Language Policy Culture And Identity In Asian Contexts:

Language Policy, Culture, and Identity in Asian Contexts Amy B.M. Tsui, James W. Tollefson, 2017-09-25 Bringing together scholarship on issues relating to language culture and identity with a special focus on Asian countries this volume makes an important contribution in terms of analyzing and demonstrating how language is closely linked with crucial social political and economic forces particularly the tensions between the demands of globalization and local identity A particular feature is the inclusion of countries that have been under represented in the research literature such as Nepal Bangladesh Brunei Darussalam Pakistan Cambodia Vietnam and Korea The book is organized in three sections Globalization and its Impact on Language Policies Culture and Identity Language Policy and the Social Re construction of National Cultural Identity Language Policy and Language Politics The Role of English Unique in its attention to how the domination of English is being addressed in relation to cultural values and identity by non English speaking countries in a range of sociopolitical contexts this volume will help readers to understand the impact of globalization on non English speaking countries particularly developing countries which differ significantly from contexts in the West in their cultural orientations and the way identities are being constructed Language Policy Culture and Identity in Asian Contexts will interest scholars and research students in the areas of language policy education sociolinguistics applied linguistics and critical linguistics It can be adopted in graduate and advanced undergraduate courses on language policy language in society and language education

English-language Pedagogies for a Northeast Asian Context Dimitrios Michael Hadzantonis, 2013 This book investigates from a sociocultural linguistic and pedagogical perspective the conceptual and pragmatic frameworks that characterize secondary language learning in a Northeast Asian context Hadzantonis contextualizes these salient domains through an engagement with social and cultural themes such as the familial political as well as cultural commodities and socioeducational structures In this way the text employs tools such as transnational theory and performativity and develops a model that contributes to the resolution of one of the greatest economic issues of the time that of ineffective secondary language learning

Latest Trends in ELF Research Alasdair Archibald, Alessia Cogo, Jennifer Jenkins, 2011-08-08 English as a Lingua Franca or ELF for short is currently one of the most dynamic topics in the fields of applied and socio linguistics and English Language Teaching It has been a thriving field of research for the last twenty years with a growing number of books and journals dedicated to the subject The field has also seen the foundation of an annual international ELF conference series which started in 2008 and attracts growing numbers year on year This book has developed out of contributions to the Second International ELF conference held in Southampton UK in 2009 The papers in this volume provide new insights into ELF by presenting and exploring the implications of some of the latest findings of empirical research in key ELF research areas including business and academic ELF intercultural communication language attitudes and ideologies code switching and accommodation These papers will have a broad appeal among applied and socio linguists both academics and under post

graduate students as well as ELT practitioners around the world They will also be of interest to language planners because of the potential of the research to inform English language policies and practices

Intercultural Communication Adrian Holliday, Martin Hyde, John Kullman, 2016-11-18 Routledge Applied Linguistics is a series of comprehensive textbooks providing students and researchers with the support they need for advanced study in the core areas of English language and Applied Linguistics Each book in the series guides readers through three main sections enabling them to explore and develop major themes within the discipline Section A Introduction establishes the key terms and concepts and extends readers techniques of analysis through practical application Section B Extension brings together influential articles sets them in context and discusses their contribution to the field Section C Exploration builds on knowledge gained in the first two sections setting thoughtful tasks around further illustrative material This enables readers to engage more actively with the subject matter and encourages them to develop their own research responses Throughout the book topics are revisited extended interwoven and deconstructed with the reader's understanding strengthened by tasks and follow up questions This highly successful text introduces and explores the dynamic area of intercultural communication and the updated third edition features new readings by Prue Holmes Fred Dervin Lei Guo and Summer Harlow Miriam Sobr Denton and Nilaniana Bardham which reflect the most recent developments in the field refreshed and expanded examples and exercises including new material on the world of business radicalisation and cultural fundamentalism extended discussion of topics which include cutting edge material on cosmopolitanism immigrants intercultural communication and cultural travel revised further reading Written by experienced teachers and researchers in the field Intercultural Communication Third edition provides an essential textbook for advanced students studying this topic

Japanese Schooling and Identity Investment Overseas Glenn Toh, 2020-09-30 This book is about education ideology power and identity investment and concerns an influential East Asian expatriate community Specifically it seeks to understand particular ways in which the Japanese white collar elite live as a closed and self referentially defined in group despite the manifestly multicultural ethos of their Singaporean domicile The study attends to issues regarding schooling unity diversity and community based on grounded anthropological observations Specific observations centre around the particularities of Japanese nation state schooling practices set in cosmopolitan Singapore a contrastingly non Japanese setting The insights therein are made possible by way of seeing education as an ideological domain and powerful discursive platform Using this framework cultural and identity related practices are viewed dynamically and appreciated for their fluidic reflection of identity praxes Readers will gain fresh insights into the role of education and ideology in reproducing asymmetry and the value of sociohistorical analyses in surfacing hidden power relations Researchers educators and decision makers will appreciate the transparency of grounded ethnographic observation yielding insights into practices which imbricate inclusion exclusion and privilege marginalization debates within a neoliberal hegemony Students of the social politics of education and the cultural politics of language ideology and identity will find the book a provocative read

Functional Variations in English Ram Ashish Giri, Anamika Sharma, James D'Angelo, 2020-09-14 This volume is a compilation of 21 distinguished chapters an Introduction and an Afterword with a thematic focus on the functional variations of English in non native contexts Highly acclaimed scholars in the field of applied linguistics bringing their expertise from the core areas of general linguistics sociolinguistics psycholinguistics cognitive linguistics educational linguistics and stylistics address the ways in

which English language varies in different contexts The contributions carefully examine the variations the complexities and the concerns arising thereof and explore the resultant pedagogical implications The volume in this respect contributes to an informed process for policy decisions curriculum design material development and most importantly classroom practices based on the ability feasibility and desirability of English for the users as a step towards nurturing globally minded globally competent and globally functioning individuals Taking the deliberations through and beyond Kachru s world Englishes model of three circles this book is an attempt to See what the users of English do or do not do with the language rather than where they come from Create a flexible mindset to enable acceptance and respect for linguistic variations in English usage Promote practical abilities for language and communication management Facilitate informed pedagogical practices based on global realities

International Perspectives on Materials in ELT Sue Garton,Kathleen Graves,2014-05-30 This book brings together different perspectives on ELT materials from a range of international contexts and a variety of educational settings All the chapters are underpinned by sound theoretical principles while addressing practical concerns and debates in materials design and use

Re-positioning Accent Attitude in the Global Englishes Paradigm Fan (Gabriel) Fang,2019-11-26 This book revisits the issue of China English as a developing variety of English and scrutinises students and teachers attitudes towards their own and other English accents from the critical phenomenological perspective of Global Englishes GE in the Chinese context The research contributes to the field of GE by proposing a model of pronunciation teaching called ToPIC Teaching of Pronunciation for Intercultural Communication informed by interculturally responsive language pedagogy Combining theory and empirical data the book presents ground breaking research on accent attitudes in the Chinese context within the GE paradigm and raises issues and concerns regarding teaching English particularly speaking and pronunciation from the GE perspective Unpacking attitudes towards English accents from a critical perspective this book will both show policy makers the need to consider the impacts of GE and help practitioners and language learners re evaluate the goals and needs of English learning The ToPIC approach also has significance for curriculum reform as it readdresses various issues in language policy and practice The ToPIC approach is recommended for those interested in teaching and learning English in the expanding circle context and those seeking to learn more about learning and using English across the world

Acquisition and Variation in World Englishes Mirjam Schmalz,Manuela Vida-Mannl,Sarah Buschfeld,Thorsten Brato,2023-12-04 This book is the first of its kind to provide an integrative look at World Englishes second language acquisition and sociolinguistics in a variety of contexts of English around the globe with a focus on the language of children and adolescents It thus aims to bridge the paradigm gaps that have been identified between these approaches but have rarely been explored in greater detail The range of topics includes the areas of first and second language acquisition sociolinguistic variation and awareness language use and choice family language policies language attitudes and perception modelling children s and adolescents language in World Englishes the role of child language acquisition in processes of

language change as well as methodologies of eliciting speech and writing from children and adolescents The book combines qualitative and quantitative approaches and draws on psycholinguistic corpus linguistic and ethnographic methodologies What unites the contributions to the volume is that they all address the theoretical implications that a joint approach between World Englishes sociolinguistics and language acquisition has i e why it is fruitful and how it can contribute to a deeper understanding of the different research paradigms **Flexible Multilingual Education** Jean-Jacques Weber,2014-05-12 This book examines the benefits of multilingual education that puts children s needs and interests above the individual languages involved It advocates flexible multilingual education which builds upon children s actual home resources and provides access to both the local and global languages that students need for their educational and professional success It argues that as more and more children grow up multilingually in our globalised world there is a need for more nuanced multilingual solutions in language in education policies The case studies reveal that flexible multilingual education rather than mother tongue education is the most promising way of moving towards the elusive goal of educational equity in today s world of globalisation migration and superdiversity Education in Troubled Times Yahia Baiza,2022-08-22 This volume presents a scholarly conversation about education in troubled times across different temporal and spatial contexts The concept of troubled times in this book refers to situations of serious challenges or crises that affect the practice of education at community national and global levels It examines how education operates across a wide range of challenging circumstances from the COVID 19 pandemic political manipulations and the neoliberal economy to conflict and post conflict situations The volume also considers the measures national governments should take to contain and mitigate their effects and how effective these measures are in curbing such challenges By addressing these questions it also suggests ways to overcome the identified challenges and crises in their respective contexts Multilingual Education Yearbook 2019 Indika Liyanage,Tony Walker,2019-04-09 This book offers essential insights into the challenges and complexities surrounding the medium of instruction MOI its impact on all languages and stakeholders in multilingual contexts educational processes developments and outcomes MOI has been a prominent topic in recent debates on the role of languages in education in multilingual contexts partly because prioritizing one language over others as the medium of instruction has a profound impact on all languages and stakeholders in multilingual contexts These include to name but a few language teachers teacher educators students and policymakers as well as industries and enterprises built around the needs and expectations of these stakeholders This book presents high quality empirical research on education in multilingual societies It highlights research findings that in addition to providing descriptions of language learning development and use in language contact and multilingual contexts will help shape future language education policy and practices in multilingual societies Higher Education in Southeast Asia Anthony Welch,2011-03-31 This is the first book to systematically chart and comparatively assess the trend towards private higher education in Southeast Asia It includes a substantial analysis of key policy issues as

well as detailed case studies of Indonesia Malaysia Thailand Philippines and Vietnam *English in Southeast Asia and ASEAN* Azirah Hashim, Gerhard Leitner, 2020-11-16 English in Southeast Asia and ASEAN embeds English in its various regional Southeast Asian and political ASEAN language habitats Addressing the history developmental stages and contacts with other languages it provides in depth information on the region and its political organization In doing so it analyzes the geo political division of the region between former Anglophone and non Anglophone colonies and shows that this distinction has led to considerable differences in the status and texture of English This analysis includes the role and impact of American English in mainland and maritime Southeast Asia to highlight the linguistic properties of English and its linguistic and sociopolitical development English used in specific domains language policies and concludes with the future of English and future challenges This book therefore provides an integrative survey of the various roles of English in ASEAN member states and studies the transformation of entire language habitats including the major national and regional languages that participate in this process It also explains how new societies emerge with their conflicting identities and their aspirations to act regionally or even globally and is a valuable resource for scholars and students in the fields of World Englishes Asian Studies and those interested in language contact policy and planning International TESOL Teachers in a Multi-Englishes Community Phan Le Ha, Othman Z. Barnawi, 2022-06-16 This book embarks on an ever expanding array of language academic mobility neoliberalism and accompanying rich scholarly debates It examines the ways in which international English language teachers in Saudi Arabia s higher education system position themselves negotiate interact adjust make sense of their classroom dynamics and validate their senses of selves and pedagogies in their day to day dis engagement with their institutions and encounters at work Informed by rich empirical data from a multi year multi site project in addition to other qualitative studies the book reveals on the ground complexities involving speaker status language ethnicity nationality race religion sociocultural factors emotion labour work dynamic and professionalism It promotes thinking beyond normative ideologies on marginalisation the native and non native speaker dichotomy linguistic racial religious and ethnic inter relations and translanguaging pedagogies while also offering new material for original theorisation in multi Englishes multilingualism local trusting local and the limits of negotiability **English in Japan in the Era of Globalization** P. Seargeant, 2011-07-19 Leading scholars in the field examine the role played by the English language in contemporary Japanese society Their various chapters cover the nature status and function of English in Japan focusing on the ways in which globalization is influencing language practices in the country **Bloomsbury World Englishes Volume 2: Ideologies** Rani Rubdy, Ruanni Tupas, Mario Saraceni, 2021-05-20 Bloomsbury World Englishes offers a comprehensive and rigorous description of the facts implications and contentious issues regarding the forms and functions of English in the world International experts cover a diverse range of varieties and topics offering a more accurate understanding of English across the globe and the various social contexts in which it plays a significant role With volumes dedicated to research

paradigms language ideologies and pedagogies the collection pushes the boundaries of the field to go beyond traditional descriptive paradigms and contribute to moving research agendas forward Volume 2 Ideologies explores the politics and economics of English and the impact of language on local societies and cultures In doing so chapters discuss how English is often entangled in societal issues such as inequality de colonization racism oppression and liberation **Unequal Englishes** R. Tupas, 2015-05-26 This book proposes examines and unpacks the notion of unequal Englishes as a way to understand English today Unlike many studies on the pluralization of English the volume assumes that inequalities and Englishes are inextricably linked and must be understood and theorized together

Language Policy Culture And Identity In Asian Contexts Introduction

In the digital age, access to information has become easier than ever before. The ability to download Language Policy Culture And Identity In Asian Contexts has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Language Policy Culture And Identity In Asian Contexts has opened up a world of possibilities.

Downloading Language Policy Culture And Identity In Asian Contexts provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Language Policy Culture And Identity In Asian Contexts has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Language Policy Culture And Identity In Asian Contexts. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Language Policy Culture And Identity In Asian Contexts. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Language Policy Culture And Identity In Asian Contexts, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Language Policy Culture And Identity In Asian Contexts has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Language Policy Culture And Identity In Asian Contexts Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
