

The Cold War Heats Up

1. As you read the passage, fill in the information you discover about the Soviet-American agreement below.

	What the Soviets Wanted	What the Americans Wanted
1. Would it make any sense to build space programs and rockets?	That U.S. support them economically (training, fuel, etc.)	Not really.
2. Would anyone benefit from the rockets and space-related technology?	They would certainly produce technology that was better. They would improve delivery of aid.	They were worried about the loss of technological advantage gained by U.S. knowledge that didn't leak through espionage during, planned mission was involved in German (through Russia) war.
3. Would anyone challenge either side?	Not really.	Others might be tempted to join, but independence was important.
4. Would the two nations agree about other business interests?	Yes, the governments had no disagreement about the economic interests.	Yes, American people were disappointed and would not take a second-hand line from the Soviets.

2. Suppose the agreement simply to stop building space programs.

What effects would this have on the world?

Technology that was being developed would be lost.

Business interests. The governments the technology were needed.

Other people. Technology was not just rockets and satellites.
