John Francis Lazenby

Hannibals War A Military History Of The Second Punic War:

Hannibal's War John Francis Lazenby, 1998 Hannibal is acknowledged to be one of history's greatest generals and his crossing of the Alps complete with elephants to make war against Rome on its home soil is legendary But even Hannibal met his match in Scipio and ultimately Carthage was defeated by the rising power of Rome In Hannibal's War J F Lazenby provides the first scholarly account in English since 1886 solely devoted to the Second Punic War what some have called the first world war for mastery of the Mediterranean world By closely examining the accounts of Livy and Polybius supplemented with the fruits of modern research Lazenby provides a detailed military history of the entire war as it was fought in Italy Spain Greece and North Africa This edition includes a new preface covering recent research on Hannibal's war against Rome

Hannibal's War John Francis Lazenby, 1978 Hannibal's War John Francis Lazenby, 1998 *Hannibal's Road* Mike Roberts, 2017-03-30 Many books have been written on the Second Punic War and Hannibal in particular but few give much space to his campaigns in the years from 213-203 BC Most studies concentrate on Hannibal's series of stunning victories in the early stages of the war culminating at Cannae in 216 BC then refocus on the activities of his nemesis Scipio Africanus in Spain until the two meet in the final showdown at Zama But this has led to the neglect of some of the Carthaginian genius most remarkable campaigns By 212 the wider war was definitely going against the Carthaginians Yet Hannibal despite being massively outnumbered and with little support from home was able to sustain his polyglot army and campaign actively across southern Italy for another ten years His skilful manoeuvring and victory in numerous engagements kept several veteran armies of the normally aggressive Romans tied up and on the defensive until Scipio's invasion of North Africa pulled him home to defend Carthage Mike Roberts follows the course of these remarkable events in detail analysing Hannibal's strategy and aims in this phase of the war and revealing a genius that had lost none of its lustre in adversity *Hannibal's War* Livy, 2009-06-25 You know how to win a battle Hannibal you do not know how to use the victory Livy's great history of Rome contains in Books 21 to 30 the definitive ancient account of Hannibal's invasion of Italy in 218 BC and the war he fought with the Romans over the following sixteen years Livy describes the bloody siege of the Spanish city of Saguntum Rome's ally which sparked the war and the Carthaginian leader's famous march with elephants over the Alps into Italy Livy's gripping story telling vividly conveys the drama of the great battles the disastrous encounters at Trasimene and Cannae and the final confrontation between Hannibal and the youthful Scipio Africanus Individuals as well as events are brought powerfully to life as the long course of the Second Punic War unfolds This new translation captures the brilliance of Livy's style and is accompanied by a fascinating introduction and notes The complete Livy in English available in five volumes from Oxford World's Classics ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to

Tucker,2017-09-21 This provocative examination of major controversies in military history enables readers to learn how scholars approach controversial topics and provides a model for students in the study and discussion of other historical events Why did Alexander the Great s empire fall apart so soon after his death How did France win the Hundred Years War despite England winning its major battles Was slavery the primary cause of the American Civil War Would it have benefited the Allies militarily to have gone to war against Germany in 1938 rather than in 1939 Should women be allowed to serve in combat positions in the U S military All of these questions and many other historical controversies are addressed in this thought provoking reference book By exploring every angle of some of the most contentious debates involving military history this book builds students critical thinking skills by supplying a complete background of the controversial topic to provide context and also by providing multiple perspective essays written by top scholars in the field The perspective essays present arguments for different positions on the controversy Readers will consider the cases for and against whether Hannibal should have marched on Rome after his momentous victory at Cannae whether the United States was justified in using the atomic bomb in Japan whether Adolf Hitler was primarily responsible for the Holocaust and whether torturing prisoners during the War on Terror is warranted among many other historical military debates *Hannibal's Last Battle* Brian Todd Carey,Joshua B. Allfree,John Cairns,2007-10-18 A crisply written well researched superb piece of scholarship about one of the most dramatic and decisive battles in the ancient world Journal of Military History At Zama in what is now Tunisia in 202 BC the armies of two great empires clashed the Romans under Scipio Africanus and Carthaginians led by Hannibal Scipio s forces would win a decisive bloody victory that forever shifted the balance of power in the ancient world Thereafter Rome became the dominant civilization of the Mediterranean Here Brian Todd Carey recounts that battle and the grueling war that led up to it He offers fascinating insight into the Carthaginian and Roman methods of waging war their military organizations equipment and the tactics the armies employed He also delivers an in depth critical assessment of the contrasting qualities and leadership styles of Hannibal and Scipio the two most celebrated commanders of their age With vivid prose and detailed maps of the terrains
