Prevention and Treatment of Alcohol Problems Institute of Medicine, Committee to Identify Research Opportunities in the Prevention and Treatment of Alcohol-Related Problems, 1989-02-01 A thorough examination of nearly everything known about the prevention and treatment of alcohol problems this volume is directed particularly at people interested in conducting research and at agencies supporting research into the phenomenon of drinking The book essentially is two volumes in one The first covers progress and potential in the prevention of alcohol problems ranging from the predispositions of the

individual to the temptations posed by the environment The second contains a history and appraisal of treatment methods and their costs including the health consequences of alcohol abuse A concluding section describes the funding and research policy emphases believed to be necessary for various aspects of research into prevention and treatment Indian Business Case Studies Volume VI S B Mathur, Sudhakar Bokephode, D D Balsaraf, 2022-06-16 It has been decades since many business schools outside India adopted the case study methodology for teaching almost all branches of management studies This trend has been seen in India too where top management institutes have implemented the case study based methodology as an important pedagogical tool in business education The major issue in India however is a severe shortage of Indian case studies through which business schools can provide industry insights to students This volume fills that gap It has twenty Indian cases related to different aspects of business management The cases cover some of the prominent disciplines of management like marketing finance human resource management strategy management operations management accounting and mergers and acquisitions These cases best serve the purpose of adoption of case methodology in classroom teaching or online lecture sessions for the faculty and students of business management
