Fleisher,2009-04-09 So what are the fifties all about You realize you know more dead people than ever before You think you re never too old to be cool in shape and healthy Not true Some of you are already starting to look old feel old and act old How many years of quality life do you have left The fifties may be the last period in your life that you will be able to reverse some of the damage you have done in past years If you don t do it now it will be nearly impossible to do in the next decade In ten years how many of your contemporaries will no longer be here Is there a fountain of youth Will your marriage survive When does menopause start How about andropause the real name for male menopause Most guys don t know it exists They just decline and become that grumpy old man Are there remedies for the hormonal decline that is inevitable in both men and women You don t want to exist with a life of chronic illness and misery Join the small but smarter more diligent group of folks who are going to change their lives for the better by following the advice in *Fifty Something* Observations interviews and extensive research are employed to give the reader an unusual insight into the process of passing through the fifties You can go it alone or you can take a guide with you You can keep *Fifty Something* on your night table and look up the things that are important to you as they are encountered or you can go to sleep in the dark about your very existence You decide Because

the second half of life really can be better than the first half Fifty Something has answers **Many Lessons of Life** Jerry Templeton, The Author has lived a life full of challenges from being paralyzed to knowing what a miracle healing feels like from hearing a voice sent from God to having to watch his daughter pass away from wanting someone dead to understanding how to forgive and to have done so many things poorly but being so blessed and realizing it He is still a work in progress This is a colourful but intensely personal recall of his journey of life with elation and awe shock and horror unimaginable tragedy and grief along with the lessons he learned along the way This book recalls what life threw at him and his family how he made it through but felt he never deserved the family love and success he was blessed with Everyone is given the opportunities to make right or wrong decisions throughout their lives and hopefully this book will help to paint a clearer picture to help others at the crossroads they will face in their lives The proceeds from this book will go to Charities JAAJA S HOME OF ANGELS in Uganda an orphanage that continues to rescue care for and teach children that have no one Started in 2010 they have worked to build housing farming a playground a nursery school and a primary school on their property SUMMIT PACIFIC COLLEGE to a bursary that helps students with the cost of their Christian based learning and training that will equip them to help others around the world A New Way to Age Suzanne Somers,2020-01-07 At seventy three years young 1 New York Times bestselling author and health guru Suzanne Somers has established herself as a leading voice on antiaging With A New Way to Age she takes things a step further to present a revolutionary philosophy for a longer and better quality life in the form of easy to understand lessons and doctor interviews that will make you feel like you ve just had the best checkup of your life There is a new way to age I m doing it and it s the best decision I ve ever made I love this stage of my life I have juice joy wisdom and perspective I have energy vitality clearheadedness and strong bones Most of us are far too comfortable with the present paradigm of aging which normalizes pills nursing homes and the big three heart disease cancer and Alzheimer s disease But you don t have to accept this fate Now there s a new way to grow older with vibrancy freedom confidence and a rockin libido This health bible from Suzanne Somers will explain how to stop aging like your parents and embrace cutting edge techniques such as balancing nutritional and mineral deficiencies detoxifying your gut for weight loss pain management with non THC cannabis instead of harmful opioids and much more Aging well is mainly about the choices you make on a daily basis It can be a fantastic process if you approach it wisely After a lifetime of research Suzanne came to a simple conclusion what you lose in the aging process must be replaced with natural alternatives In order to thrive you have to rid your body of chemicals and toxins Start aging the new way today by joining Suzanne and her trailblazing doctors as they all but unearth the fountain of youth **The Stranger in the Mirror** Jane Shilling,2011-03-31 Middle age took Jane Shilling by surprise She hadn t seen it coming and she certainly wasn t ready for it Living a flawed bittersweet version of the idyll she dreamed of in her twenties in a tumbledown urban cottage by the Thames with a son a cat and a horse in a livery fifty miles away she wondered whether middle age was the beginning of the end Or was there one last

great adventure to be had *The Stranger in the Mirror* is one woman's attempt to understand what middle age means for her and whether as a new generation of women turns fifty a revolution is under way It definitely won't reverse the signs of ageing but it will make you laugh it will make you think and it could just make you look in the mirror in a slightly different way

Not Too Old for That Vicki Larson, 2022-04-04 Helps women break through the tired and hurtful stereotypes of aging to better reflect who they are how they live and what they want as they age Who hasn't heard the stereotypes about women of a certain age That's the age when women become invisible irrelevant undesirable asexual unhinged dried up hormonal messes It's when women quickly slide into fragility and become forgetful passive weak feeble debilitated disabled dependent and depressed Or so the story goes Not only are those outdated narratives sexist and ageist they are also damaging to women's physical emotional financial romantic and sexual health It's time to change them In *Not Too Old for That* Vicki Larson helps change the narrative about being a woman at midlife and older She questions what we've been told aging would be like and encourages us to instead ask ourselves what do we want it to be like and how can we get there The key is to be curious open minded and intentional about the ways we are becoming our future selves We have an opportunity to create new narratives of aging as a woman ones that value women at all stages of life not just youth and it starts with us Once the stereotypes that have held women back are broken down women can move past them and rather than feel helpless as the years add up they can discover and tap into just how much agency they have Not only will this book help to create a less ageist less sexist more inclusive future it will release our daughters and all young women from a similar future

Sometimes, Life Sux Jan Joyce, 2012-11 If life seems jolly rotten there's something you've forgotten And that's to laugh and smile and dance and sing When you're feeling in the dumps don't be silly chumps Just purse your lips and whistle that's the thing And always look on the bright side of life Come on always look on the bright side of life from the *Life of Brian* This is Jan's first foray into self publishing though many of these poems have been read performed or produced privately over the years to small audiences often in classrooms where she was successful in making poetry writing cool An astute observer of human nature and people lover she was often motivated to respond to everyday mundane situations which have presented themselves during her life Having been on the receiving end of life's many curve balls she has managed to remain resolute and resilient by responding with humour often self deprecating in the poetic form For Jan writing poetry was both a cathartic and therapeutic way to expressing certain events by transforming into them little pieces of history that could be remembered and laughed about years later Hence many of the events are derived from personal experiences and real events though the

names have been changed to avoid offence Subjects concerning getting older menopause losing weight having naughty children naughty school students and teenagers are a direct result of having them or dealing with them Other titles have been inspired by people particularly Pam Ayres and Roald Dahl where she has attempted to restyle their work with an Australian twist
