Hanging Out And Hanging On From The Projects To The Campus:

Hanging Out and Hanging On Elsa Nunez, 2014-05-07 Hanging Out and Hanging on From the Projects to the Campus chronicles the progress of students from Hartford and Manchester Connecticut who are enrolled in the Dual College Enrollment Program DCEP at Eastern Connecticut State University Hanging Out sets the stage for describing the program by first reaching back in time to tell of Dr N ez s own beginnings in Puerto Rico and Newark New Jersey of her struggles as a non English speaking elementary school student and her triumphs in high school and college The next section of the book describes the lives of Latinos in Connecticut and the social economic and educational challenges they have faced over time Her personal experiences and desire to improve the lives of the underprivileged led Dr N ez to create the DCEP Program Through the words of faculty and staff and the personal accounts of six DCEP students you will read stories of desperation and hope of struggle and triumph of heart breaking failure and stunning success We hope their story can serve as a model for other communities to follow

The Evolving College Presidency: Emerging Trends, Issues, and Challenges Martin III, Quincy, Cooney, Matthew A., 2022-06-24 Incoming college presidents are entering the job at a time when the role is increasingly challenging as they are asked to do more decide and act faster create and maintain more relationships and demonstrate successes while under an unrelenting microscope The range of leadership skills and competencies surrounding the current college presidency requires well prepared and well informed college presidential aspirants Research shows there is no formal training framework available in colleges to prepare successful candidates for the presidency Consequently most incoming college presidents have lamented being ill prepared for the role The Evolving College Presidency Emerging Trends Issues and Challenges provides guidance and career trajectory advice for aspiring college presidents as they prepare to take on this challenging and dynamic role The text also explores the emerging trends issues and challenges of the college presidency including issues such as diversity and inclusion funding and fundraising and political issues Covering a range of critical topics such as student affairs and community relationships this reference work is vital for higher education professionals administrators researchers practitioners scholars academicians instructors and students

The New Campus Anti-Rape Movement Caroline Heldman, Alissa R. Ackerman, Ian Breckenridge-Jackson, 2018-05-29 After 40 years of activists working to reduce sexual violence on college campuses in 2014 the new Campus Anti Rape Movement CARM finally put this issue on the national policy agenda President Barack Obama credited an inspiring wave of student led activism for catapulting campus rape into public consciousness This book positions the new CARM within a long history of anti sexual violence activism in the U S The authors describe the major events of this new movement and how it coalesced The authors also analyze the new CARM through a social movement lens and examine the role of new laws and

social media in facilitating movement successes The book argues that the new CARM laid the groundwork for the emergence of MeToo the highest profile campaign against sexual harassment violence to date in U S history *The Michigan Alumnus*, 2001 In v 1 8 the final number consists of the Commencement annual Calamity Jayne and the Campus Caper Kathleen Bacus, 2015-01-21 What does a blonde get on her intelligence test Drool Ace cub reporter Tressa Jayne Turner is carrying a full load and we re not talking post holiday pounds Back in college for the fourth time but who s counting Calamity Jayne is looking to nab a raise from her stingy boss at the Gazette Stan So what s to stop her from making the grade Well for starters her grandmother turned roommate rekindling an old flame maid of honor madness run amok a botched betrothal that s more than just schoolyard gossip and a campus criminal who is out to teach the student body a lesson one crime at a time As Tressa navigates the halls of higher education she finds herself torn not only between homework and investigating but also between a man who likes her for herself and another man who wants to save her from herself It s a case of murder and mayhem by the books and failure is so not an option NOTE This book was previously published under the title Calamity Jayne Goes to College Calamity Jayne Mysteries Calamity Jayne book 1 Calamity Jayne and the Fowl Play at the Fair book 2 Calamity Jayne and the Haunted Homecoming book 3 Calamity Jayne and the Campus Caper book 4 Calamity Jayne in the Wild Wild West book 5 Calamity Jayne and the Hijinks on the High Seas book 6 Calamity Jayne and the Trouble with Tandems book 7 What critics are saying about the Calamity Jayne Mysteries Filled with dumb blonde jokes nonstop action and rapid fire banter this is a perfect read for chick lit fans who enjoy a dash of mystery Publishers Weekly Fun and lighthearted with an interesting mystery a light touch of romance and some fascinating characters RT Book Reviews Throw in two parts Nancy Drew one part Lucille Ball add a dash of Stephanie Plum shake it all up and you ve got a one of a kind amateur sleuth with a penchant for junk food and hot pink snakeskin cowgirl boots A word to the wise if you re prone to laughing out loud when reading funny books try not to read Calamity Jayne when you re sandwiched between two sleeping passengers on an airplane sometimes we learn these things the hard way Chick Lit Cafe Bacus provides lots of small town fun with this lovable fair haired klutz and lively story liberally salted with dumb blond jokes Booklist starred review Navigating Conflict Calvin Morrill, Michael Musheno, 2018-04-24 Urban schools are often associated with violence chaos and youth aggression But is this reputation really the whole picture In *Navigating Conflict* Calvin Morrill and Michael Musheno challenge the violence centered conventional wisdom of urban youth studies revealing instead the social ingenuity with which teens informally and peacefully navigate strife ridden peer trouble Taking as their focus a multi ethnic high poverty school in the American southwest the authors complicate our vision of urban youth along the way revealing the resilience of students in the face of carceral disciplinary tactics Grounded in sixteen years of ethnographic fieldwork *Navigating Conflict* draws on archival and institutional evidence to locate urban schools in more than a century of local state and national change Morrill and Musheno make the case for schools that work where negative externalities are buffered and policies are adapted to ever evolving

student populations They argue that these kinds of schools require meaningful inclusive student organizations for sustaining social trust and collective peer dignity alongside responsive administrative leadership Further students must be given the freedom to associate and move among their peers all while in the vicinity of watchful but not intrusive adults Morrill and Musheno make a compelling case for these foundational conditions arguing that only through them can schools enable a rich climate for learning achievement and social advancement Journal of Pedagogy and Educational Management ,2019-06-01
