

Lobby Hero — Kenneth Lonergan

DAWN: They think I'm nuts. Well not exactly, my mother thinks I'm nuts, but I happen to think she's nuts too so there's no harm done there, right? But I guess generally my parents are proud. I was near the top of my class at the academy. I just uhm- I just fucked up with this prick that's all. And now I'm screwed because I obviously I really misjudged him, ya know? For all I know he's been shooting off his mouth all over the department. And it wouldn't have been so hard to avoid the whole thing in the first place. But these guys — I mean they've seen so much horrible shit it's like they don't give a damn about anything — so you gotta walk around like you don't give a damn about anything either, but they know you still do. And they wanna like stamp it out of you or something and like test you all the time and it's always like, "Hey, you're not men. You're not women. You're cops. Act like cops and you'll be treated like cops." Only then it turns out they've got a pool going as to who's gonna fuck you first. Ok, and that's fine I can handle it. You make them respect you. But then somebody decent comes along and goes out of his way to make life easier for you — and I didn't even ask him to, because I didn't expect anything different. I didn't want anything different. But then oh my god it's true love. Except when he comes down in that elevator just watch because I'm gonna be the one who's expected to act like I'm a cop. I mean — and then I've got you. Yeah. God damnnit!

World's Worst Westerns Plus Some of the Best Your Guide to the Best of the Worst John Howard Reid,2015-09-11 Once by far Hollywood s largest category of popular movies Westerns are now out of fashion with the movie going public but they still hold a commanding presence on DVD Until recently Westerns were one of the most popular DVD categories third only to action and science fiction Many many titles from the 1930s and 1940s were made by small independent companies that no longer exist A huge number of westerns are therefore in the public domain and are now available on DVD from outlets like Alpha and Grapevine In fact there are currently so many titles on DVD that guides like World s Worst Westerns are not a luxury or an addenda but an absolute necessity for collectors who wish to spend their money wisely by buying titles they will enjoy In fact for western fans like myself a book like World s Worst Westerns is not just a novelty but an absolute necessity
