Baer, 2004-05-28 Generations of adults who were adopted as children have been kept in the dark about their original identities The law sealing birth records passed in 1935 in California during the Great Depression swept adoptions emotional complexities under the rug and made it possible to keep adoption itself a secret Reflecting extensive archival research and written for general audiences as well as professionals Growing in the Dark Adoption Secrecy and Its Consequences takes you through Californias early adoption laws the sealing of records in the era of baby seller Georgia Tann and the various consequences of this policy as they unfolded throughout the 20th century WHAT REVIEWERS HAVE SAID articulate easy to read and filled with real facts concerning sealed records Jean Brown adoptee If you work or live with adoption you cannot afford to skip this book Everyone seeking to reverse outdated sealed records laws should also provide a copy of the slim paperback to their legislatures Mirah Riben author full of fascinating information you wont be able to put it down Anita Field Bastard Nation Janine Baer who was adopted in California focuses on the California law enacted in 1935 sealing original birth certificates Contrary to the popular perception the intent of this law was not to protect the privacy of birthmothers Rather these records were sealed to protect children from the stigma of illegitimacy to protect adoptive parents from intrusions by birthparents to allow adoptive parents to keep the childs adoptive status a secret to create the illusion that the birthparents did not exist and to prevent adoptees from finding their birthfamilies This is an excellent book for birthparents adoptees and adoptive parents who want to know how we got to where we are Jane Edwards Portland Oregon Growing in the Dark by virtue of its modest length and accessibility can be used to educate people both within and outside of the adoption reform movement about the effects of sealed records and the faulty premises used to support them Barbara Busharis American Adoption Congress Decree Extensive notes and bibliographic information make it an excellent resource for those arguing for open records Sandra Falconer Pace Canadian Council of Natural Mothers Note on price Nonprofit organizations and resellers get 40% off Call Xlibris for these orders 1 888 795 4274 **Exploring Norms and Family Laws across the Globe** Melissa L.
