Savannah Eugenia Price, 2013-09-10 Orphaned Mark Browning was only twenty when he renounced his father's fortune and sailed to Savannah his mother's birthplace and the home of two remarkable women The first is Eliza McQueen Mackay his mentor's beautiful wife whom Mark loves with a deep pure love that can never be spoken The other is lovely young Caroline Cameron whose life is blighted by a secret that has tormented her grandparents for half a century a secret that affects Mark more closely than he imagines Desiring one woman loved by another Mark must confront the ghosts of a previous generation and face the evil smoldering hate before he can truly call Savannah his home **A Maryland Bride in the Deep South** Kimberly Harrison, 2006-04-28 They say I'm a Yankee but if wanting peace is Yankee then I am one I am tired of Disunion of husband her husband's alleged ambush of Union soldiers and subsequent flight from home the retaliatory

burning of the family's sugar plantation in Houma and the losses, horrors and daily depredations of war. Published here for the first time with extensive notes and a critical introduction by Kimberly Harrison, Bond's intimate writings illuminate the Civil War's impact on women, families and individual identities. Occasionally Bond records her experiences for the benefit of later readers, but more often she uses her diary to carve a space and time for self-reflection, self-instruction and self-persuasion. Nineteenth-century women's lives were defined by their relation to others as wife, mother, daughter and sister, and keeping a diary allowed Bond to claim time for herself. It served as a rhetorical tool that helped motivate her to conform to contemporary standards of true womanhood, adapt to a harsh new environment and survive the collapse of a civilization. Harrison's interpretive commentary enables readers to appreciate the context within which Bond writes, even as entries about everything from marital anguish to in-law difficulties to religious struggles to failing health bring Priscilla Bond uniquely and movingly to life. Her diary deftly cross-referenced with numerous letters adds a valuable and enriching layer of complexity to the larger story of the Civil War home front. *The Sabbath Recorder*, 1928. James Baldwin, David Leeming, 2015-02-24. James Baldwin was one of the great writers of the last century. In works that have become part of the American canon—*Go Tell It on a Mountain*, *Giovanni's Room*, *Another Country*, *The Fire Next Time* and *The Evidence of Things Not Seen*—he explored issues of race and racism in America, class distinction and sexual difference. A gay African American writer who was born in Harlem, he found the freedom to express himself living in exile in Paris. When he returned to America to cover the Civil Rights movement, he became an activist and controversial spokesman for the movement, writing books that became bestsellers and made him a celebrity, landing him on the cover of *Time*. In this biography, which *Library Journal* called indispensable, David Leeming creates an intimate portrait of a complex, troubled, driven and brilliant man. He plumbs every aspect of Baldwin's life: his relationships with the unknown and the famous, including painter Beauford Delaney, Richard Wright, Lorraine Hansberry, Marlon Brando, Harry Belafonte, Lena Horne and childhood friend Richard Avedon; his expatriate years in France and Turkey; his gift for compassion and love; the public pressures that overwhelmed his quest for happiness; and his passionate battle for black identity, racial justice and to end the racial nightmare and achieve our country. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing and Yucca imprints, is proud to publish a broad range of biographies, autobiographies and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela and Alexander Graham Bell, as well as villains from history such as Heinrich Himmler, John Wayne Gacy and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. *The Complete Works of Elizabeth Gaskell (20+ Books)*.
