## **History German Literature Classic Reprint:**

A History of German Literature (Classic Reprint) Calvin Thomas, 2015-07-16 Excerpt from A History of German Literature  
IN writing this volume it was my task to compress more than a thousand years of literary history into a volume of about four hundred pages The book was not to be a collection of sheaths garnered here and there in favourite fields but a real history dealing with the whole subject coherently and with due regard to the relative importance of periods writers and writings As it was evident that I should be obliged to omit freely and boldly I decided first of all to omit the scholars philosophers and men of science that is to confine myself pretty closely to literature in the restricted English sense of the word The broader conception of literature is no doubt the more philosophic but it is less convenient for a writer who must economise space at every step The German genius has done much of its best work in scholarship philosophy and science but I was not writing a history of the German genius About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*The German Classics* Kuno Francke, 2015-07-16 Excerpt from The German Classics Masterpieces of German Literature The news of the occurrence spread rapidly and all through the day two or three hundred people from Rodez men women and children were standing on both shores staring with a look of fascination and self induced horror into the depths of the ravine The question was raised whether it was not a will o the wisp that had misled the old man A woman alleged that she had spoken with a shepherd who declared he had heard a cry for help this it is true occurred about midnight and Fualdes had left his house at eight o'clock A stout tinker contended that the darkness had not been as dense as all believed he himself had crossed the fields on his way from La Valette at nine o'clock and the moon was then shining The inspector of customs took him severely to task and informed him that a new moon

had made its appearance the day before as one could easily find out by looking in the calendar The tinker shrugged his shoulders as if to say that in such conjunctures even the calendar was not to be trusted About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**A History of German Literature, Vol. 2 (Classic Reprint)** Wilhelm Scherer, 2018-03-05 Excerpt from A History of German Literature Vol 2 Literary and though personally the king rather held aloof from progress in the movement yet his home and foreign policy contri Frederick s buted powerfully to its advancement Everywhere we reign About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Short History of German Literature (Classic Reprint) James K. Hosmer, 2015-07-06 Excerpt from Short History of German Literature If we turn back two hundred years we find the reading men of England if they have time to go beyond their own authors giving their attention among moderns to the Italians and Spanish As yet in Europe only Italy and Spain besides England had seen the rise of literatures of sufficient moment to influence the cultivated world beyond the national limits Dante Petrarch Boceaceio Ariosto Tasso Machiavelli had lived and these are still the greatest Italian names In Spain Cervantes Lope de Vega and Calderon had done their work work which no succeeding writers of that land have equalled If we go back one hundred years the literature of France has taken the place in the estimation of the English once held by the writers of Spain and Italy the brilliant men of the age of Louis XIV have laid the world under their spell In our time again the influence of France has been to a large extent supplanted Following especially the lead of two of the most gifted Englishmen of the century Coleridge and Carlyle the present generation turns with most reverence to the Germans often regarding their literature as the most important in the world after our own if indeed we are to make that exception It will scarcely be questioned that some knowledge of the history of German literature is to English speaking persons an essential part of thorough culture About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged

Excerpt from History of German Literature Capital of the empire seat of largest university Less ing resided there several times at beginning Of his career residence Of Spiel hagen Wolff Sudermann an 1 many contemporary writers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     *Outlines of the History of German Literature (Classic Reprint)* John George Robertson,2015-07-04

Excerpt from Outlines of the History of German Literature The present little volume is long overdue it was originally my intention to accompany my History of German Literature with a briefer introduction to the subject and a considerable part of the present book dates back to the time of my occupation with the History The point of view from which I have regarded the subject will be found to be not essentially different from that of the larger book and as in the latter I have considered it advisable to keep as far as possible to accepted judgments rather than to obtrude divergent personal views which in a book of this scope there is not room to support The economy of space compared with the larger book has been attained by the suppression of detail concerning minor writers the chief writers and works have on the other hand been dealt with on what may seem a disproportionate scale But this is inevitable in a small book About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     *An*

*Anthology Of German Literature (Classic Reprint)* Calvin Thomas,2017-10-17 Excerpt from An Anthology Of German Literature This book is designed to accompany an introductory study of the history of German literature It is assumed that the history itself will be learned so far as necessary either from lectures or from some other book devoted to the subject As the selections were made for the most part while I was writing my own short history of German literature for the series published under the general editorship of Mr Edmund Gosse and known as Literatures of the World it was natural that the Anthology should take on to some extent the character of a companion book to the History At the same time I did not desire

that either book should necessarily involve the use of the other Hence the absence of cross references and hence also in the Ahthology the brief introductory notes giving important dates and summary characterizations These are meant to enable the student to read the selections intelligently without constant recourse to some other book About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**History of German Literature** Frederick Metcalfe, 2015-07-13 Excerpt from History of German Literature Based on the German Work of Vilmar The work on which the following pages are based has reached a sixth edition within a short period of time and enjoys a high reputation in Germany That portion which treats of the Heroic Sagas is considered superior to anything that has been written on the subject Its author Vilmar held an office in the Department of Public Worship and Education under the notorious Hessian minister Hassenpflug According to the German papers he belongs to that party in Germany which stands up for the national Lutheranism as opposed to the foreign Calvinism These views which Vilmar advocated with great vigour excited odium in some quarters and on the disgrace and downfall of Hassenpflug Vilmar's retirement was greeted with loud jubilee by the democrats who stigmatised him as a tyrant and represser of national liberty Since then he has been Professor of Theology at Marburg In many respects Vilmar's work which it is only fair to say exhibits no leaning towards despotism civil or ecclesiastical surpasses those of his predecessors on the same subject About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A History of German Literature, Vol. 1 (Classic Reprint) Wilhelm Scherer, 2018-03-21 Excerpt from A History of German Literature Vol 1 Tms work is a history of German literature from the earliest times to the death of Goethe The first chapter traces the roots of German nationality back to the period preceding the Aryan separation and presents a picture of the intellectual condition of our forefathers at the time when they became known to the Romans The second chapter treats of the rise and development of the German hero legends in the epoch of the migrations and during the Merovingian period About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of

the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Primer of German Literature** Isabel T. Lublin,2016-12-03 Excerpt from Primer of German Literature Based on the Work of Professor Kluge Tm want of a Primer of the History of German Literature has been much felt by me not only whilst myself reading but also whilst subsequently engaged in reading with others I have therefore determined to publish this book in the hope that it may be useful to About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Early Influence of German Literature in America (Classic Reprint) Frederick H. Wilkens,2018-03-05 Excerpt from Early Influence of German Literature in America It is in the nature of things impossible to draw a sharp boundary line between different phases of literary development It has been deemed advisable however to confine these observations to a period including and antedating the first quarter of our century This is a period upon which the historian looks with somewhat unjustifiable soreness of heart it is the time of plentiful American reprints of the issues of the English press with but few original contributions of any value The mournful complaint of the American author of the time about want of encouragement dings in our ears on turning over the pages of long forgotten American reviews It was hard for him to realize or when realized to acquiesce in the fact that it was impossible for him to compete with the accepted classics of English literature and the new developments of the end of the last and beginning of the new century A literary movement however cannot be made to order and we do well to derive some satisfaction from the fact that the American public with much trash read much that was valuable even though not a native product About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

HISTORY OF GERMAN LITERATURE,. WILHELM. SCHERER,2018 *A Chronology and Practical Bibliography of Modern German Literature (Classic Reprint)* John Scholte Nollen,2016-09-04 Excerpt from A Chronology and Practical Bibliography of Modern German Literature The

Chronology and Bibliography here given were originally intended to supplement a brief outline of the history of German literature written for the texts of the Lake German Series but as the material grew far beyond the limits of an appendix it was thought best to rearrange and round out this material so as to form an independent work of more general value Since the attempt was made to cover in a small volume the whole field of modern German literature from Luther to the present day anything like an exhaustive treatment was of course out of the question In general only such authors are included in the Bibliography as appear in the outline such as must inevitably be mentioned in any rapid survey of modern German literature The compiler is well aware that the selection here made is open to criticism at a great many points but in the difficult task of choosing some two hundred names from the great roll of modern German authors he has at least done his best to avoid caprice and to weigh absolute and historical values impartially The bibliographical and critical references are intended to include only what is best or at least what is good to save space full titles are given only where they are necessary to indicate the character of the work in question As the Bibliography is designed in part to serve as a guide in the purchase of books prices are generally quoted and the latest editions noted About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*A Reader Of German Literature* William H. Rosenstengel, 2017-12-21 Excerpt from *A Reader Of German Literature Prepared For High Schools Colleges And German American Schools With Notes* The texts are taken from standard works and the full titles of these works are given so that the Reader presents a bibliography of the best and latest works on German literature and history About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**A Critical Outline of the Literature of Germany (Classic Reprint)** Albert Maximilian Selss, 2015-07-04 Excerpt from *A Critical Outline of the Literature of Germany* The object of this little volume is to supply Students with a concise and accurate Manual of the History of German Literature from its earliest beginning up to the present day The work has not been overburdened with accounts of unimportant writers or lengthy quotations from the German English versions have been consistently avoided the Author feeling convinced that their insertion in a work of this

kind is out of place All the data requisite for the full treatment of the Literature up to 1896 have been supplied About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      The Holy Roman Empire in German Literature (Classic Reprint) Edwin Hermann Zeydel,2018-02-08

Excerpt from The Holy Roman Empire in German Literature The subject of this monograph was suggested to me some two years ago by Professor Calvin Thomas while I was a graduate student at Columbia University Originally the study was to be entitled Literary Satire at the Expense of the Holy Roman Empire but in the course of the work it was found advisable to adopt the present broader more euphonious title This change important as it may seem at first blush is after all of minor significance for the very nature of the subject tends to encourage an unfavorable satirical attitude Not only does this attitude gradually become predominant as time goes on but it is also the most interesting angle from which the Holy Roman Empire could be considered About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      Social Forces in German Literature Kuno Francke,2018-03-20 Excerpt from Social Forces in German Literature A Study in the History of Civilization The following attempt to define what seem to me the essential features of German literature is made from the point of view of the student of civilization rather than from that of the linguistic scholar or the literary critic About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      The Classical Museum a Journal of Philology, Ancient History and Literature ,1845
