Gods Second Letter Thessalonians Library:

The Rhetorical Approach to 1 Thessalonians Ezra JaeKyung Cho, 2020-10-12 This book is the rhetorical approach to 1 Thessalonians particularly on funeral orations Though many scholars have interpreted 1 Thessalonians in light of a thematic perspective mirror reading and epistolary approach the author asserts that Paul employs elements of epideictic funerary oratory to persuade his audience Encountering the growing persecution sufferings and even death of members the believers of Thessalonica needed encouragement As a rhetorical strategist Paul needed effective methods to answer these problems which he did so with Greco Roman funeral orations Moreover this book delves into the funerary language with the paradoxical concepts Paul uses to illustrate topoi and the purpose of funeral oration in 1 Thessalonians Consequently this book proves these ideas by showing how funeral orations shed light on the whole of 1 Thessalonians in the exordium 1 Thess 1 2 3 the narratio 1 4 3 10 the consolation and exhortation 4 1 5 15 and peroratio with prayer 5 16 28 Exalting Jesus in 1 & 2 Thessalonians Mark Howell, 2015-02-01 Led by series editors David Platt Daniel L Akin and Tony Merida this series affirms that the Bible is a Christ centered book containing a unified story of redemptive history of which Jesus is the hero It is presented as sermons divided into chapters that conclude with a Reflect Discuss section making this series ideal for small group study personal devotion and even sermon preparation **Bulletin of Additions to the Libraries, Classified, Annotated and Indexed...** Glasgow (Scotland). Public Libraries, 1925 **Called into the Mission of God** Roji T. George, 2020-11-03 In *Called into the Mission of God* Roji George argues that Paul's primary interest was neither doctrinal teaching nor the articulation of an anti imperial discourse Instead he contends that amidst the many problems that faced the local Thessalonian community problems arising out of eschatological fears ethical difficulties in the community and persecution from outside groups Paul brought primarily a missional concern to impart ethical exhortation and eschatological teaching in a political language The book will be helpful to those theologians scholars teachers and students grappling with the message of Paul in his own time and in ours *Called into the Mission of God* represents an increasing commitment on the part of Fortress Press to support the wide dissemination of the best theological and biblical writing by the best scholars from the Global South Grasping God's Word J. Forensic Language and the Day of the Lord Motif in Second Thessalonians 1 and the Effects on the Meaning of the Text Matthew D. Aernie,2011-09-16 In this book Matthew Aernie argues that Paul intentionally used forensic language allusions and idioms throughout 2 Thessalonians 1 in order to encourage the persecuted church to remain steadfast as they waited for their vindication at the final assize To support this thesis Aernie suggests that such judicial language and allusions are intertextual parallels originating primarily from the Day of the Lord motif found throughout the Old Testament and maintains that the Day of the Lord concept was understood by the author of the Thessalonian correspondence as a reference to the day when the Lord would render righteous verdicts upon those who had both obeyed and disobeyed him Furthermore Aernie argues that the author of 2 Thessalonians likely understood the Day of the Lord to be consummated at the Parousia of Christ when the final court would convene Therefore borrowing from the judicial concept apparent in the Day of the Lord motif Aernie concludes that the author utilized forensic language throughout 2 Thessalonians 1 to exhort the church to remain faithful amidst great opposition as they awaited their ultimate justification at God s eschatological tribunal

The Early Reception of Paul the Second Temple Jew Isaac W. Oliver,Gabriele Boccaccini,2018-10-04 Paul s relationship to Christianity as a Pharisaic Jew whose moment of revelation on the road to Damascus has made him the most famous early Christian is still a topic of great interest to scholars of early Christianity and Judaism This collection of essays from world renowned scholars examines how Christians of the first two centuries perceived Paul s Jewishness and how they seized upon Paul s views on Judaism in order to advance their own

claims about Christianity The contributors offer a comprehensive examination of various early Christian views on Paul in texts contained both in and outside of the New Testament demonstrating how the reception of Paul's thought affected the formation of Judaism and Christianity into separate entities Divided into five sections the arguments focus upon Paul's reception in Ephesians the other Deutero Pauline Epistles the Acts of the Apostles Marcion of Synope and the reaction of Paul's opponents Featuring essays from scholars including Judith Lieu James H Charlesworth and Harry O Meier this volume forms a perfect resource for scholars to reassess Paul's Jewishness and relationship with Judaism

Biblical Eschatology, Second Edition Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible's overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader's further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible

God's Saved Israel Philip La G. Du Toit, 2019-05-14 God's Saved Israel examines identity in the Pauline corpus in terms of how Paul expresses the new identity in Christ in relation to the identity of ancient Israel In this study the way in which Paul uses the terms Israel Israelite and Judean is approached on the basis of the way in which these terms were used in the second temple period by both insiders and outsiders rather than presupposing that Paul used it in a different way By thoroughly engaging with the New Perspective on Paul and the Radical New Perspective on Paul Paul's conception of identity is pursued mainly along theological exegetical lines especially in terms of the contrast between flesh and Spirit While Rom 11:26 which points to all Israel that will be saved and Gal 6:16 which points to the Israel of God who are blessed are often utilized in a paradigmatic way to interpret the rest of Paul the approach in this book is the other way around These two texts are approached by first assessing Paul's conception of identity in the whole of the Pauline corpus and then by interpreting Rom 11:26 and Gal 6:16 with a larger understanding of identity in Paul at hand

Scripture Alone or the Word of God Alone? Perfect Mugwagwa, 2018-05-18 This work treats the question of Scripture by analysing the properties or the natures of Scriptures Tradition and the Church to prove that all of them are infallible authorities for believers The author also goes at length re-analysing the bible verses which protestants use to defend their position on Sola Scriptura they are presented in

their proper context thereby refuting the protestant position in an unrefutable manner The book also exposes the double standards on positions used by Protestants in rejecting Tradition but availed with the same position on scriptures they still accept them

1 & 2 Thessalonians MacArthur New Testament Commentary John MacArthur,2002-10-01 The Thessalonian epistles are probably best known for what they reveal about the last days But there is much more to these letters than just end times prophecy At their core they underscore the marks of a healthy church addressing such practical matters as moral purity disciplined living church relationships prayer and church discipline Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical

Subversive Meals Streett R Alan,2016-11-24 In Subversive Meals Alan Streett follows on from James C Scott s idea of a hidden transcript to argue that the Lord s Supper was a subversive non violent act against the Roman Empire Primarily through exegesis of the writings of Luke and Paul Streett examines the political nature of the meal in the context of first century Roman domination In his widely researched argument Streett illuminates for the reader why understanding the Lord s Supper as a purely symbolic act overlooks the political significance it would have had in the first century CE Subversive Meals analyses how the structure of the Lord s Supper followed that of a Roman banquet by having a deipnon and a symposium the latter being the time when anti resistance discussions would take place Streett examines several aspects of the history context and theological significance of the Lord s Supper He discusses such topics as the identification of Passover as an anti imperial meal against the Pharaoh s rule the Roman domination system the meal practices of Jesus the eschatological meaning of the Last Supper the practice of this anti imperial work ethic in the early church and the gift of prophecy as a symposium activity By seeing the Lord s Supper as a political act readers will be able to study Scriptural passages more closely and precisely

Political Realism in Apocalyptic Times Alison McQueen,2018 From climate change to nuclear war to the rise of demagogic populists our world is shaped by doomsday expectations In this path breaking book Alison McQueen shows why three of history s greatest political realists feared apocalyptic politics Niccol Machiavelli in the midst of Italy s vicious power struggles Thomas Hobbes during England s bloody civil war and Hans Morgenthau at the dawn of the thermonuclear age all saw the temptation to prophesy the end of days Each engaged in subtle and surprising strategies to oppose apocalypticism from using its own rhetoric to neutralize its worst effects to insisting on a clear eyed tragic acceptance of the human condition Scholarly yet accessible this book is at once an ambitious contribution to the history of political thought and a work that speaks to our times

The Jesus You Really Didn't Know Andy Angel,2019-09-09 The problem with too much Christianity today is that we replace the person of Jesus with a doctrine of grace Living in denial of Jesus teaching on judgment and holiness too many Christians take refuge from the sayings of Jesus in doctrines of forgiveness that they hope will bolster up their sense of self worth before God Andy Angel tackles this dysfunctional spirituality head on opening up the

journey of learning and love into which the living Lord Jesus invites us all Unpacking the Gospel of Matthew he encourages us to rediscover the teaching ministry of Jesus in our own lives and in doing so to recover the riches and freshness of the gospel message and to rediscover the depths of love Jesus has for each one of us

Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology *The Fathers on the Future* includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions *The Fathers on the Future* begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective

Reforming the Household of God Gray, Allison L., 2022 If the household of God that is the living Church is to flourish as a space where all can belong we need to meet the major challenges we face as Christians with a commitment to compassionate listening a willingness to engage in difficult or even painful conversations and a genuine dedication to taking action that serves our siblings in the human family For crucial conversations about lay leadership institutional reform and community belonging to take place the faithful must first feel empowered to see and articulate connections between their lived experiences and the foundational texts that are part of the authoritative canon of Scripture We have to grapple with those New Testament letters that talk about what it means to belong from the introduction In our age of polarity could there be a more timely book than Allison Gray s *Reforming the Household of God* Paul s Model of Belonging In this informed and readable book Gray contextualizes how Paul the Apostle engaged metaphors to bridge the

divide of differences in his communities offering insight into how Christians might do the same today Laurie Brink OP
professor of New Testament studies Catholic Theological Union This incredible body of work expresses the genius of Allison
