read till it falls apart Newsweek Now in Save Room for Pie he applies his much praised wit and charm to a rich and fundamental topic food As a lifelong eater Blount always got along easy with food he didn't have to think he just ate But food doesn't exist in a vacuum there's the global climate and the global economy to consider not to mention Blount's chronic sinusitis which constricts his sense of smell and consequently his taste buds So while he's always frowned on eating with an ulterior motive times have changed Save Room for Pie grapples with these and other food related questions in Blount's signature style Here you'll find lively meditations on everything from bacon froth to grapefruit Kobe beef to biscuits You'll also find defenses of gizzards mullet okra cane syrup watermelon and boiled peanuts an imagined dialogue between Adam and Eve in the Garden of Eden input from Louis Armstrong Frederick Douglass and Blaze Starr and of course some shampooed possums and carjacking turkeys In poems and songs limericks and fake or sometimes true news stories Blount talks about food in surprising and innovative ways with all the wit and verve that prompted Garrison Keillor in The Paris Review to say Blount is the best He can be literate uncouth and soulful all in one sentence Alphabet Juice Roy Blount, 2009-09-29 Ali G How many words does you know Noam Chomsky Normally humans by maturity have tens of thousands of them Ali G What is some of em Da Ali G Show Did you know that both mammal and matter derive from baby talk Have you noticed how wince makes you wince Ever wonder why so many h words have to do with breath Roy Blount Jr certainly has and after forty years of making a living using words in every medium print or electronic except greeting cards he still can't get over his ABCs In Alphabet Juice he celebrates the electricity the juju the sonic and kinetic energies of letters and their combinations Blount does not prescribe proper English The franchise he claims is over the counter Three and a half centuries ago Thomas Blount produced Blount's Glossographia the first dictionary to explore derivations of English words This Blount's Glossographia takes that pursuit to other levels from Proto Indo European roots to your epiglottis It rejects the standard linguistic notion that the connection between words and their meanings is arbitrary Even the word arbitrary is shown to be no more arbitrary at its root than go to guy or crackerjack From sources as venerable as the OED in which Blount finds an inconsistency at whisk and as fresh as UrbanDictionary.com to which Blount has contributed the number one definition of alligator arm and especially from the author's own wide ranging experience Alphabet Juice derives an organic take on language that is unlike and more fun than any other *Consuming Identity* Ashli Quesinberry Stokes, Wendy Atkins-Sayre, 2016-11-02 Southerners love to talk food quickly revealing likes and dislikes regional preferences and their own delicious stories Because the topic often crosses lines of race class gender and region food supplies a common fuel to launch discussion Consuming Identity sifts through the self definitions allegiances and bonds made possible and strengthened through the theme of southern foodways The book focuses on the role food plays in building identities accounting for the messages food sends about who we are how we see ourselves and how we see others While many volumes examine southern food this one is the first to focus on food's rhetorical qualities and the effect that it can have on culture The volume examines

southern food stories that speak to the identity of the region explain how food helps to build identities and explore how it enables cultural exchange Food acts rhetorically with what we choose to eat and serve sending distinct messages It also serves a vital identity building function factoring heavily into our memories narratives and understanding of who we are Finally because food and the tales surrounding it are so important to southerners the rhetoric of food offers a significant and meaningful way to open up dialogue in the region By sharing and celebrating both foodways and the food itself southerners are able to revel in shared histories and traditions In this way individuals find a common language despite the divisions of race and class that continue to plague the South The rich subject of southern fare serves up a significant starting point for understanding the powerful rhetorical potential of all food [Tupelo Honey Cafe](#) Elizabeth Sims, Brian Sonoskus, 2011-04-05

The Beatles Are Here! Penelope Rowlands, 2025-04-08 This compulsively readable personal history gathers the recollections of fans writers musicians and artists about the enduring impact of The Beatles Publishers Weekly The arrival of the Beatles in America was an unforgettable cultural touchstone Through the voices of those who witnessed it or were swept up in it indirectly The Beatles Are Here explores the emotional impact some might call it hysteria of the Fab Four s February 1964 dramatic landing on our shores Contributors including Lisa See Gay Talese Ren e Fleming Roy Blount Jr Greil Marcus and many others describe in essays and interviews how they were inspired by the Beatles This intimate and entertaining collection arose from writer Penelope Rowlands s own Beatlemania phase she was one of the screaming girls captured in an iconic photograph that has since been published around the world and is displayed on the

cover of this book The stories of these girls who found each other again almost fifty years later are part of this volume as well The Beatles Are Here gets to the heart of why half a century later the Beatles still matter to us so deeply **Cuba and the Fall** Eduardo González, 2010-08-05 The literature of Cuba argues Eduardo González in this new book takes on quite different features depending on whether one is looking at it from the inside or from the outside a view that in turn is shaped by official political culture and the authors it sanctions or by those authors and artists who exist outside state policies and cultural politics González approaches this issue by way of two twentieth century writers who are central to the canon of gay homoerotic expression and sensibility in Cuban culture José Lezama Lima 1910 1976 and Reinaldo Arenas 1943 1990 Drawing on the plots and characters in their works González develops both a story line and a moral tale revolving around the Christian belief in the fall from grace and the possibility of redemption that bring the writers into a unique and revealing interaction with one another The work of Lezama Lima and Arenas is compared with that of fellow Cuban author Virgilio Piñera 1912 1979 and in a wider context with the non Cuban writers John Milton Nathaniel Hawthorne William Faulkner John Ruskin and James Joyce to show how their themes get replicated in González's selected Cuban fiction Also woven into this interaction are two contemporary films The Devil's Backbone 2004 and Pan's Labyrinth 2007 whose moral and political themes enhance the ethical values and conflicts of the literary texts Referring to this eclectic gathering of texts González charts a cultural course in which Cuba moves beyond the Caribbean and into a latitude uncharted by common words beyond the tyranny of place

Alphabet Juice, or The Joy of Text Roy Blount, 2011-05-10 Fresh squeezed Lexicology with Twists No man of letters savors the ABC's or serves them up like language loving humorist Roy Blount Jr His glossary from adhominy to zizz is hearty full bodied and out to please discriminating palates coarse and fine In 2008 he celebrated the gists tangs and energies of letters and their combinations in Alphabet Juice to wide acclaim Now Alphabet Juice Which is better This book is for anyone novice wordsmith sensuous reader or career grammarian who loves to get physical with words What is the universal sign of disgust ew doing in beautiful and cutie Why is toadless but not frogless in the Oxford English Dictionary How can the U S Supreme Court find relevance in gollywoddles Might there be scientific evidence for the sonicky value of hunch And why would someone not bother to spell correctly the very word he is trying to define on UrbanDictionary.com Digging into how locutions evolve and work or fail Blount draws upon everything from The Tempest to The Wire He takes us to Iceland for salmon watching with a girl gillie and to Georgian England where a distinguished etymologist bites off more of a giantess than he can chew Jimmy Stewart appears in connection with kludge and the bombing of Switzerland Litigation over supercalifragilisticexpialidocious leads to a vintage werewolf movie news of possum tossing to metanarrative As Michael Dirda wrote in The Washington Post Book World The immensely likeable Blount clearly possesses what was called in the Italian Renaissance sprezzatura that rare and enviable ability to do even the most difficult things without breaking a sweat Alphabet Juice is brimming with sprezzatura Have a taste Fire Ants and Other Stories Gerald Duff, 2007-07-01

Publisher's Weekly hailed the wit and subtlety in Gerald Duff's fiction as simply satisfying as a tall cold one on a hot Gulf Coast afternoon and the Arkansas Democrat-Gazette said Gerald Duff's dialogue is among the best being written and his sense of the absurd is Portis-like. This new collection of short stories by the author of *Coasters* (2001) features the Ploughshares Cohen Prize-winning story *Fire Ants*. **Long Time Leaving** Roy Blount, Jr., 2009-01-01 In this acerbic, eminently quotable book, humorist Roy Blount Jr. focuses on his own dueling loyalties across the great American divide. Scholarly, raunchy, biting, and affable, Blount takes on topics ranging from chicken fingers and yellow dog Democrats to Elvis's toes while sharing some experiences of his own: chatting with Ray Charles, meeting an Okefenokee alligator, imagining Faulkner's tennis game, and being swept up sort of in the filming of Nashville. His yarns, analyses, and flights of fancy transcend all standard shades of Red, Blue, and in-between. Blount's sidesplitting, irreverent musings may not end our tacit Civil War, at long last, but they do clarify or aptly complicate divisive delusions on both sides of the long-standing national rift. *Long Time Leaving* is a comic ode to American variety and a droll assault on complacency, both North and South, from one of the most definitive and esteemed humorists of our time. **Vanity Fair**, 2016 **The Atlantic Monthly**, 2007 **The New Yorker** Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 2007 **Public Library Core Collection** John Greenfield, Patrice Bartell, 2008 Wilson's Public Library Core Collection Nonfiction 13th Edition 2008 recommends reference and nonfiction books for the general adult audience.
