefit scholars professors and students Its ecclesial and pastoral ramifications will also be of interest to church leaders and pastors Revelation Unsealed Donald A. Christopher Garrison, 2014-04-17 We had hoped it was he the Messiah who would redeem Israel Luke 24:21 In this book you will learn that the religion Jesus founded was not Gentile or called Christianity The name

Christianity is not found in the New Testament work authored by Jews who followed Jesus that the religion of Jesus was a form of Judaism that revolved around the Hebrew concept of Brit Hadashah meaning New Covenant This concept first appeared in the writings of Jeremiah one of the great prophets of Judaism that to achieve the full task Jews have expected of their Messiah of redeeming Israel and completing Gentile world salvation there have been three separate stages in the work of Jesus the Messiah 1 the Atonement 2 the Gentile stage represented by two thousand years of Gentile Christianity and 3 the Jewish or Jewish redemption stage that with regard to the Messiah's prophecy on Jerusalem and on the completion or fulfillment of his Gentile stages see Luke 21:24 Jerusalem will be trampled on by the Gentiles until the times of the Gentiles are fulfilled on June 7 1967 the day Jerusalem fell to Jews the Messiah's prophecy was fulfilled Hence with June 7 1967 formally marking the end of the Messiah's Gentile or Christian stage the Messiah's final or Jewish stage has already begun that with the times of the Gentiles or Christianity over why Christians must adjust and reorient themselves to the new Jewish era and reality that is rising many other topics of vital relevance to our present transitional era from Gentile Christian to Jewish centered times where world history is quickly reaching a tumultuous climax centered on the Jews Jesus the Messiah and the Messiah's New Covenant Judaism as the winning side of end time history

Final Signs Edward E. Hindson, Ed Hindson, 1996. Much is being said about the end times today. Some is fact, some is speculation. How can you tell the difference? Why is there so much uncertainty and disagreement over what will happen in the last days? When the facts of Bible prophecy are used to speculate about what might happen in the end times, it's easy to come up with opinions and guesses that aren't correct. In *Final Signs*, prophecy expert Ed Hindson introduces us to a set of guidelines that we can use to determine where fact ends and speculation begins. Using these guidelines, we can better understand what the Bible says about the coming world government, the rise of Antichrist, and the False Prophet, modern day wars, and Armageddon, the signs of Christ's return, disasters, and judgment during the tribulation. *Final Signs* is the perfect answer for anyone who wants a clear preview of what God has promised He will do in the last days.

The Gospel According to Mark James R. Edwards, 2002. This new Pillar volume offers exceptional commentary on Mark that clearly shows the second Gospel, though it was a product of the earliest Christian community, to be both relevant and sorely needed in today's church. Written by a biblical scholar who has devoted thirty years to the study of the second Gospel, this commentary aims primarily to interpret the Gospel of Mark according to its theological intentions and purposes, especially as they relate to the life and ministry of Jesus and the call to faith and discipleship. Unique features of James Edwards's approach include clear descriptions of key terms used by Mark and revealing discussion of the Gospel's literary features, including Mark's use of the sandwich technique and of imagistic motifs and irony. Edwards also proposes a new paradigm for interpreting the difficult Little Apocalypse of chapter 13, and he argues for a new understanding of Mark's controversial ending.

The End of the World According to Jesus of Nazareth Jeff Kinley, 2024-07-09. What Jesus' Own Teachings Reveal About the Last Days. Why talk about end times, doomsday subjects?
