In this photo-filled book, noted country roots Americana music writer Geoffrey Himes traces Nelson's entire career through the lens of his albums, examining Nelson's influences and early career as a songwriter. The circumstances of each album's writing and recording. Studio musicians and personnel. How each album fit into Nelson's career arc and the evolution of his craft. In addition, Himes offers a sidebar for each album that includes: An image of the album sleeve. Recording and release dates. Single releases. Chart positions for singles and albums. The text, together with more than 250 images of Nelson on and offstage, make for a unique and visually entertaining celebration of an American treasure who has transcended America's increasing polarization to become a national treasure.
