A GUIDE TO

SQL

The background of the cover is a dark, deep blue. It is filled with a complex network of glowing, ethereal lines in shades of blue, purple, and white. These lines appear to be light trails or data paths, some straight and others curved, creating a sense of dynamic movement. Numerous small, bright white and blue particles, resembling stars or data points, are scattered throughout the scene, particularly concentrated around the central glowing lines. The overall effect is one of high-tech, digital, or scientific complexity.
