Language Contact Yaron Matras, 2009-09-10 An introduction to language contact which occurs when speakers of different languages interact and their languages influence each other **Language Contact** Yaron Matras, 2020-09-10

Revised edition of a seminal introduction to language contact providing an overview of the field and its most recent developments **Dynamics of Language Contact** Michael G. Clyne, 2003-03-20 The past decade has seen an

unprecedented growth in the study of language contact associated partly with the linguistic effects of globalization and increased migration all over the world Written by a leading expert in the field this much needed account brings together disparate findings to examine the dynamics of contact between languages in an immigrant context Using data from a wide range of languages including German Dutch Hungarian Italian Spanish Croatian and Vietnamese Michael Clyne discusses the dynamics of their contact with English Clyne analyzes how and why these languages change in an immigration country like Australia and asks why some languages survive longer than others The book contains useful comparisons between immigrant vintages generations and between bilinguals and trilinguals An outstanding contribution to the study of language contact this book will be welcomed by students and researchers in linguistics bilingualism the sociology of language and education

Language Contact, Colonial Administration, and the Construction of Identity in Ancient Israel Samuel L. Boyd, 2021-02-15 In *Language Contact Colonial Administration and the Construction of Identity in Ancient Israel* Boyd addresses a long standing critical issue in biblical scholarship how does the production of the Bible relate to its larger historical linguistic and cultural settings in the ancient Near East Using theoretical advances in the study of language contact he examines in detail the sociolinguistic landscape during the Assyrian Babylonian and Achaemenid periods Boyd then places the language and literature of Ezekiel and Isaiah in this sociolinguistic landscape *Language Contact Colonial Administration and the Construction of Identity in Ancient Israel* offers the first book length incorporation of language contact theory with data from the Bible As a result it allows for a reexamination of the nature of contact between biblical authors and a series of Mesopotamian empires beginning with Assyria The Harvard Semitic Monographs series publishes volumes from the Harvard Museum of the Ancient Near East Other series offered by Brill that publish volumes from the Museum include Harvard Semitic Studies and Studies in the Archaeology and History of the Levant <https://hmane.harvard.edu/publications> The

^A*Oxford Handbook of Language Contact* Anthony P. Grant, 2020-01-10 The *Oxford Handbook of Language Contact* examines the ways in which speakers of one language can exert influence on another language and the ways in which we can assess this influence It draws on data from dozens of languages from across the globe and examines the contact histories of twenty such situations including American Sign Language in detail It is the most up to date book on this topic in the science of language Language Contact and Grammatical Change Bernd Heine, Tania Kuteva, 2005-01-27 The phenomenon of language contact and how it affects the structure of languages has been of great interest to linguists in recent years This

pioneering new study looks at how grammatical forms and structures evolve when speakers of two languages come into contact and offers insight into the mechanism that induces people to transfer grammatical structures from one language to another The book will be of great interest to all working in grammaticalization language contact and language change

Language Contacts at the Crossroads of Disciplines Lea Meriläinen, Heli Paulasto, Helka Riionheimo, 2015-01-12 This volume offers a cross disciplinary insight into language contact research bringing together fresh empirical and theoretical studies from various fields concerning different dimensions of language contact and variation second language acquisition and translation In the present day world of globalization population mobility and information technology the themes of multilingualism and contact induced language change are as topical as ever and research on language contacts and cross linguistic influence has expanded rapidly during the last few decades Along with the increasing specialization of related disciplines their research perspectives methods and terminology have become dispersed although language contact phenomena themselves can rarely be confined within the scope of a single discipline This collection of articles creates dialogue between researchers from different scientific backgrounds thus viewing language contact phenomena from a broader perspective When language contact is re defined to include the mental or cognitive level of contact between different languages and varieties in the minds of language learners or translators salient links are created between the different disciplines dealing with this subject matter

The Routledge Handbook of Language Contact Evangelia Adamou, Yaron Matras, 2020-07-26 The Routledge Handbook of Language Contact provides an overview of the state of the art of current research in contact linguistics Presenting contact linguistics as an established field of investigation in its own right and featuring 26 chapters this handbook brings together a broad range of approaches to contact linguistics including experimental and observational approaches and formal theories a focus on social and cognitive factors that impact the outcome of language contact situations and bilingual language processing the emergence of new languages and speech varieties in contact situations and contact linguistic phenomena in urban speech and linguistic landscapes With contributions from an international range of leading and emerging scholars in their fields the four sections of this text deal with methodological and theoretical approaches the factors that condition and shape language contact the impact of language contact on individuals and language change repertoires and formation This handbook is an essential reference for anyone with an interest in language contact in particular regions of the world including Anatolia Eastern Polynesia the Balkans Asia Melanesia North America and West Africa

Convergence i e the increase of inter systemic similarities is usually considered the default development in language contact situations This volume focuses on the other logical possibilities of diachronic development namely stability and divergence two well attested but under researched phenomena The contributions investigate the sociolinguistic and structural factors and mechanisms that lead to or at least reinforce both types of non convergence despite of language contact The contributions cover a wide range of language contact situations including standard and non standard varieties

The Cambridge Handbook of Language Contact Salikoko Mufwene, Anna Maria Escobar, 2025-03-27 Language contact the linguistic and social outcomes of two or more languages coming into contact with each other starts with the emergence of multilingual populations Multilingualism involving plurilingualism can have various consequences beyond borrowing interference and code mixing and switching including the emergence of lingua francas and new language varieties as well as language endangerment and loss Bringing together contributions from an international team of scholars this Handbook the second in a two volume set engages the reader with the manifold aspects of multilingualism and provides state of the art research on the impact of population structure on language contact It begins with an introduction that presents the history of the scholarship on the subject matter The chapters then cover various processes and theoretical issues associated with

multilingualism embedded in specific population structures worldwide as well as their outcomes It is essential reading for anybody interested in how people behave linguistically in multilingual or multilectal settings *Endangered Languages* Sarah G. Thomason, 2015-04-23 An introduction to language endangerment What is it How and why does it happen Why should we care **Language Contact in Times of Globalization** , 2011-01-01 Language contact phenomena have been researched throughout the history of the discipline but the intensity of the research has undoubtedly risen during the last decades due to growing globalization This peer reviewed volume presents twelve papers from the Second Conference on Language Contact in Times of Globalization University of Groningen June 2009 which deal with a wide range of topics languages and contact situations Five of them involve a Finno Ugric language Saami Komi Russian Finnic Baltic Mordvin Turkic Estonian German Saami general two a Slavic language Slavic Romance Slavic general two Germanic Romance contact and three situations outside Europe The Arabic World Central Asia South America Methods range from field research and corpus analysis to historical linguistics and both synchronic and diachronic approaches are used The authors are Rogier Blokland and Michael Rie ller Martine Bruil Louise Am lie Cougnon Anissa Daoudi Santeri Junntila Janneke Kalsbeek Folke M ller and Susan Schlotthauer Johanna Nichols Pekka Sammallahti Peter Schrijver Remco van Pareren and Willem Vermeer Keywords target groups General linguistics Contact linguistics Finno Ugric linguistics Slavic linguistics *On reconstructing Proto-Bantu grammar* Koen Bostoen, Gilles-Maurice de Schryver, Rozenn Guérois, Sara Pacchiarotti, 2023-03-15 This book is about reconstructing the grammar of Proto Bantu the ancestral language at the origin of current day Bantu languages While Bantu is a low level branch of Niger Congo the world s biggest phylum it is still Africa s biggest language family This edited volume attempts to retrieve the phonology morphology and syntax used by the earliest Bantu speakers to communicate with each other discusses methods to do so and looks at issues raised by these academic endeavours It is a collective effort involving a fine mix of junior and senior scholars representing several generations of expert historical comparative Bantu research It is the first systematic approach to Proto Bantu grammar since Meeussen s Bantu Grammatical Reconstructions 1967 Based on new bodies of evidence from the last five decades most notably from northwestern Bantu languages this book considerably transforms our understanding of Proto Bantu grammar and offers new methodological approaches to Bantu grammatical reconstruction *Prose and Poetry through Time* Stephen Huebscher, 2024-10-02 This is the first major study of the Biblical Hebrew verbal system of a prophetic book It is also the first book length study in over 60 years to focus on how genre affects the Hebrew verbal system It advances a data driven argument that Biblical Hebrew verb forms do not function one way in prose and another way in poetry Lastly the author addresses the diachronic development of Hebrew between the destruction of the First Temple and the writing of the Dead Sea Scrolls *Celtic from the West 3* John T. Koch, Barry Cunliffe, 2016-09-01 The Celtic languages and groups called Keltoi i e Celts emerge into our written records at the pre Roman Iron Age The impetus for this book is to explore from the perspectives of three disciplines archaeology

genetics and linguistics the background in later European prehistory to these developments There is a traditional scenario according to which Celtic speech and the associated group identity came in to being during the Early Iron Age in the north Alpine zone and then rapidly spread across central and western Europe This idea of Celtogenesis remains deeply entrenched in scholarly and popular thought But it has become increasingly difficult to reconcile with recent discoveries pointing towards origins in the deeper past It should no longer be taken for granted that Atlantic Europe during the 2nd and 3rd millennia BC were pre Celtic or even pre Indo European The explorations in Celtic from the West 3 are drawn together in this spirit continuing two earlier volumes in the influential series **The Cambridge Handbook of Language Contact 2**

Volume Hardback Set Salikoko Mufwene, Anna Maria Escobar, 2022 This handbook brings together state of the art research on language contact from a team of international scholars **Multidisciplinary Approaches to Code Switching** Ludmila

Isurin, Donald Winford, Kees de Bot, 2009-07-10 The volume presents a selection of contributions by leading scholars in the field of code switching In the past the phenomenon of code switching was studied within different subfields of linguistics and they all took their own perspectives on code switching without taking into account findings from other subdisciplines This book raises a question of a much broader multidisciplinary approach to studying the phenomenon of code switching calls for integration of disciplines and illustrates how frameworks from one subfield can be applied to models in another The volume includes survey chapters empirical studies contributions that use empirical data to test new hypotheses about code switching or suggest new approaches and models for the study of code switching and chapters that discuss principles and constraints of code switching and code switching vs transfer The book is easily accessible to anyone who is interested in the phenomenon of code switching in bilinguals Developing Language and Literacy Ronit Levie, Amalia Bar-On, Orit Ashkenazi, Elitzur

Dattner, Gilad Brandes, 2022-10-07 This volume dedicated to Dorit Ravid offers 29 new chapters on the multiple facets of spoken and written language learning and usage from a group of illustrious scholars and scientists focusing on typologically different languages and anchored in a variety of communicative settings The book encompasses five interrelated yet distinct topics One set of studies is in the field of developmental psycholinguistics covering the acquisition of lexical and grammatical categories from toddlerhood to adolescence A second topic involves a section of studies on the interface of cognition and language with chapters on processing production comprehension teaching and learning language in usage and in historical perspective A third topic involves a theoretical and applied perspectives on the acquisition and development of literacy competence including reading writing spelling and text production A fourth topic brings together an array of studies on social environmental and clinical diversity in language highlighting novel issues in multilingualism immigration language and literacy disorders Finally a section of the volume examines in depth questions in Modern Hebrew linguistics as the home language and launching base of Dorit Ravid s research work
