Last Things First Unlocking Genesis With The Christ Of Eschatology:

Last Things First J. V. Fesko, 2007 We think that we know the first three chapters of the Bible well Creation and the Fall we say knowingly But have we ever stopped to consider that Jesus in the book of Revelation is called the last Adam and the Alpha Omega Are you tangled up on origins in Genesis Then this may be your way through the maze Divine Covenants and Moral Order David VanDrunen, 2014-05-14 This book addresses the old question of natural law in its contemporary context David VanDrunen draws on both his Reformed theological heritage and the broader Christian natural law tradition to develop a constructive theology of natural law through a thorough study of Scripture The biblical covenants organize VanDrunen s study Part 1 addresses the covenant of creation and the covenant with Noah exploring how these covenants provide a foundation for understanding God s governance of the whole world under the natural law Part 2 treats the redemptive covenants that God established with Abraham Israel and the New Testament church and explores the obligations of God s people to natural law within these covenant relationships In the concluding chapter of Divine Covenants and Moral Order VanDrunen reflects on the need for a solid theology of natural law and the importance of natural law for the Christian s life in the public square 07 02 *The Beginning and End of All Things* Edward W. Klink III, 2023-05-30 Edward W Klink III presents a holistic understanding of creation one that is unfolded throughout all of Scripture and is at the core of the gospel itself Along with offering rich insights about God and his purposes for the world a biblical theology of creation guides how we engage nature culture and life as embodied beings **The Giver of Life** J. Ryan Lister, 2014-11-30 God is with us We say this in our sermons prayers and songs but what does it really mean For many Christians the whole notion of God s presence remains vague and hard to define Exploring both the Old and New Testaments professor J Ryan Lister seeks to recover the centrality of the presence of God in the whole storyline of Scripture a theme that is too often neglected and therefore misunderstood In a world that longs for yet struggles to find intimacy with the Almighty this book will help you discover the truth about God s presence with his people and what his drawing near means for the Christian life **Songs of a Suffering King** J. V. Fesko, 2014-04-29 Our Lord has wisely given the Psalms the songbook of the Bible for the benefit of the church But for many people the Psalms contents are mysterious because they no longer have a place of prominence in the church s worship Author J V Fesko hopes to awaken the church to the majesty beauty and splendor of the Psalms through a devotional exploration of Psalms 1 8 a grand Christ hymn in which David as the suffering king prefigures the king of kings

Jesus Christ To encourage readers to come to a greater appreciation for the Psalms the author includes with each chapter questions for further reflection and study and a metrical version of each psalm He also recommends Internet resources that provide digital files of the tunes Created for Communion with God Harrison Perkins,2025-05-28 God made us to know him Encounter God in Genesis 1 2 See Jesus and the gospel in the creation accounts Learn how God created us for communion with him The book of Genesis brings us back to beginnings And in the beginning we meet God In Created for Communion with God Harrison Perkins explains that the creation account of Genesis 1 2 is primarily about God and his relationship with human beings These chapters are God s word for God s people to summon us into communion with him Perkins s theological reflections reveal God s glory and goodness highlight the good news of Jesus and encourage the soul

Progressive Covenantalism Stephen J. Wellum,Brent E. Nicholas Reid,John R. Muether,2020-10-16 A Comprehensive Exploration of the Biblical Covenants This book forms an overview of the biblical teaching on covenant as well as the practical significance of covenant for the Christian life A host of 26 scholars shows how covenant is not only clearly taught from Scripture but also that it lays the foundation for other key doctrines of salvation The contributors who engage variously in biblical systematic and historical theology present covenant theology not as a theological abstract imposed on the Bible but as a doctrine that is organically presented throughout the biblical narrative As students pastors and church leaders come to see the centrality of covenant to the Christian faith the more the church will be strengthened with faith in the covenant keeping God and encouraged in their understanding of the joy of covenant life **From Prisoner to Prince** Samuel Emadi,2022-07-12 How should we understand the significance of the story of Joseph within redemptive history This NSBT volume from Samuel Emadi offers a comprehensive canonical treatment of the Joseph narrative considering Genesis 37 50 in its own literary and theological context and culminating in the New

Samuel Parkison, 2024-09-03 Though the doctrine of the beatific vision has woefully been forgotten in the church today Samuel Parkison argues that the beatific vision is central for the life of the church today Through close readings of Aquinas Dante Calvin and more Parkison reminds us of the beatific vision's historical and contemporary significance **Reforming Apologetics** J. V. Fesko, 2019-03-19 Challenging the dominant Van Tillian approach in Reformed apologetics this book by a leading expert in contemporary Reformed theology sets forth the principles that undergird a classic Reformed approach J V Fesko's detailed exegetical theological and historical argument takes as its starting point the classical Reformed understanding of the two books of God's revelation nature and Scripture Believers should always rest on the authority of Scripture but also can and should appeal to the book of nature in the apologetic task **Law and the Bible** Robert F.

Cochran, David VanDrunen, 2013-09-01 The Bible is full of law Yet too often Christians either pick and choose verses out of context to bolster existing positions or assume that any moral judgment the Bible expresses should become the law of the land Law and the Bible asks What inspired light does the Bible shed on Christians participation in contemporary legal systems It concludes that more often than not the Bible overturns our faulty assumptions and skewed commitments rather than bolsters them In the process God gives us greater insight into what all of life including law should be Each chapter is cowritten by a legal professional and a theologian and focuses on a key aspect of the biblical witness concerning civil or positive law that is law that human societies create to order their communities implementing and enforcing it through civil government A foundational text for legal professionals law and prelaw students and all who want to think in a faithfully Christian way about law and their relationship to it Raised in Splendor Jason B. Alligood, 2025-02-25 When most ponder on the Christian walk they will likely run up on terms such as justification sanctification and glorification This famous trio points to the faith that justifies the believer the life in which the believer is sanctified through the gaining of wisdom through the reading of Scripture the testing of life in a broken world and the guidance of the Holy Spirit but many simply view glorification as the final part of the journey as if it does not have an important reality for the believer today We live in a world where the idea of being glorified is either viewed through the lens of something that will eventually come but has little importance now or has an overfocused importance where believers only focus on their entry into heaven Both are wrongfooted Pastor and Theologian Jason Alligood provides a message of hope for the thoughtful Christian today In Raised in Splendor Jason Alligood communicates the hope of glory that transcends the fears and frustrations of a secular age that not only points to the hope for the future glorification but that this hope is one that can be enjoyed and appreciated today

that inform certain doctrines Surveys of past and current theologies with contemporary emphasis on exegetical philosophical practical and theological questions Substantial interaction with various Christian movements within the Protestant Catholic and Orthodoxy traditions as well as the hermeneutical issues raised by postmodernity Charts sidebars questions for discussion and an extensive bibliography divided into different entry levels and topics At the heart of this book is a deep love for and curiosity about God Its basic argument is that a personal relationship with God goes hand in hand with the pursuit of theology It isn't possible to know God without studying him
