Some swear that's true and frankly I wouldn't be surprised When Martin Luther wanted his to answer the question What does God require of us He could think of no better answer than The Ten Commandments For Luther they proclaimed the inviolable way of God and our total need for God's grace because none of us can obey them perfectly That's a pretty good formula for carrying oneself well isn't it You know the right thing to do you seek to do it and then you humbly seek God's grace for the times you can't do it This type of approach keeps you focused yet humble Of course we all know how RARE that is So I started wondering why that might be even in the church In my pastoral ministry I've found that while many people can remember the Lord's Prayer if only because they learned it when playing football in school no joke and some can remember the Apostle's Creed getting the Ten Commandments right and in order And if you can't REMEMBER THEM you're not going to MEDITATE ON THEM or USE THEM TO GUIDE YOUR PRAYER or USE THEM TO PROMPT CONFESSION let alone consciously LIVE BY THEM The question of course is what can be done about that That's when I decided to try to MAKE MEDITATION ON THE TEN COMMANDMENTS FUN simple little GAMES that help adults or kids jump start their ability to master the Ten Commandments in Luther's Small Catechism I've found that if learning especially for adults isn't FUN it's probably not going to happen unless some merciless task master is standing over people But when that happens they won't come back a second time These games and activities let you engage the ten commandments in a way that that's interesting It's not like a boring classroom It's like an adventure something fun to master Kids and adults need a break from the lecture This kind of break lets them review learn the material from different perspectives and keep immersing themselves in the study of the ten commandments while making it a game Listen our goal is to have students take the ten commandments with them to inspire their prayers to equip them in times of struggle to be the kind of biblical summary that the Holy Spirit uses in their lives to live faithfully in the world around them If we believe the commandments as part of catechism give our students an advantage over people who never learn them we owe it to ourselves and our students to do everything possible to help them make it their own The tool to help you do that is The Ten Commandments from Martin Luther's Small Catechism Word Search Activity Book In it you'll find a series of WORD SEARCHES WORD SCRAMBLES CRYPTOGRAMS DOUBLE PUZZLES MISSING VOWELS You'll get The Ten Commandments according to Lutheran usage The Ten Commandments in multiple game formats so that you can review the commandments in a variety of formats the key to mastery Usable with any English version of Martin Luther's Small Catechism READY TO IMPROVE YOUR mastery of the TEN COMMANDMENTS Let's get started Page after page of tools for mastering the Ten Commandments You'll have hours of fun while profitably internalizing the God's Commands Order now T
