Approaching African History Michael Brett, 2013 Africa is a huge continent as large as the more habitable areas of Europe and Asia put together This book takes as its subject the last 10 000 years of African history and traces the way in which human society on the continent has evolved from communities of hunters and gatherers to the complex populations of today *The Oxford Handbook of Peace History* Charles F. Howlett, Christian Philip Peterson, Christian Peterson, Deborah D. Buffton, David L. Hostetter, 2023 The Oxford Handbook of Peace History uniquely explores the distinctive dynamics of peacemaking across time and place and analyzing how past and present societies have created diverse cultures of peace and applied strategies for peaceful change The analysis draws upon the expertise of many well respected and distinguished scholars from disciplines such as anthropology economics history international relations journalism peace studies sociology and theology This work is divided into six parts The first three sections address the chronological sweep of peace history from the Ancient Egyptians to the present while the last three cover biographical profiles of peace advocates key issues in peace history and the future of peace history A central theme throughout is that the quest for peace is far more than the absence of war or the pursuit of social justice ideals Students and scholars alike will appreciate that this work examines the field of peace history from an international perspective and expands analysis beyond traditional Eurocentric frameworks This volume also goes far beyond previously published handbooks and anthologies in answering what are the strengths and limits of peace history as a discipline and what can it offer for the future It also has the unique features of a state of the field introduction with a detailed treatment of peace history historiography and a chapter written by a noted archivist in the field that provides a comprehensive list of peace research resources It is a work ably suited applicable for classrooms and scholarly bookshelves *Encyclopedia of African History 3-Volume Set* Kevin Shillington, 2013-07-04 Covering the entire continent from Morocco Libya and Egypt in the north to the Cape of Good Hope in the south and the surrounding islands from Cape Verde in the west to Madagascar Mauritius and Seychelles in the east the Encyclopedia of African History is a new

Honoring Differences Kathleen Nader, Nancy Dubrow, B. Hudnall Stamm, 2013-06-17 Wars violence and natural disasters often require mental health interventions with people from a multitude of ethnic groups religions and nationalities Within the United States those who care for the victims of trauma often assist individuals from a variety of immigrant cultures Moreover many aspiring mental health professionals from other countries seek training in the United States creating an additional need for a broad cultural awareness within educational institutions Honoring Differences deals with the treatment of trauma and loss while recognizing and understanding the cultural context in which the mental health professional provides assistance Training in the cultural beliefs that may interact with traumatic reactions is essential both to assess traumatic response accurately and to prevent harm in the process of assessing and treating trauma Various cultures within the United States and several international communities are featured in the book Each culturally specific chapter aims to help the caregiver honor the valued traditions main qualities and held beliefs of the culture described and prepare to enter the community well informed and well equipped to intervene or consult effectively Further more the book provides information about issues traditions and characteristics of the culture which are essential in moving through the phases of post trauma or other mental health intervention Mental health professionals trauma specialists missionaries and organizations that send consultants to other nations will find Honoring Differences essential reading It will also be a resource to those who are interested in cultural differences and in honoring the belief systems of other cultures and nations

Social Problems in Africa Apollo Rwomire, 2001-07-30 Despite the recent growth of research on social problems facing the people of sub Saharan Africa there remains a critical lack of conceptual epistemological and empirical research and documentation This sophisticated new book attempts to fill that gap by synthesizing interpreting and extending the existing literature on conditions that constitute

serious impediments to socio economic development in Africa It provides an original and up to date survey of key problems ranging from poverty and inequality to violence and crime The contributors all of whom have lived or worked in Africa show how social problems emerge how they are defined and how various actors attempt to deal with them This timely book provides a much needed analysis of the major issues and debates regarding the dynamics of social problems in the African context Social Problems in Africa is broken into four parts The first introduces readers to the nature of social problems in general and provides a framework for analyzing and understanding social problems in an African context Part II on culture human rights and democracy examines these crucial aspects of social problems in Africa as well as issues such as language and colonialism Part III focuses on poverty and inequality while conflict and violence is the focus of Part IV Together the chapters in this volume provide the most comprehensive and systematic approach to the issues available bringing much needed attention to the problems in Africa from the perspective of scholars who have lived and worked there

A History of African Higher Education from Antiquity to the Present Y. G-M Lulat, 2005-08-30 This book surveys the history of higher education principally universities in Africa Its geographical coverage encompasses the entire continent from Afro Arab Islamic Africa in the north to the former apartheid South Africa in the south and the historical time span ranges from the Egyptian civilization to the present Since little has been written on this topic particularly its historical component the work fills an important gap in the literature The book delineates the broad contours of the history of higher education in Africa in exceptional historical breadth voluminously documenting its subject in the text detailed footnotes and lengthy appendices Its methodological approach is that of critical historiography in which the location of the African continent in world history prior to the advent of European colonization is an important dimension In addition the book incorporates a historical survey of foreign assistance to the development of higher education in Africa in the post independence era with a substantive focus on the role of the World Bank It has been written with the following readership in mind those pursuing courses or doing research in African studies studies of the African Diaspora and comparative international education It should also be of interest to those concerned with developing policies on African higher education inside and outside Africa as well as those interested in African Islamic history the development of higher education in medieval Europe the contributions of African Americans to African higher education and such controversial approaches to the reading of African history as Eurocentrism and Afrocentrism

Encyclopedia of African History Kevin Shillington, 2005 Offers more than one thousand entries covering all aspects of African history civilization and culture

The Routledge Handbook of French History David

Andress, 2023-12-22 Aimed firmly at the student reader this handbook offers an overview of the full range of the history of France from the origins of the concept of post Roman Francia through the emergence of a consolidated French monarchy and the development of both nation state and global empire into the modern era forward to the current complexities of a modern republic integrated into the European Union and struggling with the global legacies of its past Short incisive

contributions by a wide range of expert scholars offer both a spine of chronological overviews and a diverse spectrum of up to date insights into areas of key interest to historians today From the ravages of the Vikings to the role of gastronomy in the definition of French culture from Caribbean slavery to the place of Algerians in present day France from the role of French queens in medieval diplomacy to the youth culture explosion of the 1960s and the explosions of France s nuclear weapons program this handbook provides accessible summaries and selected further reading to explore any and all of these issues further in the classroom and beyond *Memories of German Colonialism in Tanzania* Reginald Elias Kirey, 2023-08-21

German colonial history in today Tanzania Mainland is extensively documented but it has not been studied from its memory perspective despite it being widely remembered among the Tanzanians This book documents German colonial memories as shared cultural legacy that exists in forms of monuments archives and historical sites It also presents them as trans generational memory narratives that live in people s memories that are also commemorated in different ways like erection of war monuments The book analyzes memories of colonialism from the historical perspective showing how the collective memories like monuments and commemorations have undergone structural and institutional changes over time The study uses Michael Rothberg s multi directional theory together with other theoretical approaches to analyze various forms of German colonial memories in Tanzanian context The findings which are analyzed historically indicate that the collective memories of the Germans are cultural communicative commemorative functional and topographical They are also traumatic as well as nostalgic *Shaping Tradition* Jeff Grischow, 2006-11-01

Using Northern Ghana as a case study this book challenges the invocation of civil society as a tool for building community in the name of development Far from equating civil society with community colonial officials used the doctrine of community against African civil society For colonial officers civil society represented the corruption of authentic development which could be avoided only by protecting traditional peasant communities in the face of economic transformation The book charts this colonial program from the creation of native states in the early twentieth century to an ambitious agricultural mechanisation scheme in the late 1940s In its challenge to current writing on civil society the study offers an important contribution to African history and development studies **Problems of Communism** , 1980
