Looking At Pictures Revised Edition An Introduction To Art For Young People:

Looking at Pictures Revised Edition Joy Richardson, 2009-10-01 Introduces the key concepts of painting and teaches how to enjoy and interpret art to suit individual tastes *Books Children Love (Revised Edition)* Elizabeth Laraway Wilson, 2002-10-30 A love for reading is one of the most precious gifts that we can give children It nurtures their imagination and creativity lets them explore other worlds and opens their minds to new truths and knowledge in appealing inspiring ways But how can we sort through thousands of children s books to discover the really worthwhile ones Elizabeth Wilson offers us a newly revised comprehensive guide to the very best in children s literature Just as in the original volume she comments on the tone and content of excellently written captivating books in over two dozen subject areas Hundreds of new titles have been added while retaining timeless classics and modern favorites all of which respect traditional values So that no matter what the children s ages are or whether they love fact or fiction you can trust these books to share things that you can believe in and kids will delight in Reader's Guide to Literature in English Mark Hawkins-Dady, 2012-12-06 Reader s Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **Art and Design in Children's Picture Books** Lyn Ellen Lacy, 1986 Anthology of essays criticisms and statements regarding trends in the world of children s books One World in Children's Books Educational Press Association of America. Arts in Childhood Group, 1953 *Looking at Pictures* Joy Richardson, 1997 The history of Western European painting explored through some of the world s most famous pictures Each chapter of this book looks at an important aspect of the study of art including the use of light perspective painting portraits symbols in art materials and techniques The work of artists from Uccello to Picasso is presented chronologically within each chapter giving a mini history of European painting Full page pictures and carefully chosen details are designed to inform young readers as well as to capture the eye and imagination The National Gallery holds one of Britain s most well known collections of European paintings This book makes the collection accessible not just to those who visit the gallery but to all those who visit local galleries study art at school or come across these famous paintings as posters or prints **One World in Children's Books** Arts in Childhood, Eulalie Marna Steinmetz, 1953 **The Child's Creation of a Pictorial World** Claire Golomb, 2004 This book examines the development of drawing and painting from several currently dominant theoretical perspectives and examines empirical data on the art work of children who are ordinary talented emotionally disturbed and atypically developed due to *The Publishers Weekly*, 1886 *The youth's history of the United States* Edward Sylvester Ellis, 1887 **Arts Therapies and the Mental Health of Children and Young People** Uwe Herrmann, Margaret Hills de Zárata, Heather M. Hunter, Salvo Pitruzzella, 2024-01-25 This second volume expands and develops the discussion on arts therapies begun in volume one on the field s relationship with children and

young people's mental health demonstrating further contemporary research within international contexts. The book responds to a resounding call to address children and young people's mental health. It explores a unique mix of diverse arts modalities including art, music, dance, expressive arts and drama, creating opportunities for discourse and discussion of how the different arts therapies cohere and relate to each other. Chapters are truly global in approach, ranging from schools in India to children's hospices in the United Kingdom, refugee transit camps in Greece and residential care programmes for LGBTQ youth in the United States. Discussions from Greece and Taiwan and innovative research from Israel, Norway and Scotland are also featured with reference to diverse social, political and cultural contexts. Ultimately, chapters prioritise the links between research, theory and practice, providing accessible and implication-led dialogue on contemporary issues. This book provides new insights into the expanding field of the arts therapies and will be of great interest to arts therapists as well as academics and students in the fields of arts therapies, social work, psychotherapy, health psychology and education. **Academy, with**
