Administering the School Library Media Center Betty J. Morris, 2010-08-16 This is the most comprehensive textbook on school library administration available now updated to include the latest standards and address new technologies This reference text provides a complete instructional overview of the workings of the library media center

from the basics of administration budgeting facilities management organization selection of materials and staffing to explanations on how to promote information literacy and the value of digital tools like blogs wikis and podcasting Since the publication of the fourth edition of *Administering the School Library Media Center* in 2004 many changes have altered the landscape of school library administration the implementation of NCLB legislation and the revision of AASL standards just to mention two The book is divided into 14 chapters each devoted to a major topic in school library media management This latest edition gives media specialists a roadmap for designing a school library that is functional and intellectually stimulating while leading sources provide guidance for further research

Leading Standards-Based Education Reform Linda R. Vogel, 2010-11-16 Standards based education SBE has been the dominant educational reform movement since the early 1980s reinforced by federal and state accountability systems This book examines the efforts of educational leaders in implementing SBE to improve student achievement in a variety of demographic contexts but with common challenges Four stages of SBE implementation are identified that focus on strong district leadership of the articulation of how SBE can benefit students an investment in collaborative structures and teacher training and the facilitation of dialogue among all educational stakeholders The descriptions of leadership actions and educator development at each stage can serve as a guide for educators and policy makers to assess which stage schools and districts are in and what steps can be taken to effectively move SBE reform efforts forward The reflective questions for district school and teacher leaders at each stage can facilitate the dialogues that can ensure that SBE reform supports changes in classroom instruction that improve the learning opportunities and educational outcomes of all students
