## **Language Identity Politics Cross Atlantic Perspective:**

Language and Identity Politics Christina Späti, 2015-11-01 In an increasingly multicultural world the relationship between language and identity remains a complicated and often fraught subject for most societies The growing political salience of questions relating to language is evident not only in the expanded implementation of new policies and legislation but also in heated public debates about national unity collective identities and the rights of linguistic minorities By taking a comprehensive approach that considers both the inclusive and exclusive dimensions of linguistic identity across Europe and North America the studies assembled here provide a sophisticated look at one of the global era s defining political dynamics

**The Handbook of Cultural Linguistics** Alireza Korangy, 2024-05-31 Bringing together a wide selection of work on cultural linguistics and pragmatics this comprehensive handbook offers global comparative insights into the field Diversity does not always imply differences but it also offers insights into surprising similarities and parallels when it comes to expressions By the same token this collection shows that when we see that linguistic differences when they exist stem from not merely language but from the cultural and historical context that cultivates and nurtures them Within that paradigm then this handbook locates the importance of philosophy religion or even the lack thereof political affiliations and so on in forming expressions In addition comparisons with other models of cultural linguistics are undertaken These trends provide readers with a comprehensive introduction to issues in cultural linguistics addressing the peculiarities of the field under the rubric of localized studies and speaking to the possibilities that exist in interpretation of what metaphors are The book highlights the complexities that are so tightly interwoven into the fabric of every word and a sentence across cultures and linguistic traditions A must have collection for anthropologists philosophers linguists philologists theoreticians rhetoricians and scholars of poetics this is the one stop reference in cultural linguistics

**The Politics of Language in Puerto Rico** Amílcar Antonio Barreto, 2020-01-06 In 1991 the Puerto Rican government abolished bilingualism claiming that Spanish only was necessary to protect the culture from North American influences A few years later bilingualism was restored and English was promoted in public schools This revised edition of The Politics of Language in Puerto Rico is updated with an emphasis on the dual arenas where the language controversy played out Puerto Rico and the United States Congress and includes new data on the connections between language and conflicting notions of American identity This book shows that officials in both San Juan and Washington along with English first groups used these language laws as weapons in the battle over U S Puerto Rican relations and the volatile debate over statehood

**The Routledge Handbook of Language Policy and Planning** Michele Gazzola, François Grin, Linda Cardinal, Kathleen Heugh, 2023-09-28 The Routledge Handbook of Language Policy and Planning is a comprehensive and authoritative survey including original contributions from leading senior scholars and rising stars to provide a basis for future research in language policy and planning in international national regional and local contexts The Handbook approaches language policy as public policy that can be studied through the policy cycle framework

It offers a systematic and research informed view of actual processes and methods of design implementation and evaluation With a substantial introduction 38 chapters and an extensive bibliography this Handbook is an indispensable resource for all decision makers students and researchers of language policy and planning within linguistics and cognate disciplines such as public policy economics political science sociology and education **Southernizing Sociolinguistics** Bassey E. Antia, Sinfree Makoni, 2022-11-10 This innovative collection offers a pan Southern rejoinder to hegemonies of Northern sociolinguistics It showcases voices from the Global South that substitute alternative and complementary narrations of the link between language and society for canonical renditions of the field Drawing on Southern epistemologies the volume critically explores the entangled histories of racial colonialism capitalism and patriarchy in perpetuating prejudice in and around language as a means of encouraging the conceptualization of alternative epistemological futures for sociolinguistics The book features work by both established and emerging scholars and is organized around four parts The politics of the constitution of language and its metalanguage in the Global South Who gets published in sociolinguistics Language in the Global South and the social inscription of difference and Learning and the quotidian experience of language in the Global South This book will be of interest to scholars in sociolinguistics applied linguistics critical race and ethnic studies and philosophy of knowledge Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

**The Politics of Language Oppression in Tibet** Gerald Roche, 2024-11-15 In *The Politics of Language Oppression in Tibet* Gerald Roche sheds light on a global crisis of linguistic diversity that will see at least half of the world's languages disappear this century Roche explores the erosion of linguistic diversity through a study of a community on the northeastern Tibetan Plateau in the People's Republic of China Manegacha is but one of the sixty minority languages in Tibet and is spoken by about 8 000 people who are otherwise mostly indistinguishable from the Tibetan communities surrounding them Recently many in these communities have switched to speaking Tibetan and Manegacha faces an uncertain future The author uses the Manegacha case to show how linguistic diversity across Tibet is collapsing under assimilatory state policies He looks at how global advocacy networks inadequately acknowledge this issue highlighting the complex politics of language in an interconnected world *The Politics of Language Oppression in Tibet* broadens our understanding of Tibet and China the crisis of global linguistic diversity and the radical changes needed to address this crisis

**The Politics of Multilingualism** Peter A. Kraus, François Grin, 2018-09-10 This book proposes a multidisciplinary assessment of the impact of complex diversity on language politics and policies analysing how the legacies of the old interact with the challenges of the new Its main focus is on the interplay of multilingualism on the one hand and the dynamics of transnationalism globalisation and Europeanisation on the other This interplay confronts contemporary societies with unprecedented questions as they face the need to come to grips with increasingly varied and pervasive manifestations of linguistic and cultural diversity This volume develops an integrative

approach that identifies the key social and political dimensions at hand offering an innovative contribution to the ongoing conversation on the manifestations and management of multilingualism      *Pretty Liar* Natalie Khazaal, 2018-11-15 How did a new irresistible brand of television emerge from the Lebanese Civil War 1975-91 to conquer the Arab region in the satellite era What role did seductive news anchors cool language teachers superheroes and gossip magazines play in negotiating a modern relationship between television and audiences How did the government lose its television monopoly to sectarian militias *Pretty Liar* tells the untold story of the coevolution of Lebanese television and its audience and the ways in which the Civil War of 1975-91 influenced that transformation Based on empirical data Khazaal explores the rise of language and gender politics in Lebanese television and the storm of controversy during which these issues became a referendum on television's relevance This groundbreaking book challenges the narrow focus on present day satellite television and social media offering the first account of how broadcast television transformed media legitimacy in the Arab world With its analysis of news entertainment and educational shows from T1 Liban and LBC novels periodicals and popular culture *Pretty Liar* demonstrates how television became a site for politics and political resistance feminism and the cradle of the postwar Lebanese culture The history of television in Lebanon is not merely a record of corporate technology but the saga of a people and their continuing demand for responsive media during times of civil unrest      *Life-Writing from the Margins in Zimbabwe* Oliver Nyambi, 2019-05-20 This book explores the unique contributions of various forms of post 2000 life writings such as the autobiography epistles and biographies to discourses about the nature and socio politics of what has become known as the Zimbabwean crisis c 2000-2009 Much of what has been written about the Zimbabwean crisis a decade long period of unprecedented economic collapse and political upheavals in the southern African country is strictly discipline specific and therefore limited to unidimensional modes of theorising the crisis's many and complex dimensions and dynamics In this context this book charts a paradigm shift in hermeneutic and epistemological approaches to comprehending the Zimbabwean crisis *Life Writing from the Margins in Zimbabwe* centres the experiences and memories of ordinary Zimbabweans in pluralizing modes of seeing and knowing the crisis The book argues that these life writings present a rich site for encountering versions of the crisis that relate in counter discursive ways to the dominant state authored narrative of the nation in crisis Oliver Nyambi's analysis contributes new ideas to ongoing debates about how cultural texts reflect on the postcoloniality of both power and experiences and negotiations of power in the context of crisis This book will be of interest to scholars and students of African literature Zimbabwean African studies postcolonial literature life writing and cultural studies      *Switzerland and Migration* Barbara Lüthi, Damir Skenderovic, 2019-04-30 This book explores the history of migration in Switzerland from the late nineteenth century to the present day It brings together recent scholarship on Switzerland in the field of cultural and migration studies as well as migration history and combines various research approaches from postcolonial studies transnational studies border studies and history of knowledge Since the late nineteenth

century Switzerland has gradually transformed into a migration society becoming one of the countries in Europe with the highest percentage of migrant population While migration has become one of most contentious issues in Swiss public and political debates the volume also shows how migrants have developed various strategies to deal with the country s discriminatory policies and distinct institutional settings The authors of the volume convincingly challenge the view that Switzerland still does not represent a migration or even post migrant society and substantially contributes to the long overdue acknowledgement of Switzerland in migration history and studies at the international level **Philip Roth and World Literature: Transatlantic Perspectives and Uneasy Passages** Velichka D. Ivanova, 2014-03-18 A book like this is long overdue because not many are aware of the numerous intersections between Philip Roth s fiction and world literature In highlighting these intersections and uneasy passages this comparative approach offers an important contribution to Philip Roth studies as well as to comparative literary study in general The fourteen chapters on this book summon Roth s intertextual links to authors ranging from the anonymous writer of the medieval play Everyman through Thoreau Hawthorne Crane Ellison Coover and the New York intellectuals in the United States to Swift Chekhov Svevo Kafka Schulz Gombrowicz Camus and Kluge in Europe and on to Coetzee in South Africa The book does not deal with all the works in Roth s canon but it offers a selection of works representing the different stages of Roth s development as a writer By offering new readings of both well studied and lesser studied works sometimes in unexpected company the book discloses the critical difference that comparative scholarship can affect The uneasy passages the book opens will not exhaust the numerous intersections between Roth and the work of other writers The book s contribution is to place Roth s fiction firmly in a larger transnational context Far from insular Roth s work appears as deeply rooted in the American canon while at the same time showing a remarkable openness a persistent need for contact with his European forebears and true engagement with contemporary world literature The transnational perspective of the book makes it important for the rapidly growing field of transatlantic and transnational American studies The book will be value to collections in American literature and Jewish studies comparative literature and criticism and transatlantic and transnational American studies Deutsch in Europa Deutsche Akademie für Sprache u. Dichtung, Union der deutschen Akademien der Wissenschaften, 2025-09-11 Wo in Europa wird Deutsch gesprochen Wie kam es dazu Welchen gesellschaftlichen Status hat die deutsche Sprache in Europa Wie gestaltet sich der Kontakt mit anderen Sprachen Wie fgt sich Deutsch in ein mehrsprachiges Repertoire ein Wie ist die Vitalität des Deutschen einzuschätzen Diesen und anderen Fragen widmet sich der Vierte Bericht zur Lage der deutschen Sprache Der erste Teil umfasst 15 Lnder Portraits in denen wichtige Informationen zur Stellung des Deutschen z B als Amts oder Minderheitensprache zusammengetragen werden Diese Steckbriefe dienen als Grundlage für die sechs Themenfelder die im zweiten Teil die Vielfalt des Deutschen über die Ländergrenzen hinweg darstellen Dabei liegt der Schwerpunkt auf der gegenwärtigen Situation z B im Hinblick auf den Deutschunterricht in mehrsprachigen Konstellationen den Sprachkontakt und die Einstellungen zur

deutschen Sprache es werden aber immer wieder auch Bezüge zur Geschichte der deutschsprachigen Minderheiten hergestellt. Im Ganzen präsentiert sich so ein facettenreiches Bild des Deutschen in Europa im Wechselspiel von Vielfalt, Sprachnormen und Sprachgebrauch.

*Transatlantic, Transcultural, and Transnational Dialogues on Identity, Culture, and Migration* Lori Celaya, Sonja Stephenson Watson, 2021-11-04. This book explores the transatlantic relationship between the US and Europe from multiple perspectives and disciplines. Since the end of the Cold War, a multi-polar world has replaced the dual power economic and political stranglehold previously shared by the US and Russia. Amid the shift in power politics, the transatlantic partnership between the US and Europe has retained its importance in shaping the outcome of future global developments. With the rise of the US as a major world power and the tremendous economic growths witnessed by countries such as China, India, and Brazil, the political power structures within and outside the transatlantic relations have gradually undergone shifts that are important to recognize, understand, and critically assess on a consistent basis. *Transatlantic Relations and Modern Diplomacy* assesses the strengths and weaknesses of this enduring transatlantic

**Egemonia e modernità** Fabio Frosini, Francesco Giasi, 2020-04-29T12:15:00+02:00. Sono trascorsi ottant'anni dalla morte di Antonio Gramsci, politico, filosofo, giornalista, linguista e critico letterario italiano, tra i fondatori del Partito Comunista Italiano, fondatore dell'Unità, autore dei Quaderni del carcere e uno dei più importanti pensatori del XX secolo. Autorevoli storici e studiosi italiani e internazionali riflettono sul ruolo del pensiero gramsciano in Italia e nella cultura internazionale, facendo il punto sulle acquisizioni e sulle prospettive degli scritti di Gramsci sulla sua filosofia della prassi e la sua importanza nella cultura italiana, analizzando anche lo stato e le nuove frontiere degli studi gramsciani nel mondo globale. Europa, Stati Uniti, Asia, America Latina. Atti del convegno internazionale di studi "Egemonia e modernità: Il pensiero di Gramsci in Italia e nella cultura internazionale", Roma, 18-20 maggio 2017, organizzato dalla Fondazione Gramsci e dall'International Gramsci Society Italia in collaborazione con l'Istituto della Enciclopedia Italiana.

*Transatlantic Relations and Modern Diplomacy* Sudeshna Roy, Dana Cooper, Brian Murphy, 2013-12-17. This book explores the transatlantic relationship between the US and Europe from multiple perspectives and disciplines. Since the end of the Cold War, a multi-polar world has replaced the dual power economic and political stranglehold previously shared by the US and Russia. Amid the shift in power politics, the transatlantic partnership between the US and Europe has retained its importance in shaping the outcome of future global developments. With the rise of the US as a major world power and the tremendous economic growths witnessed by countries such as China, India, and Brazil, the political power structures within and outside the transatlantic relations have gradually undergone shifts that are important to recognize, understand, and critically assess on a consistent basis. *Transatlantic Relations and Modern Diplomacy* assesses the strengths and weaknesses of this enduring transatlantic

relationship from multiple perspectives and disciplines at a time when the US and European countries are facing increasing economic pressures significant political changes and substantial security concerns Examining this relationship through a range of different lenses including historical economic and cultural this book highlights the importance of examining the transatlantic relationship from a variety of different contextual and historical perspectives in order to herald the future changes as informed global citizens This book will be of interest to students of transatlantic studies diplomacy political science and IR in general

**andererseits - Yearbook of Transatlantic German Studies** William Collins Donahue, Georg Mein, Rolf Parr, 2024-01-05 andererseits provides a forum for research commentary and creative work on topics related to the German speaking world and the field of German Studies Works presented in the publication come from a wide variety of genres including book reviews poetry essays editorials forum discussions academic notes lectures and traditional peer reviewed academic articles In addition we welcome contributions by journalists librarians archivists and other commentators interested in German Studies broadly conceived As a specifically transatlantic endeavor we also highlight select topics in American Studies that impact German Studies By publishing such a diverse array of material we hope to demonstrate the extraordinary value of the humanities in general and German Studies in particular on a variety of intellectual and cultural levels This issue features sections about German Studies approaches to media literacy Stephen Dowden's book *Modernism and Mimesis and the poetics of ambiguous memory*

**The Handbook of Communication in Cross-cultural Perspective** Donal Carbaugh, 2016-08-19 This handbook brings together 26 ethnographic research reports from around the world about communication The studies explore 13 languages from 17 countries across 6 continents Together the studies examine through cultural analyses communication practices in cross cultural perspective In doing so and as a global community of scholars the studies explore the diversity in ways communication is understood around the world examine specific cultural traditions in the study of communication and thus inform readers about the range of ways communication is understood around the world Some of the communication practices explored include complaining hate speech irreverence respect and uses of the mobile phone The focus of the handbook however is dual in that it brings into view both communication as an academic discipline and its use to unveil culturally situated practices By attending to communication in these ways as a discipline and a specific practice the handbook is focused on and will be an authoritative resource for understanding communication in cross cultural perspective Designed at the nexus of various intellectual traditions such as the ethnography of communication linguistic ethnography and cultural approaches to discourse the handbook employs then a general approach which when used understands communication in its particular cultural scenes and communities

**Cities in Ruins** Cecilia Enjuto Rangel, 2010 Purdue Studies in Romance Literatures publishes studies on topics of literary theoretical or philological importance that make a significant contribution to scholarship in French Italian Luso Brazilian Spanish and Spanish American literatures Book Jacket

*Cultural Politics and the Transatlantic Divide over GMOs* H.

Stephan, 2014-12-15 Alongside other factors cultural values and identities help to explain different regulatory frameworks for genetically modified organisms This book uses insights from environmental history and sociology to illuminate the cultural politics of regulation in the US and the EU with particular attention to public opinion and anti GMO activism **Ireland and Transatlantic Poetics** Brian Caraher, Robert Mahony, 2007 Transatlantic poetics is the principal theme and the constructive burden of these essays The motive toward its articulation lies in the demand for cross national international and post nationalist comprehension of cultural relations and critical practices across modern Anglophone British Irish and North American literary developments literary filiations and literary history Anglophone literary study needs to articulate ever more clearly the poetics of literary practices including the cultural politics of literary histories and literary reading Ireland is a small island yet its finest writers have insistently articulated its modern culture within a transatlantic neighborhood stretching from continental Europe across the British and Irish archipelago to the western reaches of North America Modern Dublin is a cultural location for constructing transatlantic literary relations and poetics This collection foregrounds modern Dublin its writers its universities its literary journals its teachers and critics of English Studies as well as the contested critical construction of regional and international poetics and cultural politics that emerges from the often tense interaction of local and global literary practices and critical desires
