K Taping Birgit Kumbrink, 2011-11-17 Birgit Kumbrink's bestselling guide to K Taping finally available in English. This richly illustrated hands-on guidebook features a highly successful therapeutic approach to treating orthopedic, traumatological and many other conditions. It serves both as a perfect companion to training courses and as a reference book and refresher for health care professionals who have completed their training. A brief introduction to the basic principles of K Taping, the special elastic tapes used and the method's history is followed by 7 chapters highlighting treatment techniques and their application to 50 frequently seen conditions. Each is featured on a double page with up to five color photos, brief instruction, practical information about symptoms, dosage, progress to be expected and tips regarding variations of techniques. As the benefits of K Taping in enhancing the effects of other conservative care and surgical treatments are getting more and more appreciated, Birgit Kumbrink's *K Taping: An Illustrated Guide* developed by Germany-based K Taping Academy has rapidly established itself as the ultimate reference book for therapists and clinicians in an ever-expanding range of medical disciplines.
