Gobble Gobble Crash A Barnyard Counting Bash:

Gobble Gobble Crash! Julie Stiegemeier, 2008 A flock of clumsy turkeys disrupts a quiet night on the farm but when the farmer threatens them all the barnyard animals help the noisy birds hide *The Read-Aloud Scaffold* Judy Bradbury, 2011-09-16 This compendium of outstanding read aloud choices for grades pre K 3 will enrich and extend content area instruction helping busy teachers to meet curriculum requirements within the confines of their busy schedules It s a familiar and unfortunate story educators everywhere are being asked to do more teaching with less less money less staff and less time One easy way to provide more content area instruction to very young readers is by scaffolding beneficial learning subjects within memorable read aloud activities This augments the instructional curriculum and keeps learning fun without adding to the educator s already full plate Read Aloud Scaffold Best Books to Enhance Content Area Curriculum Grades Pre K 3 offers teachers and librarians over 700 content area connections through carefully selected recently published children s trade books These selections include fiction and non fiction titles that represent outstanding read aloud choices that will augment the instructional curriculum covering subjects ranging from history to holidays to special events and from biographies and memoirs to poetry and character education A Closer Look suggests outstanding read aloud choices related to key units in the curriculum and features discussion points cross curricular activities writing prompts and related online and print materials **Mathematics in the K-8 Classroom and Library** Sueanne McKinney, KaaVonnia Hinton, 2010-05-11 Two experts on education offer a rich and diverse selection of children s literature and teaching strategies for the K 8 mathematics classroom Taking advantage of quality motivating literature during mathematics instruction pays off especially when teachers and media specialists work together to convey crucial mathematical concepts and standards Mathematics in the K 8 Classroom and Library shows you how it s done After an introduction to the National Council of Teachers of Mathematics s NCTM Principles and Process Standards each remaining chapter is devoted to an NCTM content standard The book offers engaging research based strategies and booklists of specific titles that together can be used to increase student achievement The strategies suggested here provide a hands on student centered focus that allows students to make connections with prior learning personal experiences and good books Both the recommended children s books and the activities will appeal even to reluctant readers and students for whom mathematics might be a challenge Each chapter includes an extensive annotated list of texts dozens of hands on activities handouts and writing prompts [A to Zoo](#) Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have relied on this detailed subject guide to children s picture books for all aspects of children s services and this new edition does not disappoint Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras

Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children s picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles

Using Poetry Across the Curriculum Barbara Chatton,2010-01-13 This comprehensive listing and discussion of poetic works supports the standards of all areas of the curriculum helping librarians and teachers working with kindergarten through middle school students This second edition of Using Poetry Across the Curriculum Learning to Love Language offers a comprehensive list of poetry anthologies poetic picture books and poetic prose works in a wide variety of subject areas While it maintains the original edition s focus on ideas and resource lists for integration of poetry into all areas of the curriculum it is thoroughly revised to cover current issues in education and the wealth of new poetry books available The book is organized by subject areas commonly taught in elementary and middle schools and within these by the national standards in each area Numerous examples of poetry and poetic prose that can be used to help students understand and appreciate aspects of the standard are listed A sampling of units that arise from groups of works writing and performance ideas and links across the curriculum is also included While many teaching ideas and topics provide references to the standards they meet this title is unique in starting with those standards and making links across them
