Keeping Up with Lizzie, by Irving Bacheller: Illustrated by W. H. D. Koerner Irving Bacheller, **Keeping Up with Lizzie - Irving Bacheller** Irving Bacheller, 2010-02-12 The Honorable Socrates Potter was the only scientific man in the village of Pointview Connecticut In every point of manhood he was far ahead of his neighbors In a way he had outstripped himself for while his ideas were highly modern he clung to the dress and manners that prevailed in his youth He wore broadcloth every day and a choker and chewed tobacco and never permitted his work to interfere with the even tenor of his conversation He loved the old times and fashions and had a drawling tongue and often spoke in the dialect of his fathers loving the sound of it His satirical mood was sure to be flavored with clipped words and changed tenses The stranger often took him for a hayseed but on further acquaintance opened his mouth in astonishment for Soc Potter as many called him was a man of insight and learning and of a quality of wit herein revealed He used to call himself an attorney and peacemaker but he was more than that He was the attorney and friend of all his clients and the philosopher of his community If one man threatened another with the law in that neighborhood he was apt to do it in these terms We ll see what Soc Potter has to say about that **Keeping Up with Lizzie** Bacheller Irving, 2016-06-20 Unlike some other reproductions of classic texts 1 We
