Lesson Title	Guide Words
Introduction	Tell students that one of the standards for third grade is "I know how to use a dictionary, thesaurus, atlas, and encyclopedia." Explain the concept of guide words by explaining the meaning of the word "guide" and tell the students that guide words are "helper words" to help them find words in a dictionary, encyclopedia, and thesaurus. Read the definition of "guide word" from your dictionary or use the definition on the cards below.
Vocabulary	Guide word
Activity	Using a poster or an overhead of a page from a dictionary show students what the guide words are and how they will determine which words would be on that page. Distribute the accompanying worksheet and complete half of it with the students on an overhead projector or whiteboard. Allow students to complete the rest of the worksheet while you observe and help as needed.
Closure	After students have completed their independent practice, ask them to tell their partners one thing that they know about guide words. Have some of the students share this information with the class. Remind them that they are meeting the standard for third grade "I know how to use a dictionary, thesaurus, atlas, and encyclopedia."
