Young,2012-08-14 Give to Caesar the things that are Caesar s and to God the things that are God s With these words Jesus
has impacted world history the First Amendment of the US Constitution and a Christian s submission to the rule of a state
But what should a Christian do when there is widespread rebellion against government law and morality What recourse do
Christians have when the state violates its divine mandate and endorses abortion gay marriage euthanasia the lottery and
war If the state disobeys natural moral law should the Christian oppose the state What can Christian resistance from the past
teach us about the present Is it wrong to pledge allegiance to the state What is the limit to allegiance Can morality be
legislated James De Young seeks to answer these questions as he weighs the issues confronting the Christian as a citizen of
this world yet also a citizen of heaven Carefully weighing texts such as Matthew 22 21 Romans 13 1 Timothy 1 and 2 and 1
Peter 2 the author challenges Christians to follow the Bible in this age of revolution and in the struggle for religious freedom
