Latin American Foreign Policies Between Ideology And Pragmatism:

Latin American Foreign Policies Peter Lambert, 2011-04-25 In recent years several Latin American countries have adopted a more assertive and autonomous stance in their foreign policy. The growing rejection of neo liberalism as an ideological dogma seems to have given space to more pragmatic stances in favour of national interests. Latin American Foreign Policies towards the Middle East Marta Tawil Kuri, 2016-11-23 This volume surveys the interplay between state and non state actors in Latin American foreign policies and attitudes towards the Middle East in the twenty first century. How will domestic instability and international tensions affect the choices and behavior of Latin American countries towards the Arab world? The chapters here offer insight into this and similar questions as well as a comparative value in analyzing countries beyond those specifically discussed. Common topics in policy making are considered namely Israel and Palestine, Iran, the Gulf countries and the Arab Spring as authors from distinct disciplines examine the crucial relation between ends and means on the one hand and foreign policy actions and context on the other.

The Routledge Handbook of Ideology and International Relations Jonathan Leader Maynard, Mark L. Haas, 2022-10-25 The Routledge Handbook of Ideology and International Relations reviews, consolidates and advances the study of ideology in international politics. The volume unifies fragmented scholarship on ideology's impact on international relations into a wide ranging and go to volume. Declarations of the end of ideology have once again been proven premature. Nationalisms of various stripes are thriving. Ideological polarization and conflicts both within and among states are growing. Environmentalist, feminist and anti globalization activists are intensifying their demands on international institutions and states. This timely volume presents ideology as a way of explaining these major developments of world politics, rejecting the simplistic association of ideology with passionate convictions in favor of more complex theories of ideology's influence. The chapters summarize cutting edge knowledge on major topics, suggest key implications for broader theoretical debates and frameworks and point the way forwards to future avenues of inquiry. Contributors adopt puzzle orientated causal constitutive and/or critical approaches with a central focus on the determinants and effects of ideological phenomena and their interaction with other aspects of politics. This handbook is of key interest to students and scholars of ideologies, international relations, foreign policy analysis, political science, political theory and more broadly to sociology, psychology and history. The Routledge Handbook of Ideology and International Relations is part of the mini series Routledge Handbooks on Political Ideologies, Practices and Interpretations edited by Michael Freeden.

Towards Strategic Pragmatism in Foreign Policy Charles Chao Rong Phua, 2021-10-31 What is pragmatism? Is it a means to an end or an end in itself? Is it antithetical to ideology or morality? Arguing that pragmatism is a skill much more than an attribute, Phua examines how viewing it in this way can help achieve better foreign policy outcomes. He examines and contrasts the ways in which the United States, China and Singapore have incorporated pragmatism into their approaches to foreign policy. In doing so he debunks dualistic myths around pragmatism and ideology and promotes the

view of pragmatism as a skill that can be developed An essential primer for students analysts and policymakers with a fresh and practical approach to pragmatism **A Companion to Latin American Cinema** Maria M. Delgado, Stephen M.

Hart, Randal Johnson, 2017-04-24 A Companion to Latin American Cinema offers a wide ranging collection of newly commissioned essays and interviews that explore the ways in which Latin American cinema has established itself on the international film scene in the twenty first century Features contributions from international critics historians and scholars along with interviews with acclaimed Latin American film directors Includes essays on the Latin American film industry as well as the interactions between TV and documentary production with feature film culture Covers several up and coming regions of film activity such as nations in Central America Offers novel insights into Latin American cinema based on new methodologies such as the quantitative approach and essays contributed by practitioners as well as theorists **Argentine**

Foreign Policy during the Military Dictatorship, 1976-1983 Magdalena Lisińska, 2019-01-09 This book examines Argentine foreign policy under the military dictatorship from 1976 1983 also known as the National Reorganization Process It brings together case studies on the most distinctive decisions and key issues in the regime s foreign relations including the international response to human rights violations the dispute with Chile over the Beagle Channel covert operations in Central America the Argentine nuclear program and the Falklands War Lisi ska examines the influence of ideological factors on foreign policy decisions highlighting the relationship between the nationalism shaping the military s policy goals and its pragmatic approach to achieving them **Middle Powers and Regional Influence** Joshua B. Spero, 2018-11-16 In the

growing literature on middle powers this book contributes by expanding case study analysis and extending international relations theory in its application to foreign policy decisions Thus this book builds on prominent middle power literature and aims to advance our theoretical understanding for why crucial foreign policies were made by the pivotal middle powers this book examines Poland South Korea and Bolivia For this book s three case studies and their first term leadership s critical junctures from first term post communist Poland post authoritarian post ruling party South Korea and post colonial Bolivia we have the antecedents for contemporary middle powers essential for realizing the regional evolution for cooperative change with greater powers systemically we may then grasp today why those historical foreign policies albeit not so long ago give us crucial antecedents for adapting and trying yet again to resolve seemingly perennial power dilemmas regionally peacefully Here are why middle power impact matters not only regionally for stronger dominant greater power neighbours but also for transformative middle power leaderships which proved pivotal geopolitically for their region s challenges and changes **The SAGE Handbook of Diplomacy** Costas M. Constantinou, Pauline Kerr, Paul Sharp, 2016-08-12 The SAGE

Handbook of Diplomacy provides a major thematic overview of Diplomacy and its study that is theoretically and historically informed and in sync with the current and future needs of diplomatic practice Original contributions from a brilliant team of global experts are organised into four thematic sections Section One Diplomatic Concepts Theories Section Two Diplomatic

Institutions Section Three Diplomatic Relations Section Four Types of Diplomatic Engagement *Cultural Pragmatism for US-China Relations* Charles Chao Rong Phua, 2022-10-25 The Thucydides trap and a US China face off are not structurally inevitable US China relations are what the US and China make of them Phua focuses on the ability to see US as US and China as China to trigger both countries cultural tendencies towards pragmatism Phua examines China's arduous journey to fit in the Westphalian system the deep cultural misunderstandings by the West of Sunzi's *The Art of War* and attempts to offer an inside out cultural synthesis of classical and modern Chinese thought as a proxy of their operational code beyond the standard clichés about Confucian and Daoist thought He builds on Jervis perception and misperception as well as Alastair Johnston's cultural realism Readers will benefit from a culturally Chinese western educated and politically neutral understanding of China as China An essential primer for academics practitioners and students of international relations diplomacy and Chinese culture *The Political Economy of New Regionalisms in the Pacific Rim* José Briceño-Ruiz, Philippe De Lombaerde, 2019-08-28 Combining an analysis of regionalism from a systemic view with a domestic political economy analysis this book sheds light on the new dynamics and emerging configurations of regionalisms and interregionalisms in the post Trans Pacific Partnership TPP Donald Trump's presidency has transformed trans Pacific economic and political relations contrasting sharply with President Obama's pivot to Asia strategy Unilateralism and bilateralism have returned to the center stage at the cost of regionalism interregionalism and multilateralism Understanding these new dynamics requires closer examination of the underlying domestic political economies Examining ten country case studies of multi actor agency at the national level expert contributors argue that trans Pacific relations should not only be explained in terms of the behavior of the major powers but that medium powers and even small countries can exert influence and occupy strategic nodes and contribute to shaping a new international relations network Their findings will be of interest to scholars of international relations international political economy regionalism and international economics *Post-Hegemonic Regionalism in the Americas* Jose Briceño-Ruiz, Isidro Morales, 2017-01-20 Regionalism in Latin America and the Caribbean has experienced transformations over the last few years After more than a decade of a hegemonic model based solely on free market principles the regional and global transformation that occurred in the first decade of the new millennium modified the way of understanding economic development and the insertion of regional blocs in global affairs Old initiatives have been reconsidered new schemes have emerged and new principles going beyond trade issues have modified the norms and processes of regional economic integration This book reviews these recent transformations to depict and explain the new trends shaping regional blocs and cooperation in the Americas *Foreign Policy Responses to the Rise of Brazil* G. Gardini, M. Tavares de Almeida, 2017-03-22 Brazil has risen Its economic might and international activism are remarkable but the limitations to its capacity and will to turn potential power into concrete international influence are equally significant This book assesses the real impact of the rise of Brazil on other Latin American countries and how these countries have

responded **Global Encyclopedia of Public Administration, Public Policy, and Governance** Ali

Farazmand, 2023-04-05 This global encyclopedic work serves as a comprehensive collection of global scholarship regarding the vast fields of public administration public policy governance and management Written and edited by leading international scholars and practitioners this exhaustive resource covers all areas of the above fields and their numerous subfields of study In keeping with the multidisciplinary spirit of these fields and subfields the entries make use of various theoretical empirical analytical practical and methodological bases of knowledge Expanded and updated the second edition includes over a thousand of new entries representing the most current research in public administration public policy governance nonprofit and nongovernmental organizations and management covering such important sub areas as 1 organization theory behavior change and development 2 administrative theory and practice 3 Bureaucracy 4 public budgeting and financial management 5 public economy and public management 6 public personnel administration and labor management relations 7 crisis and emergency management 8 institutional theory and public administration 9 law and regulations 10 ethics and accountability 11 public governance and private governance 12 Nonprofit management and nongovernmental organizations 13 Social health and environmental policy areas 14 pandemic and crisis management 15 administrative and governance reforms 16 comparative public administration and governance 17 globalization and international issues 18 performance management 19 geographical areas of the world with country focused entries like Japan China Latin America Europe Asia Africa the Middle East Russia and Eastern Europe North America and 20 a lot more Relevant to professionals experts scholars general readers researchers policy makers and manger and students worldwide this work will serve as the most viable global reference source for those looking for an introduction and advance knowledge to the field *The International Politics of the Arab Spring* R. Mason, 2014-12-04 This book explores and analyzes how the Arab Spring has affected the political and economic relationships between the West the BRICs Brazil Russia India China and South Africa and the MENA Middle Eastern and North African states It locates continuity and change in these relations within the broader context of democratization energy security arms relationships and the shift towards a multi polar system Each chapter charts a history of ideological engagement which has generally given way to more pragmatic energy economic and security interests and defines and analyzes the fundamental and emerging factors that shape foreign policy The volume pays special attention to the UN Security Council authorization of all necessary measures against Qaddafi s Libya and the subsequent deadlock in getting China and Russia to pass further Resolutions for intervention in Syria Latin America and the Shifting Sands of Globalization

Sean W. Burges, 2016-01-22 Latin America occupies an increasingly prominent position within the global political economic and cultural consciousness with intra regional governance structures and multilateral processes now a key topic of interest to foreign policy and international business circles It has become abundantly clear that outside of Latin America there is a poor understanding of how the shifting sands of regional power are impacting not only on how regional

countries fit into the global system but also on how intra regional relations are viewed and managed The contributions to this collection investigate these issues examining how changing global power dynamics are in turn impacting on national foreign policies and regional governance structures The book focuses first and foremost on the Latin American view outwards not the US or European view to the south This book was originally published as a special issue of the Journal of Iberian and Latin

American Research **Routledge Handbook of Latin America in the World** Jorge Dominguez, Ana

Covarrubias, 2014-10-17 The Handbook of Latin America in the World explains how the Latin American countries have both reacted and contributed to changing international dynamics over the last 30 years It provides a comprehensive picture of Latin America's global engagement by looking at specific processes and issues that link governments and other actors social and economic within the region and beyond Leading scholars offer an up to date state of the field theoretically and empirically thus avoiding a narrow descriptive approach The Handbook includes a section on theoretical approaches that analyze Latin America's place in the international political and economic system and its foreign policy making Other sections focus on the main countries actors and issues in Latin America's international relations In so doing the book sheds light on the complexity of the international relations of selected countries and on their efforts to act multilaterally The Routledge Handbook of Latin America in the World is a must have reference for academics researchers and students in the fields of Latin American politics international relations and area specialists of all regions of the world **Confrontational and**

Cooperative Regional Orders Ariel Gonzalez Levaggi, 2019-07-23 This book explains cooperative and confrontational regional orders in the post Cold War era Applying a push and pull framework to the evolution of regional orders the book's theoretical section compares regional dynamics and studies the transformation and authority of governing arrangements among key regional actors who manage security and institutional cooperation This presents a novel approach to comparing non Western regional orders and helps forge a better integration between International Relations disciplinary approaches and area studies The empirical section analyzes Central Eurasia and South America within the period 1989-2017 using case studies and interviews with decision makers practitioners and experts The volume demonstrates that soft engagement strategies from extra regional great powers and internationalist domestic coalitions framed in a stable democratic polity are forces for peaceful interaction while hard engagement strategies from great external powers plus nationalist coalitions within democratic backsliding in key regional powers present negative outlooks for regional cooperation This book will be of much interest to students of regional security comparative politics area studies and International Relations **The Challenges**

for Building Regional Integration in the Global South Tullo Vigevani, Haroldo Ramanzini Junior, 2022-05-08 This book analyzes regional integration in South America with a focus on the Mercosur and Brazilian foreign policy from the 1990s It reviews the history of the Mercosur and identifies the results achieved by the bloc as well as the causes of difficulties and the reasons for stalemates over nearly 30 years of its existence The authors identify the complex interrelation between domestic

and foreign factors that have shaped Brazilian foreign policy From 1991 onwards relations between Latin American countries have changed while the Mercosur developed from a free trade area to a customs union While intrabloc trade grew there were huge difficulties in the form of regional institutional affirmation and cooperation This history is of the utmost importance to understanding regionalism and politics in Latin America The book therefore has two interrelated analytical dimensions namely focus on ideas and identity and behavior actions and economic and political interests This very topical book is of interest for researchers and students of Brazilian foreign policy and those of Latin American and or Mercosur countries Particularly readers interested in regionalism will find important theoretical and empirical elements in this book as well as discussions necessary for comprehending the role of big emerging countries and the potential and limits to their international role

The New Politics of Regionalism Ulf Engel, Heidrun Zinecker, Frank Mattheis, Antje Dietze, Thomas Plötze, 2016-10-04 This edited volume approaches regionalism as one potential pattern in a changing global order Since the end of the Cold War different forms of territorialization have emerged and we are confronted with an increasing number and variety of actors that are establishing regional projects This volume offers an innovative contribution to the study of this new complexity by exploring constellations of regional actors spatial scales and imaginations beyond state centred perspectives as well as on multiple often overlapping levels The chapters analyse the emergence trajectories and outcomes of regionalisms from the perspective of the Global South specifically concentrating on regional projects in Latin America and Africa but also in the Asia Pacific They attempt to identify the specific conditions and junctures of different forms of region making in their external global and internal local national dimensions The volume also places special emphasis on interactions spatial entanglements and comparisons between regionalisms in different parts of the world By expanding beyond the perspective of North South transfers this book seeks to better understand the dynamics and diversity of interregional interactions This volume will appeal to scholars of global studies international political economy international relations human geography and development studies as well as area studies specialists who focus on Latin America and Africa

Principled Pragmatism in Mexico's Foreign Policy Rafael Velazquez-Flores, 2022-07-16 This book explores Mexico's foreign policy using the principled pragmatism approach It describes and explains main external actions from the country's independence in the nineteenth century to Andr s Manuel L pez Obrador's administration The principal argument is that Mexico has resorted to principled pragmatism due to geographic historical economic security and political reasons In other words the nation uses this instrument to deal with the United States defend national interests appease domestic groups and promote economic growth The key characteristics of Mexico's principled pragmatism in foreign policy are that the nation projects a double edged diplomacy to cope with external and domestic challenges at the same time This policy is mainly for domestic consumption and it is also linked to the type of actors that are involved in the decision making process and to the kind of topics included in the agenda This principled pragmatism is related to the nature of the intention principism is deliberate and

pragmatism is forced and this policy is used to increase Mexico's international bargaining power
