Imitating Christ Becoming More Like Jesus:

Imitating Christ R.T. Kendall, 2015-01-26 Being a humble Christian does not make you a wimp it makes you powerful It is tough to be humble today whether at home or in your community of relationships R T Kendall wants you to understand that out of that meekness comes majesty and success In *Imitating Christ* he carefully explains answers to questions like What does it mean to have the mind of Christ What motivated Jesus How can you become a servant to others When was Jesus vindicated and who vindicated Him Outlining Christ's capabilities conscience and credibility Kendall invites you to dig deeper in your relationship with the Father *Become More Like Jesus* Rev. Kevin Sills, 2022-03-25 As Christians we are trying to be more like Jesus and constantly falling short of that goal The forty sermons in this book explore how anyone can be more like Jesus including those who have not yet given themselves to Christ In fact at the end of each sermon you'll see an invitation to do so and the back of the book includes a prayer that will allow you to be born again as a child of God The sermons are written in a way that can be understood by people from every walk of life They are easy to read and expound on the Word of God so you can take him into your heart The sermons also emphasize that as Christians we are held to a higher standard as we must love everyone even those who are evil We love them because God loves them Whether you're a Christian seeking to ignite your faith or someone with questions about Christianity the sermons in this book will change your life

Imitating Christ in Magwi Todd D. Whitmore, 2019-01-24 *Imitating Christ in Magwi* An Anthropological Theology achieves two things First focusing on indigenous Roman Catholics in northern Uganda and South Sudan it is a detailed ethnography of how a community sustains hope in the midst of one of the most brutal wars in recent memory that between the Ugandan government and the rebel Lord's Resistance Army Whitmore finds that the belief that the spirit of Jesus Christ can enter into a person through such devotions as the Adoration of the Eucharist gave people the wherewithal to carry out striking works of mercy during the conflict and like Jesus of Nazareth to risk their lives in the process Traditional devotion leveraged radical witness Second Gospel Mimesis is a call for theology itself to be a practice of imitating Christ Such practice requires both living among people on the far margins of society Whitmore carried out his fieldwork in Internally Displaced Persons camps and articulating a theology that foregrounds the daily if extraordinary lives of people Here ethnography is not an add on to theological concepts rather ethnography is a way of doing theology and includes what anthropologists call thick description of lives of faith Unlike theology that draws only upon abstract concepts what Whitmore calls anthropological theology is consonant with the fact that God did indeed become human It may well involve risk to one's own life Whitmore had to leave Uganda for three years after writing an article critical of the President but that is what *imitatio Christi* sometimes requires *Becoming More Like Jesus* Bert Ghezzi, 1987 ***Becoming More Like Jesus*** Michael M. Smith, 1999 *Becoming like Jesus* is a process Based on excerpts from top Discipleship Journal articles this study will develop His character in you **Early days; or, The Wesleyan scholar's guide**, 1882 ***Worship That Changes Lives*** Alexis D.

Abernethy,2008-12 Compiles cultural theological and psychological perspectives on spiritual experience in worship from scholars and laity paying particular attention to the role of the arts in facilitating spiritual transformation *The Juvenile companion, and Sunday-school hive [afterw.] The Sunday school hive, and juvenile companion. Raising the Next Generation Robert M. Solomon,2022-03-22 The stress of parenting is real Many modern parents rely on parenting books or websites produced by experts These focus on the practical challenges of parenting This book takes a different perspective a spiritual one by inviting parents and potential parents to study God s Word and draw out valuable lessons for parenting There are six sections each dealing with some key aspect of parenting from a biblical perspective How we are parented by God to be good parents Parenting reflections from the Old Testament Parenting lessons from the New Testament Contemporary challenges parents face and how to handle them Insights from family counselling Drawing on God s grace and resources for godly parenting Dealt with in this book are parental anxieties and struggles born from the challenges of the hurried complex and confusing world we live in our need for intimacy with God the encouragement of biblical wisdom and the hope that comes from the God who loves us as our heavenly Father *The Pursuit of Holistic Holiness* Daniel

Spurgeon Tankersley,2020-10-15 The greatest pursuit in life is holiness Without holiness no one will see the Lord Heb 12 14 Unfortunately individuals churches even entire denominations often practice distorted spiritual formation As a result spiritual growth is hindered personal witness is damaged the Great Commission is inhibited and God is dishonored The solution to distorted spiritual formation is a holistic approach centered on the Great Commandment The Pursuit of Holistic Holiness provides a biblical theology of spiritual formation identifies pitfalls of imbalanced spiritual growth and offers practical solutions to help Christians recognize and overcome deficiencies in the transformation process Whatever your spiritual maturity level this book will facilitate your path forward The pursuit of holistic holiness has the potential to spark a reformation in the Church **The New Testament and the Theology of Trust** Teresa Morgan,2022-06-16 This study

argues for the recovery of trust as a central theme in Christian theology and offers the first theology of trust in the New Testament Trust is the root meaning of Christian faith pistis fides and trusting in God and Christ is still fundamental to Christians But unlike faith and other aspects of faith such as belief or hope trust is little studied Building on her ground breaking study Roman Faith and Christian Faith and drawing on the philosophy and psychology of trust Teresa Morgan explores the significance of trust trustworthiness faithfulness and entrustedness in New Testament writings Trust between God Christ and humanity is revealed as a risky dynamic forward looking life changing partnership God entrusts Christ with winning the trust of humanity and bringing humanity to trust in God God and Christ trust humanity to respond to God s initiative through Christ and entrust the faithful with diverse forms of work for humanity and for creation Human understanding of God and Christ is limited and trust and faithfulness often fail but imperfect trust is not a deal breaker Morgan develops a new model of atonement showing how trust enables humanity s release from the power of both sin and

suffering She examines the neglected concept of propositional trust and argues that it plays a key role in faith This volume offers a compelling vision of Christian trust as soteriological ethical and community forming Trust is both the means of salvation and an end in itself because where we trust is where we most fully live When God Prayed Don

Wilton,2008-03-01 When God Prayed is based on a popular seminar that pastor and longtime Billy Graham associate Don Wilton first gave at Graham s training center The Cove It looks with intense depth at the words of Jesus in John 17 when he prayed for himself his disciples and for all believers when he knew that death on the cross was near The longest prayer spoken by Jesus in the Gospels reveals so much about God s heart for his people the utter sacrifice and tension of the crucifixion and the ways in which God continues his work in us today Wilton writes I would pray that this book would simply stir your soul and move your heart to a fresh realization of the wonderful work of our Lord and Savior as he came in obedience to the Father unto death I pray you will discover just how much we have not discovered and just how far reaching the mind of Christ really is I pray we will all be driven to our knees in gratitude to God **Blessings** Alan

Carruth,2022-10-07 Alan Carruth s understanding of God s wisdom and truth was distilled into a simpler more straightforward message as he was journaling on The Imitation of Christ by Thomas Kempis In these devotions he considers questions such as Do we really know what it means to become apprentices to our Master and learn the ways of eternal life How can we commit ourselves to learning and practicing our Savior s ways In what ways does humility bring divine truth to our thinking Does any good come from arguing over opinions and speculations concerning the uncertainties of life at the expense of the kingdom of God The devotions cover a variety of important topics including obedience and submission blessedness misery death the judgment of God burdens solitude gratitude hearing God through Scripture suffering self love and much more The author emphasizes that we must recognize that knowing God s truth is not enough to make us holy that is set apart for godly service We must commit to reflecting the image of Jesus by loving and forgiving others Knowing the Bible is useless unless we show others the grace and love of God **Imitating God in Christ** Jason B. Hood,2013-03-07 At

a time when the call to imitate Jesus comes loaded with moralistic overtones Jason Hood offers a refreshing look at imitation on the Bible s terms Drawing our attention to the practice that Paul taught everywhere in every church Hood s study yields insights into Scripture the church fathers and Christian culture Moral Transformation Andrew J. Wallace,R. D. Rusk,2011 Recent scholarship has challenged post Reformation ideas about the early Christian doctrines of salvation This groundbreaking book draws together the conclusions of recent scholarship into a compelling and clear view of the early Christian paradigm of salvation It presents the case that the early Christians focussed not on Christ s death on the cross or saving faith but on moral transformation They saw Jesus as God s appointed teacher prophet and leader who died as a martyr in order to teach them a new way of life Their paradigm of salvation centred upon this way of life taught by Jesus and on following faithfully his example and teachings Part 1 How the Gospels present Jesus explores the way in which the early Christians

understood the teaching of Jesus It highlights five themes of Jesus message economics and wealth moral purity social equality the temple system and physical and spiritual affliction It shows why people viewed Jesus as a divinely appointed teacher prophet and leader and saw his death as a martyrdom for his cause and movement Part 2 Doctrines of the early Christians presents the key early Christian doctrines of salvation and shows why several post Reformation doctrines conflict with their views It shows that the early Christians believed God s final judgment is made on the basis of character and conduct They believed that by following Jesus and transforming their lives morally they would obtain positive judgment and resurrection This part shows how the early Christians ideas of faith justification forgiveness and grace all fit into this paradigm Part 3 The importance of Jesus looks at why the early Christians considered Jesus so significant they focussed on the moral transformation he brought to their lives This part highlights what they believed Jesus achieved for them and how they used sacrificial language to explain these beliefs It explores the evidence for viewing Jesus death as a martyrdom and for seeing his resurrection as equally important Part 4 Ideas throughout history shows that Christians held this paradigm of salvation for several centuries It outlines the key changes that occurred from the 4th century through to the Reformation which moved tradition away from the early Christian ideas Finally it offers a critique of modern post Reformation doctrines of salvation

The Blueprint of Grace Robert Allen,2024-03-11 No Christian is perfect and no Christian will be on this side of heaven Every believer is a work in progress being transformed from who they were to who they will yet be The technical term is sanctification Rooted in God s character and his design in and through creation sanctification is the process by which a Christian develops into the person God wants him or her to be Simultaneously challenging and joyous sanctification does not happen overnight neither is it a process with a defined end point It is a lifelong pursuit The beauty of God s work in sanctification is that God shapes one s life into something beyond expectation By submitting to God s plan believers become more like Christ and so fulfill God s purpose to glorify himself on the earth The Blueprint of Grace serves as a primer to the beginning of the process of sanctification how it unfolds and how it ends

For Our Good Paula Mowery,2015-09-04 Charlie Jarvis is haunted by loss that fuels her desire to rid the world of drug traffickers When her next assignment takes her back to her hometown she has to confront her painful past She has no interest in a relationship since God seems to kill everyone she loves Colton Thomas appreciates material things and the status of being a corporate pilot When someone approaches him to deliver a package for a large sum of money that could wipe out his debts temptation knocks loud on his door even as his partner Marshall slams it shut Meeting Charlie challenges his non committal stance with women As he considers who he has become and the kind of man he would want to be for Charlie he confronts his own shallow lifestyle and the fear that he would never be able to help her heal her wounds As Charlie pursues the man causing high school boys to die of overdoses she struggles with the secrets she keeps from Colton With people around them shining the light of God and encouraging their courtship both Charlie and Colton have to face hard truths about life death love and faith And maybe find a

fresh start for them both *Exemplars, Imitation, and Character Formation* Eric Yang,2024-08-22 This volume examines the role and relevance of exemplars and the practice of imitation in character development and formation While the role of exemplars and imitation in spiritual and moral formation has been an integral part of many religious and wisdom traditions in recent times there has been limited theological and philosophical investigation into it and a dearth of interdisciplinary discussion The book brings together relevant research and insights from leading experts within philosophy psychology and theology with a slight emphasis on Christian approaches to exemplars and imitation especially given the reflection on these themes throughout the history of the Christian intellectual and mystical tradition Many of the contributions display an interdisciplinary approach into these issues hence this volume will be of interest to philosophers psychologists theologians and others who work in moral psychology and character formation **Free to Be Holy** Matt Lozano,2023-04-14 In *Free to be Holy* Matt Lozano from Heart of the Father Ministries encourages everyone to pursue a life of holiness Instead of teaching us how to become holy this book boldly proclaims that we already made holy by the blood of Jesus It is a guide to understanding how Jesus made us and how we can approach a life of holiness with confident faith and joyful hope The compelling promise of this book is that the pursuit of holiness is not a struggle but an adventure of discovering who we really are in Jesus **All Things Come into Being Through Him** David O. Brown,2023-04-15 David O Brown demonstrates how it is possible to embrace deism without that leading to those problems deism presents to the Christian namely the denial of providence and rejection of the incarnation
