A Manual of Repair for Guitars
and Fretted Instruments

The book cover features a close-up photograph of a guitar's body, which has a vibrant orange finish. Various repair tools are arranged on the surface: a large, dark wooden bridge plate is positioned in the upper left; a metal fret file with a wooden handle lies horizontally across the middle; a small, circular metal tool with a handle is on the left; and a large, flat metal scraper with a wooden handle is on the right. In the foreground, four wooden bridge pins are visible, each secured with a metal wing nut. The background is a dark, textured surface.
