Communication Training is a powerful template and first of its kind for communication practitioners and academicians who wish to strengthen their professional capabilities. It also acts as a guide and standard for consumers and clients of these services. The chapters within are an outgrowth of the National Communication Association's Training Development Division's desire to provide guidance, structure, and support for members and non-members alike. It is specifically targeted at those pursuing best practices regarding communication consulting, coaching, teaching, and training. The 7 Best Practices presented in this book represent capabilities that are foundational to the effective transfer of communication, promotion, and skill enhancement. As such, these practices and supporting chapters should appeal to novice and experts alike.
