offices have also decentralised The nature and pace of changes to office markets set within evolving spatial structures of cities has had implications for tenants and led to a demand for shorter leases The consequence is a rethink of the traditional perception of property investment as a secure long term investment and this is reflected in reduced investment holding periods by financial institutions Office Markets land management property and real estate urban planning and urban studies It will also be of interest to researchers property professionals policy makers and planning practitioners **The Advocate** ,2004-01-20 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States Windows into The West Wing Patrick Webster,2020-05-05 The West Wing first broadcast in 1999 is thought by many to have been one of the most significant dramas shown on network television Despite its overly idealized depiction of American political life and blatant contradictions in the way we consider America its values its aspirations and its behavior in the world The West Wing nonetheless succeeds in attaining popular national and international aesthetic appeal This book aspires to explain the appeal of the show by considering issues such as race religion sexuality disability and education from both a practical and theoretical perspective through the lenses of feminism gender theory Marxism psychoanalytical theories structuralism poststructuralism postcolonialism and more It seeks to offer informative and revealing readings of one of the most significant television productions of recent times
