Jones, Larry Flaxman, 2013-10-01 Read this book and you will never view reality the same way again Mainstream science argues that if something can t be touched measured quantified and duplicated in a laboratory then it doesn t exist According to this worldview reality is an unconscious non personal mass of matter which leaves no room for the existence of spiritual or unexplained phenomenon But is that all there really is to reality Marie D Jones and Larry Flaxman don t think so and after reading this book neither will

you In The Grid paranormal investigators and best selling authors Jones and Flaxman present their theory of the Grid a divine superstructure that includes multiple levels of existence the entirety of which make up our reality Imagine a towering skyscraper with numerous floors where each floor represents a different level of existence Matter spirits angels ghosts extraterrestrials quantum physics biology neuroscience religion metaphysics even paranormal studies all have their place in the Grid And once you have an understanding of the many floors of the Grid and how they are connected you will learn all the possible ways you can take the elevator to access them such as developing your psychic abilities deep meditation out of body experiences and even the use of psychoactive drugs Jones and Flaxman will show you how to release the limiting belief that this is all there is once and for all by exploring the Grid expanding your awareness and empowering your life in the process Reality dear friend will never be the same again *The Complete Guide to Chakras* April Pfender,2025-06-17 A complete chakra guide to help you achieve spiritual growth wellness and healing If you ve ever wondered how each chakra the foundational energy centers of the body can help you heal and harmonize your body mind and spirit The Complete Guide to Chakras is the perfect resource It features detailed profiles that illuminate the innate power of 12 different chakras and how they govern our physical bodies our emotions and our potential The wide range of meditation based exercises will help you explore how every chakra in your body can be harnessed for strength vitality healing and personal growth You ll even discover how to use that spiritual knowledge to seek guidance expand your consciousness and attract what you desire to live a full and healthy life This comprehensive chakra guide offers A complete reference This book is a comprehensive but accessible introduction to what a chakra is and how each one can regulate your body s energy system for peace and growth Discover the 12 chakras Learn about the Earth Star the Divine Gateway and every chakra in between along with empowering exercises for activating and aligning them for spiritual healing and a deeper connection with yourself Beyond chakras Find background information about the long history of the chakras the endless ways to engage with them and even some discussion about auras different dimensions and more Understand and align every chakra in your body with this clear and informative guide to inner balance **New Age Bible of Mother Africa (Volumes 1 & 2)** T Lindsey-Billingsley,2019-12-13 The author T Lindsey Billingsley has compiled a no nonsense philosophical study guide exploring racial origins the African origins of humanity and prehistoric Kemetic influence throughout the world The main focus of these studies is on the anthropological and physiological makeup of racial groups with indepth research into both the Out of Africa theories and divine creationism myths Billingsley supplies concrete evidence to support her conclusions on the true human experience in lieu of popular speculation and theory devoid of logic and sound proof In this and subsequent volumes the author will establish a new perspective of thinking that will tempt you to challenge the validity of theological creationism and evolution whilst substantiating a strong position on intelligent design and extraterrestrial intervention **The Osirian Codex** Yuyah Mika'el Ben Shimon,2013-11-20 The Osirian Codex was written as if were three sage scribes each having a different point of

views but in essence all of them are looking at the same thing from different windows This literary work of esoteric philosophy ethics and wisdom also includes the subtitle Twt Mos and the Homosexual the Eye of Heru The Divine Androgyny Adam and others esoteric and apocryphal work which may be radical The book is also apocalyptic and apocryphal in some sense but it is not intended to harm no one or to impose and convert but to show and reflect gnosis the salvation of humanity and the path of esoteric enlightenment

Taking Persons Seriously Mihretu P. Guta, Scott B. Rae, 2024-06-06 This volume attempts to show why ontology matters for a proper grasp of issues in bioethics Contemporary discussions on bioethics often focus on seeking solutions for a wide range of issues that revolve around persons The issues in question are multi layered involving such diverse aspects as the metaphysical ontological personal medical moral legal cultural social political religious and environmental In navigating through such a complex web of issues it has been said that the central problems philosophers and bioethicists face are ethical in nature In this regard biomedical sciences and technological breakthroughs take a leading role in terms of shaping the sorts of questions that give rise to ethical problems For example is it ethical to keep terminally ill patients alive on dialysis machines or artificial ventilators Is it ethical to take someone's vital organs upon death and transplant them into another person's body without any prior consent from the deceased person Reproductive techniques also raise complicated ethical issues involving in vitro fertilization contraceptives prenatal testing abortions and genetic enhancements Moreover biomedical issues raise ethical problems regarding research on human subjects stem cell research and enhancement biotechnology The beginning and end of life issues bring up their own complicated ethical conundrums involving among other things terminating life support and euthanasia This book approaches such complex bioethical questions by engaging in ground level debates about the ontology of persons This is a nonnegotiable first step in taking steps forward in seeking a plausible solution s for the complex ethical problems in bioethics
