TREKKING GUIDE ERIC EH BUDDHADHARMA, 2015-11-13 People with a determined mind and physical fitness should trek at high altitude sometime in their life Trekking is one grade difficult to walking in the hilly terrains and one grade easier than negotiating the mountain passes Whatever it may be trekking seem to be a simple adventure sport but many a times it turns out to be hazardous and life threatening From the time you finish your breakfast and leave the hamlet to start the trek until the time you return back to the same spot or to any other rest house you are always at a risk of injury threat to your life or at least in a situation of SOS I have trekked at high altitudes in India and Nepal with my children aged 4 1 2 and 8 1 2 year olds They did not take a piggyback to the base camps but trekked at 9000 13000 and 19000 ft altitudes themselves along with us and other trekkers en routes Taking such small children at high altitudes were extremely risky and against the views of most trekkers and even our family elders We do love our children and we are concerned about their safety It is only a good planning and a careful strategy each time you start your trek that keeps you safe and accident free In order to ensure almost 100% safety my wife and I read several books on trekking before starting out on our first trek in the Nepal Himalayas unfortunately many vital information were lacking on safety in all these books Myself being in fitness since childhood decided to jot down points that were necessary for a good and safe trek This was necessary

for us to come back home safe and sound after enjoying over a fortnight of bone breaking arduous journeys in the mountain trails of Indian as well as Nepal Himalayas with a baby and a child both of whom walked steadily keeping pace with adult trekkers in the trail When you leave home until you are back with the experience of trekking you are prone to many hazards in the journey as well as in the trails To ensure that you are safe and well equipped with all the necessities the same way your grandma or your mom would like you to be in you need to read this book and carry it along when you start your journey the next time you plan a trek This small guidebook has endless valuable information which many people and books on trekking unfortunately do not provide you with This is why it is called God s guide to safe trekking meaning the advice and suggestions here are genuine and sincere which only the Almighty God could provide in such instances for your safety The advise in this book is non commercial and non biased not seeking to advertise any specific product or service This little book on safe trekking is handy and your friend in need During your trek you may go through it every evening while you relax in one of those hamlets in the trails tucked in your sleeping bag against the quiet flowing streams and the crackling sound of the candles Have a pleasant and safe trek now and always God bless you **Trekking Nepal** Stephen Bezruchka, M.D., Alonzo Lyons, 2011-06-01 Any Nepal travel guidebook will give you details details details But read Stephen Bezruchka s *Trekking Nepal* the best for background and thorough trekking advice Christian Science Monitor on the 7th edition Co written by veteran Nepal trekkers with more than 60 combined years of experience in the region New 8th edition reflects the most current political information and includes both popular and lesser known trekking destinations After much political unrest tourism to Nepal is again on the rise as a travel destination New features of the 8th edition include Expanded coverage of areas outside of the primary trekking routes as well as of less traveled routes near major trailheads New details on trekking in the Everest Annapurna and Langtang regions New DIY information for independent exploring how to make contact with villagers use local maps find porters and guides understand pricing guidelines and arrange travel necessities such as water purification and meals *Lonely Planet Discover India* Lonely Planet, 2018-04-06 Lonely Planet The world s leading travel guide publisher Lonely Planet s *Discover India* is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Gaze at the iconic Taj Mahal ride a camel through a magical desert scene in Jaisalmer or hit the famous beaches of Goa all with your trusted travel companion Discover the best of India and begin your journey now Inside Lonely Planet s *Discover India* Full colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sight seeing going out shopping hidden gems that most guidebooks miss Cultural insights give you a richer more rewarding travel experience history art architecture politics landscapes wildlife cuisine customs etiquette religion Covers Delhi Agra the Taj Mahal Jaisalmer Jaipur Mumbai Ajanta Ellora
