

RETIREMENT

A new chapter begins today,
With time to rest and play,
No deadlines pressing on your mind,
Just moments free and kind.
The road ahead is wide and clear,
With peace and joy so near,
Embrace the days with open heart,
A fresh, uncharted start.
No more rush of daily grind,
Just treasures left to find,
May every day bring something new,
In all you dream and do.

Soccer's Missing Men J.A. Mangan, Colm Hickey, 2018-10-24 Now unknown or forgotten influential schoolmasters took the game of association football to many parts of England They had several roles they brought the game to individual schools they established regional and national leagues and associations and they founded professional football clubs They also exported the game around the world working as moral missionaries passionate players and energetic entrepreneurs The role of teachers in association football is a much neglected aspect of English cultural history It is a story that deserves to be told because it allows a fundamental reappraisal of the status and position of these teachers in late nineteenth century and early twentieth century society This volume was previously published as a special issue of the journal Soccer and Society
