Im Not Crazy Im On Lupron A Journey Through Infertility:

I'm Not Crazy, I'm on Lupron Stacey Rourke, 2013-06 Basal body temperatures Hormone injections Invasive procedures that leave no room for modesty Tips on effective positions from well meaning grandparents When the natural way fails to work these are all added to the so called fun process of making a baby Walk this rocky path to motherhood with author Stacey Rourke as she openly and honestly shares every good bad and awkward step of her three year long journey Using humor to break through the perils of infertility she gives the lowdown on all the strange embarrassing and heartbreaking aspects Stacey guides us through an unforgettable path that ends with a kid on each hip and hope for all those suffering with infertility **BONUS MATERIAL** Morsels of Hope Success Stories from Infertility Survivors *Ordinary Miracles* Krissi Marie McVicker, 2012-03 Conception seems to be quite an ordinary occurrence for the fertile world But for Krissi and her husband Rob having a baby was almost impossible No one dared to say they were infertile not even their doctors And suddenly the deep ultimate fear of never being completely fulfilled kept them awake night after night But giving up was not an option Krissi and Rob were soon immersed into in vitro fertilization their only chance for success It was a world of hormone injections countless blood tests anxiety and exhaustion all mixed with hope IVF represented both an amazing wonderful medical advancement and a demanding frightening regimen with no guarantees and often heartache Whether or not you've struggled with infertility Krissi's journey will touch your heart with its honesty and devotion From the bittersweet news that her twin sister conceived in her first month of trying and her own mother's death to the joy of hearing her daughter's heartbeat for the first time and the sweetness of a 2:00 a.m. feeding after her twins were born this is a story of acceptance perseverance and love [Diapers on the Clothes Line](#) Hannah Stefanov, 2007-12-03 Diapers on the Clothes Line My Journey Through Infertility take a unique look into the joys and challenges that occur through the journey of infertility Written from a Christian point of view Hannah unashamedly takes aim and smashes current views of how to deal with infertility Laying claim that no woman by God's design has to go through depression to heal and get through infertility Hannah asserts her solid faith in a gentle but honest way Although Hannah and Kaloyan do not have children but rather they are currently pursuing adoption The goal in their lives was not how they had their children yet how they pursued God through the process of obtaining parenthood God has been so faithful to continue to encourage and lift up their family *Family Bound* Carrie Ostrea, 2003 Statistics show that over two million couples will experience some type of infertility issue when they try to become pregnant However when you are one of those two million you feel completely alone and believe that no one can truly understand what you are going through This honest and revealing book documents one couple's long and arduous journey to become parents from the eyes of the author The longer this process took the more emotional and difficult things became and the more the author relied on this journal to sort out all the emotions she was having She never expected that this journal would last for years hundreds of hormone shots and pills blood draws surgical procedures terrorist

attacks international flights and the most emotional and financial roller coaster that she had ever been on But she and her husband were desperate to become parents to have their own child to love to hug to experience life with By sharing their experience this book offers insight into the emotional physical and sociological effects infertility has on a couple s relationship their families friends and themselves as individuals It also provides in depth detail of popular infertility treatments domestic and international adoption processes

The Injustice of Infertility Jennifer Robertson,2020-09-17

This is the REAL story of infertility The truth Those thoughts and feelings you push down for fear of being judged by everyone else including yourself I m going to speak them out loud Let me share with you EVERYTHING including the lessons I learned along the way A seven year marathon of epic proportions our fertility journey was one ARE YOU F CKING KIDDING ME moment after another There were times I screamed at the universe WHY ME What did I do to deserve this This story will have you sitting on the edge of your seat You will cry you will laugh You will nod your head in vehement agreement Your heart will break and your faith in humanity will be restored You will be inspired and gain back a little hope You are not crazy you are not a bad person nor are you alone So strap yourself in let s ride this rollercoaster together

In Vitro: My Journey Through the World of IVF Anastasia Sputnik,2013-12 This book is a personal testimony from a patient who underwent 15 In Vitro fertilization IVF treatments over a 7 year period It is a story about male infertility combined with the female s fertility declined with the age which lead the partners to proceed with In Vitro Fertilization IVF as the only option In today s western world one in every six couples face fertility problems and this story could become a reality for millions of couples in the world This book is raising awareness about female fertility and reproductivity potential for women after their mid thirties It also reveals some of the hidden truths and misconceptions about IVF and demystifies information provided by the press and media A similar book with details of the latest IVF trends facts and experiences from the patients perspective has never been published The first part of the book is a chronicle of the author s experiences as an IVF patient where she shares medical information facts experience and lessons learned during IVF treatments In the second part of the book the author is offering valuable advice recommendations and tools including tips on how to save money for IVF This is also a patient s story about the emotional impact of IVF The book is unique in presenting a serious family and marriage crisis throughout battles with infertility and how the journey through the IVF drastically affected the couple s relationship It is also a story of a personal life crisis that the female patient was going through The author describes her own turmoil when she decided to end IVF IVF closure after many years of living in the IVF bubble when she faced not only the cruel fact that she will never be able to have more children but also experienced a career failure financial difficulties and her husband being ready to leave her due to the inability to have a big family together This book is also a relevant resource for medical practitioners to better understand patients physical and emotional needs and improve the service in IVF clinics Quote from the book My greatest hope is that reading this book leads to positive outcomes for as many women and couples as possible

Infertility Inferschmility

Aprill Fasino Lane,2013-12 I m not diseased therefore I m not contagious I m not a mother but that doesn t mean I don t know how to mother I m not jealous so don t act like you have something worth being jealous over I m not broken so please don t try to fix me I m just a girl who loves a boy I m just a girl who is excited to start a family I m just a girl who has a few things to say I m just a girl who is dealing with infertility We re on our 3rd round of IVF We have been waiting since our miscarriage in February to get started Currently I am on birth control to get my body ready to produce lots and lots of eggs I have no problems producing eggs As my AMAZING Doctor once said She puts my other patients to shame Maybe when people make condescending comments I should fire back Please you can only produce one egg a month I can produce 20 Top that On June 9th I will start Lupron injections Lupron basically induces menopause The goal is to stimulate my ovaries to produce a lot of eggs What we don t want is for my body to naturally ovulate and release the eggs on its own That s where Lupron comes in It prevents my body from releasing the eggs On June 25th yes my birthday and the one year anniversary of Michael Jackson s death I will start Gonal f injections Gonal f will be my friend for about 12 days After that it s egg retrieval and embryo transfer time I ll explain all of this in detail as time goes on Misconception 1 Infertile means Sterile This book takes you along with Aprill while she and her husband battle infertility The facts the joys the disappointments the treatments the emotions and the outcomes You will cry You will laugh You will cheer You may find answers You will be amazed at the amount of information that is contained in this book It is time to clear the air **Swimming Aimlessly** Jon

Waldman,2021-03-30 Using his own journey as inspiration writer Jon Waldman offers this heartfelt and funny guide for men and couples struggling with infertility Take a moment to scroll through the contacts on your phone or your friends on Facebook One in six of them is struggling with infertility The affected women have most likely reached out to family close friends support groups or online communities They ask for the help they need and often get it on behalf of themselves and their partners But men don t always handle infertility well Regardless of the underlying cause the inability to conceive naturally can be extremely painful The resulting feelings of inadequacy shame and isolation can change how a man acts towards those closest to him But Jon Waldman wants to change that In *Swimming Aimlessly* Waldman shares his family s infertility story a years long crazy expensive physically and emotionally exhausting ride He also speaks with other couples doctors and fertility experts providing not only the latest science but more intimate advice about the ups and downs of trying to conceive keeping the partnership healthy and dealing with the inevitable losses that come even when the journey ends in a baby **Full Circle** Elizabeth Austen,2015-04-06 Anyone who has walked through the trenches of infertility will relate to the raw account of Elizabeths experience Her passion to become a mother before time runs out leads to a set of circumstances that unravel her marriage her joy for life and her relationship with God Desperate to repair everything that infertility destroyed Elizabeth finds contentedness in a way that is unique to most infertility journeys *Infertility Madness* Jason Gibbs,Alex Harle,2021-12-11 Infertility Madness is a book about the rollercoaster that is infertility told with brutal

honesty Principally told from Alex s perspective but with a separate section with Jason s experience and advice It is the story of their seven years of hell whilst attempting to conceive their tour of all the infertility options the world has to offer medical and not so medical Their desperate search for a child took them from New York s finest fertility specialist to a faith healer in a Hampshire hamlet They became fully paid up members of the IVF industry from glitzy top London clinics offering it all but actually pedalling persuasive half truths to more down to earth clinics which admitted the medicine behind the fertility industry hasn t changed since the 1950s The book focuses on the mental health toll caused by continually failing to get pregnant whilst living in a world seemingly entirely peopled with big fat pregnant women rubbing their bellies with huge smug grins across their faces It examines the impact of infertility on what was a seemingly perfect marriage and it chronicles how in different ways Alex and Jason struggle to cope when everything starts to unravel but also find a path through the madness that is infertility and come out the other side **The Truth Behind The Secret " Infertility"** Fran
