The Deeper Connections series is unique. Unlike any other Bible study available, this visually stunning DVD series is written and taught by biblical experts: six professors with specialized areas of knowledge. Don't let the word "deeper" scare you. These engaging and accessible studies are for everyone who wants to deepen their understanding of God's Word and apply it more faithfully and effectively. In fact, a full one-third of each study is centered on modern application of Jesus' life and teachings. Hosted by Margaret Feinberg, who introduces each session from Israel and filmed in locations as diverse as the Rocky Mountains, the Arizona desert, downtown Chicago, and Little Rock, Arkansas, each volume consists of six fascinating sessions. Each session is taught by a different teacher and emphasizes three components:

1. Historical and cultural background
2. An engaging close look at the biblical text and its meaning
3. Accurate, encouraging, and challenging applications of the Bible's message to life today

Are you seeking more from your Bible study? With three hours of teaching per DVD by Bible professors who know how to communicate the world of the biblical text to today's world, Deeper Connections will provide the depth for which you have been looking. Through alternating sections of teaching and group discussion or individual reflection, this Bible Study series will allow you to make DEEPER CONNECTIONS with three main areas:

1. Historical Background: Jewish, Old Testament, historical, social, and cultural backgrounds, along with New Testament parallels, will be examined in order to bring out the full and deeper meaning of the biblical text.
2. Biblical Text: Bible professors who teach this subject matter in Bible colleges and seminaries will teach the biblical text. This is not a study filled only with entertaining stories. It gets at the real meaning of the text through stimulating teaching.
3. Real-life Application: Challenging and accurate applications that come directly out of the biblical text will help you to live the truth of the Bible in today's difficult world.

Compassionate Justice Christopher D.

Marshall,2012-08-01 Two parables that have become firmly lodged in popular consciousness and affection are the parable of the Good Samaritan and the parable of the Prodigal Son These simple but subversive tales have had a significant impact historically on shaping the spiritual aesthetic moral and legal traditions of Western civilization and their capacity to inform debate on a wide range of moral and social issues remains as potent today as ever Noting that both stories deal with episodes of serious interpersonal offending and both recount restorative responses on the part of the leading characters Compassionate Justice draws on the insights of restorative justice theory legal philosophy and social psychology to offer a fresh reading of these two great parables It also provides a compelling analysis of how the priorities commended by the parables are pertinent to the criminal justice system today The parables teach that the conscientious cultivation of compassion is essential to achieving true justice Restorative justice strategies this book argues provide a promising and practical means of attaining to this goal of reconciling justice with compassion Knowing God through Journey and Pilgrimage Seung Yeal Lee,2011-04-01 The Hebrew Christian Scriptures include many allusions to pilgrimage customs and practices yet the information is scattered and requires a considerable amount of reconstruction It is posited that the pilgrimage paradigm including the journey motif has influenced the thought patterns of the writers of both the Old and New Testaments To follow Jesus journey to Jerusalem on the three feasts of pilgrimage in Luke Acts and John and their relevance to the way he revealed himself and taught his disciples this work begins with the creation and patriarchal narratives examining how the pilgrimage paradigm relates to discipleship Reviewing the history of the people of God including the Exodus the Exile and restoration this book establishes the significance of pilgrimage as a paradigm for Israel that eventually shapes Judaism Seung Y Lee points us to a neglected fact that the three feasts of pilgrimage have developed their own characters and meanings for the momentous events in the history of Israel and both Luke Acts and John reflect the significance of the pilgrimage paradigm for Jesus self understanding and his teaching Biblical Greek Exegesis George H. Guthrie,J. Scott Duvall,1998 This intermediate advanced text and workbook teaches syntax as well as exegesis by means of a modified inductive approach **Intimate Marriage Leader's Guide** Dan B. participant s guide will help you get the most out of The Prayers of Jesus both in your group and in applying what you learn to your life **And You Shall Be My Witnesses** Robert Kelvin Gee,2022-08-08 Confusion false doctrine and sheer foolishness continue to overwhelm the evangelical church especially in the United States of America and in Europe It is important that Christians and local churches get back to basics which means discovering how to live as followers of Christ and spread the Word Robert Kelvin Gee suggests that the best way to do this is to study how they did church at the very beginning The Acts of the Apostles shows us this so clearly This book will take you verse by verse through the first twelve chapters of Acts using a question and answer format to reveal how the church was born how it grew and how believers can ensure it stays on track Get answers to questions such as Why were the disciples commanded to stay in Jerusalem What is the purpose of the Holy Spirit s baptism Did Jesus ascend from the Mount of Olives or from Bethany And were there angels present or not Learn about the early church ignite your faith and spread the Word with the lessons and insights in this book
