History and

Fiddling Is My Joy Jacqueline Cogdell DjeDje,2025-06-18 In Fiddling

Is My Joy Jacqueline Cogdell DjeDje examines the history of fiddling among African Americans from the seventeenth to the mid twentieth century Although music historians acknowledge a prominent African American fiddle tradition during the era of slavery only recently have researchers begun to closely examine the history and social implications of these musical practices Research on African music reveals a highly developed tradition in West Africa which dates to the eleventh or twelfth century and continues today From these West African roots fiddling was prominent in many African American communities between the seventeenth and nineteenth centuries and the fiddle became an important instrument in early twentieth century blues jazz and jug bands While less common in late twentieth century African American jazz and popular music groups the fiddle remained integral to the musicking of some Black musicians in the rural South Featured in Fiddling Is My Joy is access to a comprehensive online eScholarship Companion that contains maps photographs audiovisual examples and other materials to expand the work of this enlightening and significant study To understand the immense history of fiddling DjeDje uses geography to weave together a common thread by profiling the lives and contributions of Black fiddlers in various parts of the rural South and Midwest including the mountains and along the Atlantic and Gulf coasts In addition to exploring the extent that musical characteristics and aesthetics identified with African and European cultures were maintained or reinterpreted in Black fiddling she also investigates how the sharing of musical ideas between Black and white fiddlers affected the development of both traditions Most importantly she considers the contradiction in representation Historical evidence suggests that the fiddle may be one of the oldest uninterrupted instrumental traditions in African American culture yet most people in the United States including African Americans do not identify it with Black music

History and Tradition of Jazz Thomas E. Larson,2005-03

Devil's Music, Holy Rollers and Hillbillies James A.

Cosby,2016-06-05 Rock music today is universal and its popular history is well known Yet few know how and why it really

came about Taking a fresh look at events long overlooked or misunderstood this book tells how some of the most disenfranchised people in a free and prosperous nation strove to make themselves heard and changed the world Describing the genesis of rock and roll the author covers everything from its deep roots in the Mississippi Delta key early figures like deejay Daddy O Dewey Phillips and gospel star Sister Rosetta Tharpe and the influence of so called holy rollers of the Pentecostal church who became crucial performers Elvis Presley Jerry Lee Lewis and Little Richard **A&R Pioneers** Brian

Ward,Patrick Huber,2018-06-26 Association for Recorded Sound Collections Certificate of Merit for the Best Historical

Research in Recorded Roots or World Music 2019 A R Pioneers offers the first comprehensive account of the diverse group of

men and women who pioneered artists and repertoire A R work in the early US recording industry In the process they helped create much of what we now think of as American roots music Resourceful innovative and at times shockingly unscrupulous they scouted and signed many of the singers and musicians who came to define American roots music between the two world wars They also shaped the repertoires and musical styles of their discoveries supervised recording sessions and then devised marketing campaigns to sell the resulting records By World War II they had helped redefine the canons of American popular music and established the basic structure and practices of the modern recording industry Moreover though their musical interests talents and sensibilities varied enormously these A R pioneers created the template for the job that would subsequently become known as record producer Without Ralph Peer Art Satherley Frank Walker Polk C Brockman Eli Oberstein Don Law Lester Melrose J Mayo Williams John Hammond Helen Oakley Dance and a whole army of lesser known but often hugely influential A R representatives the music of Bessie Smith and Bob Wills of the Carter Family and Count Basie of Robert Johnson and Jimmie Rodgers may never have found its way onto commercial records and into the heart of America s musical heritage This is their story *The Kind of Man I Am* Nichole Rustin-Paschal,2017-09-12 Nearly four decades after his death Charles Mingus Jr remains one of the least understood and most recognized jazz composers and musicians of our time Mingus s ideas about music racial identity and masculinity as well as those of other individuals in his circle like Celia Mingus Hazel Scott and Joni Mitchell challenged jazz itself as a model of freedom inclusion creativity and emotional expressivity Drawing on archival records published memoirs and previously conducted interviews *The Kind of Man I Am* uses Mingus as a lens through which to craft a gendered cultural history of postwar jazz culture This book challenges the persisting narrative of Mingus as jazz s Angry Man by examining the ways the language of emotion has been used in jazz as shorthand for competing ideas about masculinity authenticity performance and authority *Voicing the Popular* Richard Middleton,2013-09-05 How does popular music produce its subject How does it produce us as subjects More specifically how does it do this through voice through giving voice And how should we understand this subject the people that it voices into existence Is it singular or plural What is its history and what is its future *Voicing the Popular* draws on approaches from musical interpretation cultural history social theory and psychoanalysis to explore key topics in the field including race gender authenticity and repetition Taking most of his examples from across the past hundred years of popular music development but relating them to the eighteenth and nineteenth century pre history Richard Middleton constructs an argument that relates the popular to the unfolding of modernity itself *Voicing the Popular* renews the case for ambitious theory in musical and cultural studies and against the grain of much contemporary thought insists on the progressive potential of a politics of the Low **History and Tradition of Jazz with Music Cds** Thomas E. Larson,University of Florida Board of Trustees,2008-04-25 *Early Published Blues and Proto-Blues (1850-1915)* Peter C. Muir, This volume is a critical edition of early blues related sheet music including forty three known blues songs and instrumental compositions from the

first four years of the blues industry 1912 15 and twenty four pre 1912 proto blues that is published works stylistically related to the emerging blues style for instance using a twelve bar blues sequence from 1850 1912 The purpose of the edition is to present in systematic form and for the first time the rise of popular blues culture Up until 1920 sheet music was the dominant medium of blues dissemination The first blues recordings did not appear until 1914 two years after the appearance of sheet music furthermore almost all the recordings of blues that did appear before 1920 were of pre existent published compositions This situation only changed with the rise of the race record industry in the 1920s when the identity of blues became increasingly linked to recordings For this earliest period of blues history the documentation offered by sheet music is crucial A majority of this music has not been reissued since its original publication while some has never been published at all and exists only as copyright deposits in the Library of Congress As a body of work it is little known to historians and musicians despite its importance to the understanding of the evolution of blues and popular music

Encyclopedia of American Journalism Stephen L. Vaughn, 2007-12-11 The Encyclopedia of American Journalism explores the distinctions found in print media radio television and the internet This work seeks to document the role of these different forms of journalism in the formation of America s understanding and reaction to political campaigns war peace protest slavery consumer rights civil rights immigration unionism feminism environmentalism globalization and more This work also explores the intersections between journalism and other phenomena in American Society such as law crime business and consumption The evolution of journalism s ethical standards is discussed as well as the important libel and defamation trials that have influenced journalistic practice its legal protection and legal responsibilities Topics covered include Associations and Organizations Historical Overview and Practice Individuals Journalism in American History Laws Acts and Legislation Print Broadcast Newsgroups and Corporations Technologies

Ubiquitous Listening Anahid Kassabian, 2013-03-01 How does the constant presence of music in modern life on iPods in shops and elevators on television affect the way we listen With so much of this sound

whether imposed or chosen only partially present to us is the act of listening degraded by such passive listening In Ubiquitous Listening Anahid Kassabian investigates the many sounds that surround us and argues that this ubiquity has led to different kinds of listening Kassabian argues for a new examination of the music we do not normally hear and by implication that we do one that examines the way it is used as a marketing tool and a mood modulator and exploring the ways we engage with this music

Kama Muta Alan Page Fiske, 2019-11-26 This book describes a ubiquitous and potent emotion that has only rarely and recently been studied in any systematic manner The words that come closest to denoting it in English are being moved or touched having a heart warming feeling feeling nostalgic feeling patriotic or pride in family or team In religious contexts when the emotion is intense it may be labeled ecstasy mystical rapture burning in the bosom or being touched by the Spirit All of these are instances of what scientists now call kama muta Sanskrit moved by love Alan Page Fiske shows that what evokes this emotion is the sudden creation intensification renewal repair or recall of a communal sharing relationship when love ignites or people feel newly connected He explains the social psychological cultural and likely evolutionary processes involved and how they interlock Kama muta is described as it manifests in diverse settings at many points in history across scores of cultures in everyday experiences as well as the peak moments of life The chapters illuminate the occurrence of kama muta in a range of contexts including religion oratory literature sport social media and nature The book will be of interest to students and scholars from a number of disciplines who are interested in emotion or social relationships Supplementary notes can be found online at www.routledge.com/9780367220945
