**Christopher O. Tollefsen**

## **Lying And Christian Ethics New Studies In Christian Ethics:**

**Lying and Christian Ethics** Christopher O. Tollefsen, 2014-04-28 This book defends the controversial absolute view of lying which maintains that an assertion contrary to the speaker's mind is always wrong regardless of the speaker's intentions. Whereas most people believe that a lie told for a good cause such as protecting Jews from discovery by Nazis is morally acceptable, Christopher Tollefsen argues that Christians should support the absolute view. He looks back to the writings of Augustine and Aquinas to illustrate that lying violates the basic human goods of integrity and sociality and severely compromises the values of religion and truth. He critiques the comparatively permissive views espoused by Cassian, Bonhoeffer, and Niebuhr and argues that lies often jeopardize the good causes for which they are told. Beyond framing a moral absolute against lying, this book explores the questions of to whom we owe the truth and when and what steps we may take when we should not give it.

**Lying and Christian Ethics** Christopher Tollefsen, 2014-05-10 Defends Augustine and Aquinas's controversial absolute view of lying: it is always wrong even when for a good cause.

**Christian Ethics (Revised Edition)** Wayne Grudem, 2024-09-18 What Does the Bible Teach about How to Live in Today's World? How should Christians live when the surrounding culture is increasingly hostile to Christian moral values? Granted the Bible is our guide, but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, ethical business practices, environmental stewardship, and dozens of other issues? And on a very practical level, how can we know God's will in the ordinary decisions of life? To address questions like these, Wayne Grudem, author of the bestselling book *Systematic Theology*, draws on 40 years of teaching classes in ethics to write this wide-ranging introduction to biblical moral reasoning, organized according to the structure of the Ten Commandments. He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God. Written by Wayne Grudem, bestselling author of *Systematic Theology* and the *What the Bible Says About* series, *Biblical and Applicable Teaches* readers how to protect 7 central tenets of God's law: God's honor, human authority, life, marriage, property, truth, and purity of heart. Accessible. An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter. Replaces ISBN 978 1 4335 4965 6.

**Lying and Christian Ethics** Christopher Tollefsen, 2014-04-28 Defends Augustine and Aquinas' controversial absolute view of lying: it is always wrong even when for a good cause.

**Moral Passion and Christian Ethics** Robin Gill, 2017-03-06 In this book, Robin Gill argues that moral passion and rational ethical deliberation are not enemies and that moral passion often lurks behind many apparently rational ethical commitments. He also contends that though moral passion is a key component of truly selfless moral action, without rational ethical deliberation it can also be extremely dangerous. Gill maintains that a reanalysis of moral passion is overdue. He inspects the gap between the purely rational accounts of ethics provided by some moral philosophers.

and the normative positions that they espouse and or the moral actions that they pursue He also contends that Christian ethicists have not been adept at identifying their own implicit moral passion or at explaining why it is that doctrinal positions generate passionately held moral conclusions Using a range of disciplines including cognitive science and moral psychology alongside the more usual disciplines of moral philosophy and religious ethics Gill also makes links with moral passion in other world faith traditions

**Christian Ethics: The Basics** Robin Gill,2020-02-13 Christian Ethics The Basics sets out clearly and critically the different ways that Augustine Aquinas and Luther continue to shape ethics today within and across Christian denominations It assumes no previous knowledge of the subject and can be read by religious believers and non believers alike Readers are introduced to Christian ethics from the ground up before being invited to consider some of the most controversial but important questions facing people across the world today Topics addressed include Social justice War and peace Migration immigration Climate change Euthanasia Same sex marriage Religiously inspired violence Biotechnology Abrahamic ethics Concise readable and authoritative this is the ideal primer for anyone interested in the study of religious ethics and Christianity

*Lying and Truthfulness* Stewart Clem,2023-01-05 Draws on the thought of Thomas Aquinas to provide an innovative approach to the ethics of lying and truthfulness

*Ethical Ambiguity in the Hebrew Bible* Shira Weiss,2018-09-06 In this book Shira Weiss elucidates the moral tradition of the Hebrew Bible by subjecting ethically challenging biblical texts to moral philosophical analysis Examining the most essential questions of Jewish Thought she uses contemporary philosophy to decipher Scriptural ethics as uncovered from a variety of biblical stories Aided by ancient medieval and contemporary resources Weiss presents a comprehensive discussion of enduring ethical questions that arise from biblical narrative and continue to be contested in modern times She shows how such analysis can unsettle assumptions and beliefs as well as foster moral reflection Ethical Ambiguity in the Hebrew Bible will be of interest to scholars and students of ethics philosophy Jewish thought biblical theology and exegesis

**Fundamental Christian Ethics** Daniel Heimbach,2022-11-01 In Fundamental Christian Ethics Daniel Heimbach draws from decades of research and scholarship to introduce the field of Christian ethics in a comprehensive manner while showing how it dialogues with modern day ethical topics and issues

**Contemporary Controversies in Catholic Bioethics** Jason T. Eberl,2017-07-24 This volume comprises various viewpoints representing a Catholic perspective on contemporary practices in medicine and biomedical research The Roman Catholic Church has had a significant impact upon the formulation and application of moral values and principles to a wide range of controversial issues in bioethics Catholic leaders theologians and bioethicists have elucidated and marshaled arguments to support the Church s definitive positions on several bioethical issues such as abortion euthanasia and reproductive cloning Not all bioethical issues however have been definitively addressed by Catholic authorities and some Church teachings allow for differing applications in diverse circumstances Moreover as new biomedical technologies emerge Church authorities rely on experts in science medicine philosophy theology law and other disciplines to

advise them Such experts continue to debate issues related to reproduction genetics end of life care and health care policy This volume will be a valuable resource for scholars in bioethics or Catholic studies who will benefit from the nuanced arguments offered based on the latest research This volume is also instructive for students entering the field to become aware of the founding philosophical and theological principles informing the Catholic bioethical worldview

**Reconciliation** Tobias Faix,Johannes Reimer,G. J. van Wyngaard,2021-01-27 Hardly any other topic is as important for the coexistence of mankind as the question of justice and reconciliation In this volume we want to examine this important question from different interdisciplinary and international perspectives in order to develop an overall understanding that will contribute to reconciliation in various cultural and religious fields of conflict in the world Particular attention will be paid to the theological perspective on reconciliation in which justice and restoration of relationships play a central role **A**

**Culture of Engagement** Cathleen Kaveny,2016-03-01 Religious traditions in the United States are characterized by ongoing tension between assimilation to the broader culture as typified by mainline Protestant churches and defiant rejection of cultural incursions as witnessed by more sectarian movements such as Mormonism and Hassidism However legal theorist and Catholic theologian Cathleen Kaveny contends there is a third possibility a culture of engagement that accommodates and respects tradition It also recognizes the need to interact with culture to remain relevant and to offer critiques of social political legal and economic practices Kaveny suggests that rather than avoid the crisscross of the religious and secular spheres of life we should use this conflict as an opportunity to come together and to encounter challenge contribute to and correct one another Focusing on five broad areas of interest Law as a Teacher Religious Liberty and Its Limits Conversations about Culture Conversations about Belief and Cases and Controversies Kaveny demonstrates how thoughtful and purposeful engagement can contribute to rich constructive and difficult discussions between moral and cultural traditions This provocative collection of Kaveny s articles from Commonweal magazine substantially revised and updated from their initial publication provides astonishing insight into a range of hot button issues like abortion assisted suicide government sponsored torture contraception the Ashley Treatment capital punishment and the role of religious faith in a pluralistic society At turns masterful and inspirational A Culture of Engagement is a welcome reminder of what can be gained when a diversity of experiences and beliefs is brought to bear on American public life **The Oxford Handbook of Lying** Jörg Meibauer,2019

This handbook brings together past and current research on all aspects of lying and deception from the combined perspectives of linguistics philosophy and psychology It will be an essential reference for students and researchers in these fields and will contribute to establishing the vibrant new field of interdisciplinary lying research **Augustine and Modern Law** James Bernard Murphy,2017-07-05 St Augustine and Roman law are the two bridges from Athens and Jerusalem to the world of modern law Augustine s almost eerily modern political realism was based upon his deep appreciation of human evil arising from his insights into the human personality the product of his reflections on his own life and the history of his times

These insights have traveled well through the ages and are mirrored in the pages of Aquinas Luther and Calvin Reinhold Niebuhr and Hannah Arendt The articles in this volume describe the life and world of Augustine and the ways in which he conceived both justice and law They also discuss the little recognized Augustinian contributions to the field of modern hermeneutics the discipline which informs the art of legal interpretation Finally they include Augustine s valuable discussion of church state relations the law of just wars and proper role and limits of coercion and the procreative dimensions of marriage The volume also includes an extremely useful definitive bibliography of Augustine and the law and will leave readers with an increased appreciation of the contributions which Augustine has made to the history of jurisprudence No one can read Augustine and these articles on his view of the law without taking away a new view of the law itself **The Seductiveness of Virtue** John J. Fitzgerald, 2016-12-15 John J Fitzgerald addresses here one of life s enduring questions how to achieve personal fulfillment and more specifically whether we can do so through ethical conduct He focuses on two significant twentieth century theologians Rabbi Abraham Joshua Heschel and Pope John Paul II seeing both as fitting dialogue partners given the former s influence on the Second Vatican Council s deliberations on the Jews and the latter s groundbreaking overtures to the Jews in the wake of his experiences in Poland before and during World War II Fitzgerald demonstrates that Heschel and John Paul II both suggest that doing good generally leads us to growth in various components of personal fulfillment such as happiness meaning in life and freedom from selfish desires There are however some key differences between the two theologians John Paul II emphasizes more strongly the relationship between acting well and attaining eternal life whereas Heschel wrestles more openly with the possibility that religious commitment ultimately involves anxiety and sadness By examining historical and contemporary analyses including the work of the Fourteenth Dalai Lama the philosopher Peter Singer and some present day psychologists Fitzgerald builds a narrative that shows the promise and limits of Heschel s and John Paul II s views The British National Bibliography Arthur James Wells, 1996 The United States Catalog , 1903 *Dietrich Bonhoeffer and a Theology of the Exception* Kevin O Farrell, 2023-11-30 Engaging with the many debates about the meaning and character of Bonhoeffer s late resistance theology and action particularly as it relates to his participation in the attempted coup d tat against Hitler this book attends to Bonhoeffer s understanding of the exception Resisting the common reduction of the exception to a political or ethical concept O Farrell argues that the exception for Bonhoeffer is an extraordinary moment in history that disarms persons impinging on one s understanding of politics and ethics Through a wide engagement with the Bonhoeffer corpus this book claims that this leads to distinctive narrations of key concepts in Bonhoeffer s corpus responsibility the free venture simple obedience and action beyond the law It also offers a different portrait of Bonhoeffer to contemporary narrations The Bonhoeffer that emerges is neither a Niebuhrian realist a pacifist or a religious fanatic but one who is impelled to act apart from the law without this action becoming arbitrary This Bonhoeffer provides a hopeful political witness that seeks a world beyond the conflicts and divisions

of this age      *God of Sense and Traditions of Non-Sense* Sigve K. Tonstad, 2016-01-19 One hundred taxis lined up on Church Street in Oslo on November 26 1942 deployed in order to round up the city's Jews and send them to Auschwitz This reality anchors God of Sense and Traditions of Non Sense it is theology from a Holocaust perspective The brash Elihu excoriating Job for his insistence that he is owed an explanation for the calamities that have befallen him This is the book's opening salvo Job speaking of a God of sense Elihu and Job's three friends inaugurating a tradition of non sense this is the existential and theological predicament The problem of finite suffering in this life addressed in the theological tradition with the prospect of infinite endless suffering in this book described as a key element in Traditions of Non Sense Back to the millions of Jews among them 188 women and 42 children from Oslo deported gassed and cremated in God of Sense this is not seen as a problem that defeats belief but as the reality that demands a religious and theological account of human existence

**Ethical Dilemmas in Church Leadership** Michael R. Milco, Shares case studies on some of the most sensitive issues pastors and church leaders may have to deal with in their churches child abuse AIDS infidelity homosexuality and unexpected pregnancies

## **Lying And Christian Ethics New Studies In Christian Ethics Introduction**

In today's digital age, the availability of Lying And Christian Ethics New Studies In Christian Ethics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lying And Christian Ethics New Studies In Christian Ethics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lying And Christian Ethics New Studies In Christian Ethics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lying And Christian Ethics New Studies In Christian Ethics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lying And Christian Ethics New Studies In Christian Ethics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lying And Christian Ethics New Studies In Christian Ethics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lying And Christian Ethics New Studies In Christian Ethics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lying And Christian Ethics New Studies In Christian Ethics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lying And Christian Ethics New Studies In Christian Ethics books and manuals for download and embark on your journey of knowledge?

### **FAQs About Lying And Christian Ethics New Studies In Christian Ethics Books**

1. Where can I buy Lying And Christian Ethics New Studies In Christian Ethics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
