Edward Albee's *The Goat, Or, Who is Sylvia?* Edward Albee, 2003 In the play Martin a hugely successful architect who has just turned fifty leads an ostensibly ideal life with his loving wife and gay teenage son But when he confides to his best friend that he is also in love with a goat named Sylvia he sets in motion events that will destroy his family and leave his life in tatters **BOOK JACKET** *The Goat, or Who is Sylvia?* Edward Albee, 2021-01-14 Albee's perversely funny sendup of a standard mid life crisis drama dares to suggest that even the most flawed and confused human beings deserve compassionate understanding and the failure to proffer it is a species of bestiality far more abhorrent than the sexual kind Variety On his 50th birthday Martin a world famous architect prepares for a recorded interview by an old friend in the TV business but in the course of the conversation a secret emerges that threatens to turn celebration to tragedy Edward Albee's black comedy offers a fascinating look at the limits liberal society can be pushed to and asks the audience to question their beliefs to examine their own bigoted views and reconsider their judgement of matters that may or may not be considered socially taboo Winner of the 2002 Tony Award for Best Play *The Goat or Who is Sylvia* is a hugely enjoyable parable that plumbs the deepest questions of social constraints on the individual expression of love This Modern Classics edition features a new introduction by Toby Zinman **The Ultimate Scene and Monologue Sourcebook, Updated and Expanded Edition** Ed Hooks, 2010-05-19 All actors and acting teachers need *The Ultimate Scene and Monologue Sourcebook* the invaluable guide to finding just the right piece for every audition The unique format of the book is ideal for acting teachers who want their students to understand each monologue in context This remarkable book describes the characters action and mood for more than 1 000 scenes in over 300 plays Using these guidelines the actor can quickly pinpoint the perfect monologue then find the text in the Samuel French or Dramatist Play Service edition of the play Newly revised and expanded the book includes the author's own assessment of each monologue **The Stage Lives of Animals** Una Chaudhuri, 2016-10-04 *The Stage Lives of Animals* examines what it might mean to make theatre beyond the human In this stunning collection of essays Una Chaudhuri engages with the alternative modes of thinking feeling and making art offered by animals and animality bringing insights from theatre practice and theory to animal studies as well as exploring what animal studies can bring to the study of theatre and performance As our planet lives through what scientists call the sixth extinction and we become ever more aware of our relationships to other species Chaudhuri takes a highly original look at the animal imagination of well known plays performances and creative projects including works by Caryl Churchill Rachel Rosenthal Marina Zurkow Edward Albee Tennessee Williams Eugene Ionesco Covering over a decade of explorations a wide range of writers and many urgent topics this volume demonstrates that an interspecies imagination deeply structures modern western drama **Edward Albee and the Emergence of Difference and Diversity in US and World Theatre** David A. Crespy, Les Gray, 2025-09-08 This collection of essays seeks to present articles that examine the early ventures of the 1960s and 1970s in the progressive

theatre of identity with a new contemporary view considering the intersection of race gender ethnicity economic class and sexual orientation In 1964 Edward Albee and his producers Richard Barr and Clinton Wilder produced *Funnyhouse of a Negro* by Adrienne Kennedy and *Dutchman* by Amiri Baraka then Leroi Jones and by 1968 had produced the seminal gay drama *The Boys in the Band* by Mart Crowley No other major American playwright of this period including Thornton Wilder Arthur Miller Tennessee Williams or William Inge produced the plays of their junior colleagues with a specific focus on difference and diversity For most scholars these productions and Albee's involvement in them are a somewhat obscure footnote in theatre history But they remain important for their early support of diverse voices Even as Albee's career was skyrocketing he and his producers had begun a producing project that sowed the seeds of diversity equity and inclusion in a decidedly anti racist decolonizing and progressive move that still resonates powerfully today While this book is not a hagiography and does not intend to paint Albee as without his own critical failings in terms of diversity in his own work and that of others this volume of theatre history dramatic literature and performance essays takes a detailed critical approach to Albee's engagement with other initiating plays productions producers theatre companies theatre artists and performances in the United States that pushed the dial toward difference and diversity in the late 1950s through the late 1970s beginning the formations of new theatres of identity across the United States This volume will be of great interest to students and scholars in theatre and performance studies *Edward Albee as Theatrical and Dramatic Innovator*, 2019-05-07 Edward Albee as Theatrical and Dramatic Innovator offers eight essays and a major interview by important scholars in the field that explore this three time Pulitzer prize winning playwright's innovations as a dramatist and theatrical artist They consider not only Albee's award winning plays and his contributions to the evolution of modern American drama but also his important influence to the American theatre as a whole his connections to art and music and his international influence in Spanish and Russian theatre Contributors Jackson R Bryer Milbre Burch David A Crespy Ramon Espejo Romero Nathan Hedman Lincoln Konkle Julia Listengarten David Marcia Ashley Raven Parisa Shams Valentine Vasak Edward Albee Barbara L. Dunne, 2017-10-09. The author of *The Dramatic Writer's Companion* offers forty-two new exercises to help playwrights and screenwriters explore, develop and strengthen their work. Will Dunne first captured the workshop experience in *The Dramatic Writer's Companion*, offering practical exercises to help playwrights and screenwriters work through the problems that arise in developing their scripts. Now, writers looking to further enhance their storytelling process can turn to *Character, Scene, and Story*. Featuring forty-two new workshop-tested exercises, this volume allows writers to dig deeper into their scripts by fleshing out images, exploring characters from an emotional perspective, tapping the power of color and sense memory to trigger ideas, and trying other visceral techniques. The guide also includes a troubleshooting section to help tackle problem scenes, as well as hundreds of examples, many of which have been developed as both plays and films. *Character, Scene, and Story* is fully aligned with the new edition of *The Dramatic Writer's Companion*, with cross-references between related exercises so that writers have the option to explore a given topic in more depth. While both guides can stand alone together, they give writers more than one hundred tools to develop more vivid characters and craft stronger scripts.

Dreamwork for Dramatic Writing. David A. Crespy, 2024-02-06. *Dreamwork for Dramatic Writing: Dreamwriting for Stage and Screen* teaches you how to use your dreams, content, form and structure to write surprisingly unique new drama for film and stage. It is an exciting departure from traditional linear dramatic technique and addresses both playwriting and screenwriting as the profession is increasingly populated by writers who work in both stage and screen. Developed through 25 years of teaching award-winning playwrights in the University of Missouri's Writing for Performance Program and based upon the phenomenological research of renowned performance theorist Bert O. States, this book offers a foundational, step-by-step organic guide to non-traditional, non-linear technique that will help writers beat clichéd, tired dramatic writing and provides stimulating new exercises to transform their work.

This collection of essays on Albee, which includes contributions from the leading commentators on Albee's work, brings fresh critical insights to bear by exploring the full scope of the playwright's career from his 1959 breakthrough with *The Zoo Story* to his recent Broadway success *The Goat or Who is Sylvia* (2002). The

contributors include scholars of both theatre and English literature and the essays thus consider the plays both as literary texts and as performed drama The collection considers a number of Albee s lesser known and neglected works provides a comprehensive introduction and overview and includes an exclusive original interview with Mr Albee on topics spanning his whole career
