

The background is a dark, starry night sky. A large, bright, multi-pointed star with a rainbow gradient is positioned at the top center. Below it, the text "Keeping CHRIST in Christmas" is displayed. The word "CHRIST" is in large, bold, serif letters with a rainbow gradient. The words "Keeping" and "in Christmas" are in a smaller, green, cursive font. At the bottom, there is a silhouette of a nativity scene. A bright light emanates from the manger where the baby Jesus is lying. Several figures are visible: Mary, Joseph, and the three wise men on the right, and shepherds with their flock on the left. The overall scene is festive and religious.

from God to the time he finishes his life's course. The presentation is illustrated with a wealth of biblical examples, contemporary real ministry cases, and historical anecdotes which give an insight into why some ministers have failed and why others have succeeded. Psychological Perspectives on Christian Ministry Leslie J. Francis, Susan H. Jones, 1996 The Exclusive Claims of Puseyite Episcopalians to the Christian Ministry Indefensible John Brown, 1844 *The End of Illusions* Joseph Loconte, 2004-10-01 The rise of Islamic radicalism has led to heated discussions about how best to address the threat of religious terror. Disputes covering the right and wrong of war with Iraq and the even bigger war on terrorism continue to rage across America. But this is not the first argument of this nature. America was faced with a similar moral dilemma on the eve of World War II. Fascism was conquering Europe, and religious leaders across the nation vehemently debated how to confront Nazi Germany. In *The End of Illusions*, Religious Leaders Confront Hitler's Gathering Storm. Joseph Loconte brings together pieces from the most significant religious thinkers of the pre-war period. In these essays, the writers eloquently and passionately present their arguments for going to war or maintaining the peace. In doing so, they explore issues vibrantly relevant today, including the Christian cause for war, the problem of evil, and America's role in the world. These urgently written pieces connect the past with the present and resonate with renewed clarity and poignancy.

Let the Women Keep Silent in the Churches Diane Brooks Bundy, 2022-02-03 For centuries, the question of who and what women should or should not be doing in God's churches has been labeled down through the centuries as one of the great controversies, and it remains today to be a big conflict. In 2019, the passages in 1 Corinthians 14:34-35 and 1 Timothy 2:11-12 found in the New Testament have been used and abused wrongfully to satisfy and appease the opinions and theories of the male mind set to satisfy the perspectives of the overview of what some pastors

and some men believe God has set positive proof before us in the Old Testament and Jesus and the Apostle Paul in the New Testament about a woman's place in the church in ministry and in leadership. This is an argument that should have been put to rest centuries past. To persist in asking this question is to doubt God and to deny His Word for God and His Word are one. The Bible says in 2 Timothy 3:16, "All scripture is given by inspiration of God." The Greek word for inspiration is *theospneustos*, which literally means "God breathed." Every word of the Bible is God breathed directly from God's own mouth; therefore, it is infallible. According to some pastors and men of today, this is absolutely unheard of, and the actions displayed by men is that even though God is God, God had no right to put women in these positions with power or authority. What about the women that labored with Paul? How do we account for all those women? How do we explain the women who fought for God on the front line and were fellow laborers with God in the Old Testament and Jesus in the New Testament as well as Paul? Nowhere in the entire Bible is there a hint of evidence that God, Jesus, or the Apostle Paul ever indicated that women were not to be in leadership roles or in ministry. Read the book, search the scriptures, and find out for yourselves. **Christian Treasury**, 1881

Restoring Christ's Church Michael S. Springer, 2016-04-08. This book examines the struggle for Protestant consensus and unity through the work of John a Lasco, 1499-1560. It is only in recent years that scholars have begun to recognize the importance of Lasco as one of the leading figures of the European Reformation and a pivotal figure between Lutheran and Reformed theologians. The Polish reformer was among the most dynamic church organizers of the sixteenth century, dedicated to healing the divisions among evangelicals and searching for the key to Protestant unity in the example of the Apostolic Church. It was to this end that he published the *Forma ac ratio* in 1555, a work that recorded the rites and practices of the London Strangers Church of which he had been the first superintendent and to provide a model for uniting the disparate Protestant communities on the Continent. Although some recent works have focused on aspects of Lasco's early career in Germany and England, this is the first book to provide a comprehensive analysis of the *Forma ac ratio* and the reformer's reasons for writing it. This study also puts Lasco's distinct model for Protestant churches into the wider European context and assesses his impact on the struggle for unity through an examination of his correspondence, the reaction to his writings, and his influence on Protestant congregations across Europe.
