Henry, 2021-05-07 Roads of Destiny 1909 is a collection of short stories by American writer O Henry Inspired by his experiences as a fugitive and in prison these stories address themes of crime poverty and fate A Retrieved Reformation perhaps the most notable of the collection's twenty two stories is semi autobiographical in that it explores the life of a criminal and fugitive who maintains a moral identity while struggling to adjust to life outside of prison Roads of Destiny is the story of a French poet and shepherd named David Mignot After fighting with his lover Yvonne he decides to leave his home village of Vernoy in search of fame and adventure The dreamlike narrative follows him down three paths one takes him to the home of a wealthy Marquis where he falls in love with his young daughter the next leads him to the halls of the king where he is recruited to act as a body double during a visit to the nearby cathedral the final one finds him turning back toward home where he struggles to balance a life of marriage with his poetic calling In A Retrieved Reformation a safecracker named Jimmy Valentine attempts to lead a quiet life following his release from prison Using an assumed identity he settles in Arkansas where he marries the beautiful daughter of a local banker Despite his best efforts however his criminal past threatens to resurface at every turn Roads of Destiny is a collection of stories exploring themes of fate and identity by an icon of American literature With a beautifully designed cover and professionally typeset manuscript this edition of O Henry's Roads of Destiny is a classic of American literature reimagined for modern readers **Gettysburg** Kent Gramm, 2019-06-17 In Gettysburg The Living and the Dead writer Kent Gramm and photographer Chris Heisey tell the famous battle's story through the eyes of those who lived and died there Unlike histories that simply recount the three furious days in July 1863 this book transports readers onto the

battlefield and into the event's historical echoes making for a delightful immersive experience Creative nonfiction fiction dramatic dialogue and poetry combine with full color photographs to convey the essential reality of the famous battlefield as a place both terrible and beautiful The living and the dead contained here include Confederates and Yankees soldiers and civilians male and female young and old Visitors to the battlefield after 1863 both well known and obscure provide the voices of the living They include a female admiral in the U S Navy and a man from rural Virginia who visits the battlefield as a way of working through the death of his son in Iraq The ghostly voices of the dead include actual participants in the battle like a fiery colonel and a girl in Confederate uniform as well as their representatives such as a grieving widow who has come to seek her husband Utilizing light as a central motif and fourscore and seven voices to evoke how Gettysburg continues to draw visitors and resound throughout history alternately wounding and stitching the lives it touches Gramm's words and Heisey's photographs meld for a historical experience unlike any other Gettysburg The Living and the Dead offers a panoramic view wherein the battle and battlefield of Gettysburg are seen through the eyes of those who lived through it and died on it as well as those who have sought meaning at the site ever since **The Wet Nurse's Tale** Erica
