Keller T And Alsdorf K A Every Good Endeavor:

Colin Gunton, Tim Keller, and the Trinitarian Challenge to Individualism Steve Pearson, 2025-08-05 In today's market driven world the relationship between faith and work is vital for every Christian in the workforce This book examines how much Christian thinking on the subject needs a radical shift Traditionally the focus has been on how Christians can influence the marketplace often overlooking the profound ways the market shapes our theology With a fresh perspective the book centers on identity contrasting today's individualism with the relational model of the Trinity It argues that the market can erode our Christian identity and distort our theology often without us being aware Through the insights of British theologian Colin Gunton who explored the Trinity's connection to identity and the work of Timothy Keller on faith and work the book reveals a crucial truth our understanding of identity is not relational enough To truly engage meaningfully at the intersection of faith and work our foundational theology must be reframed *Biblical Principles of Crisis Leadership* Steve Firestone, 2020-05-28 This book explores how spirituality can improve an organization's ability to respond to a crisis It presents biblical examples of leading during a crisis to show how faith can be relied upon to lead during crisis situations Further it presents examples of leaders using their faith during trying times In recent years organizations have begun to prepare for crises but scholarly research has not kept up with their efforts Exploring topics such as communication servant leadership and resilience this work stakes new ground in leadership theory and will foster future research into the role of spirituality during organizational crisis *Creation and Christian Ethics* Dennis P. Hollinger, 2023-11-07 Creation is a foundational pillar of the biblical storyline yet it plays little role in contemporary evangelical ethics Seeking to correct this oversight Dennis Hollinger employs the creation story and creation themes throughout Scripture as a foundation for Christian ethics After demonstrating why creation is theologically significant and important for Christian ethics Hollinger develops major creation paradigms that provide ethical guidance on a wide range of issues including money sex power racism creation care social institutions and artificial intelligence among many others Creation and Christian Ethics shows throughout that the triune God creates from love and in that creation are moral designs for humanity's journey in God's world Professors and students of Christian ethics will find this a valuable resource for the classroom while pastors and church leaders will benefit from personal and small group study *Working in the Presence of God* Denise Daniels, Shannon Vandewalker, 2021-10-05 How do we invite God into our everyday lives Working in the Presence of God discusses the incorporation of spiritual disciplines into the ordinary rhythms of everyday experience God is already present and active so by becoming aware of workday rhythms and focusing on where various spiritual practices might be implemented in our jobs we can be transformed into Christ's likeness through our work We often think of spiritual practices as preparation for our regular lives in comfortable spaces and ideal settings we set aside time to hear from God But what if we can engage in these practices in the midst of our regular lives and particularly at work This transformation takes place when we surrender our

working lives to God begin to hear his voice accept his pleasure and allow his guidance at work The spiritual practices outlined in the book include The Liturgy of Commute Workplace as Holy Ground Surrendering the Calendar Reading Scripture in Your Workspace Affirmation of Calling Gratitude for God s Blessing and Celebrating Success at Work Confession at Work Lamenting Work Solitude Working in God s Presence Prayer of Examen for Work Sabbath Ceasing from Work

Equipping Christians for Kingdom Purpose in Their Work Tom Lutz, Heidi Unruh, 2021-11-15 In Equipping Christians for Kingdom Purpose in Their Work Tom Lutz and Heidi Unruh offer advice to those who seek to influence the faith of people outside the church Pastors Christian educators life coaches workplace mentors college professors and any Christian who considers their vocation to be one of discipleship will find nourishment in this book Few resources are designed for personal disciplers those who connect with other believers on a personal basis with a deep interest in their spiritual growth This book fills the gap This one of a kind resource shows how to disciple others in and for their work Most faith and work books focus on pastors and church programs or they speak directly to workers But this resource comes to the aid of those who offer spiritual guidance to working Christians This guide makes faith and work discipleship accessible to anyone who influences the faith of another With short readable chapters filled with case studies examples and practical resources readers will learn how to equip others to fulfill their kingdom purpose in their work Sample topics include Principles for Effectively Connecting with Adult Learners Structure for One on One Discipleship Meetings Research on Vocational Discipleship and Kingdom Centered Spiritual Maturity Various Leadership Models Scripture Passages on Being an Image Bearer Selected Scriptures for Faith and Work Principles Integrating Christian Faith and Work Sharlene G. Buszka, Timothy Ewest, 2019-10-21 Though the majority of Americans claim faith in God and adults spend the majority of their time working these two important dimensions of life are rarely effectively integrated It is important for people of every faith tradition to consider how when and if their faith and work are to be integrated This is especially true as research shows that the integration of faith and spirituality in the workplace results in numerous benefits for individuals organizations and society if done respectfully This book presents key research insights concerning integration influences and strategies for Christians who seek to integrate their faith and their work Specifically it discusses how individual occupational and organizational factors influence faith and work integration and suggests diverse ways to integrate the Christian faith at work The Faith and Work Integration Spheres of Influence Model is presented as a tool to guide individuals in better understanding how to develop their own personal plan for faith and work integration within the context of limiting or enabling occupational and organizational factors It also suggests areas for further research on this topic Readers will learn how Christian faith and work integration can be maximized based on individual attributes occupational characteristics and organizational factors
