reference to and based my recommendations on three of the more common types of vegetarianism Both myself and the Accredited Practising Dietitians of NPA Pty Ltd Nutrition Professionals Australia acknowledge that there are certain nutrients that are more difficult to obtain when following a vegetarian diet For this reason I have highlighted these and provided recommendations as to how to meet the required daily intake I will begin by saying that being vegetarian means different things to different people It is difficult to define Because of this I will highlight that there is not one meal plan or set of recommendations that will fit all individuals who have adopted this lifestyle For this reason I have provided you with four example menus to suit those following a pescatarian diet four example menus to suit those following a lacto ovo vegetarian diet and six example menus for those following a vegan diet As following a vegetarian diet restricts or removes foods from one or more food groups it is important that you liaise regularly with your doctor for regular check ups to ensure that you are in good health

WHAT DOES THIS EBOOK CONTAIN This information provided within this Nutrition HELP will cover all of your nutritional requirements and provide you with a foundation of nutritional knowledge This includes 14 day meal plan consisting of three meals and two snacks per day 2 days to suit pescatarian diets that also include eggs and milk 2 days to suit pescatarian diets that also includes milk only 4 days to suit lacto ovo vegetarian diets 6 days to suit vegan diets Full recipes for all dinner meals Information about the five foods and serving sizes Comprehensive education section including information about macronutrients important micro nutrients how to alter the meal plan to suit common dietary intolerances and the science behind effective maintainable weight loss Cooking tips and information on food hygiene cheat meals alcohol advice for eating out Comprehensive Frequently Asked Questions FAQ section
