Corporate Risks and Leadership Eduardo E. Mariscotti,2025-04-24 The context of business has been changing for companies in recent years and following numerous corporate and accounting scandals many countries have increased the number of national and international regulations designed to ensure transparency and compliance with the law Because of the existence of these new regulations the level of

control the severity of sanctions by governments and the amount of fines for noncompliance have increased dramatically. In parallel with the technological revolution in communications, business management has become more transparent and any negative event is uploaded to social networks and shared with an indeterminate number of people. This change in the regulatory sanctioning and technological context has forced large companies to rethink risks, investments, and budgets to deal with this more complex environment. To transition to this change, some companies have included ethics and compliance programs in their corporate agenda along with marketing and sales plans, strategies, growth targets, investment plans, and talent acquisition. While each industry has its particular risks, in this book the author describes the essential elements that any effective ethics and compliance program should contain. This book is a source of information that connects yesterday with today. The author shares observations and lessons of the past to suggest corporate leaders implement effective ethics and compliance programs to protect their organizations and themselves. This book covers theories of ethics but with an eye focused on practical application. Risks, ethics, and compliance are analyzed with an overall vision connected to the reality of business life without getting bogged down in abstract thinking or technical and regulatory details. Ethics and compliance are disciplines that have increasingly achieved greater recognition in organizations. Thus, due to the importance of risk management in the business world and the necessary involvement of the CEO and the board of directors, it seems appropriate that executives get access to this book about risks, ethics, compliance, and human resources directed not only to compliance experts but also to any organizational leader. This second edition offers various examples to cultivate ethical thinking and behavior, identify common risks, and comprehend their adverse effects on organizations. **(Re)Imagining Elementary**

Social Studies Sarah B. Shear, Christina M. Tschida, Elizabeth Bellows, Lisa Brown Buchanan, Elizabeth E. Saylor, 2018-01-01. The field of elementary social studies is a specific space that has historically been granted unequal value in the larger arena of social studies education and research. This reader stands out as a collection of approaches aimed specifically at teaching controversial issues in elementary social studies. This reader challenges social studies education in classrooms, teacher education programs, and research to engage controversial issues, those topics that are politically, religiously, or are otherwise ideologically charged and make people, especially teachers, uncomfortable in profound ways at the elementary level. This reader, meant for elementary educators, preservice teachers, and social studies teacher educators, offers an innovative vision from a new generation of social studies teacher educators and researchers fighting against the forces of neoliberalism and the marginalization of our field. The reader is organized into three sections: 1. pushing the boundaries of how the field talks about elementary social studies; 2. elementary social studies teacher education; and 3. elementary social studies teaching and learning. Individual chapters either A. conceptually unpack a specific controversial issue (e.g., Islamophobia, Indian Boarding Schools, LGBT issues in schools) and how that issue should be incorporated in elementary social studies methods courses and classrooms, or B. present research on elementary preservice teachers or how elementary teachers and students engage

controversial issues This reader unpacks specific controversial issues for elementary social studies for readers to gain critical content knowledge teaching tips lesson ideas and recommended resources Endorsement Re Imagining Elementary Social Studies is a timely and powerful collection that offers the best of what social studies education could and should be Grounded in a politics of social justice this book should be used in all elementary social studies methods courses and schools in order to develop the kinds of teachers the world needs today Wayne Au Professor University of Washington Bothell Editor Rethinking Schools

From the Ashes of Capitalism Stuart Dobson, Sean Hurley, 2016-05-12 Our global environment is crumbling and we find ourselves in the midst of what looks to be a 6th mass extinction event brought on as a result of our determination to maintain a growth based economy on a finite planet There is a way forward but we must first understand the damage we have done to our spaceship Earth and how our social environment has conditioned us into behaviour patterns which are not conducive to maintaining a healthy biosphere or society Those understandings lead to a self evident train of thought which encourages us to move decisively away from Capitalism and toward an economy based on sharing and fairness [Guide to U.S. Elections](#)

Deborah Kalb, 2015-12-24 The CQ Press Guide to U S Elections is a comprehensive two volume reference providing information on the U S electoral process in depth analysis on specific political eras and issues and everything in between Thoroughly revised and infused with new data analysis and discussion of issues relating to elections through 2014 the Guide will include chapters on Analysis of the campaigns for presidency from the primaries through the general election Data on the candidates winners losers and election returns Details on congressional and gubernatorial contests supplemented with vast historical data Key Features include Tables boxes and figures interspersed throughout each chapter Data on campaigns election methods and results Complete lists of House and Senate leaders Links to election related websites A guide to party abbreviations

Christian Popular Culture from The Chronicles of Narnia to Duck Dynasty Eleanor Hersey Nickel, 2021-05-13 Christian popular culture has tremendous influence on many American churchgoers When we have a choice between studying the Bible and reading novels downloading movies or watching television we become less familiar with Numbers than with Narnia This book examines popular Christian narratives with rigorous scholarly methods and assumes that they are just as complex fascinating and worthy of investigation as the latest secular Netflix series or dystopian novel While most scholars focus on the religious aspects of Christian texts this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race class and gender in a profoundly unequal America Close readings of six case studies The Chronicles of Narnia Francine Rivers s Redeeming Love Jan Karon s Mitford

novels *Left Behind* the films of the Sherwood Baptist Church and *Duck Dynasty* uncover both harmful stereotypes and Christians serving as leaders in social justice *Guide to Florida Government*, 2014 [Understanding Marsha Norman](#) Lisa Tyler, 2019-09-13 Best known for her Pulitzer Prize winning play *night Mother* and her acclaimed adaptations of *The Secret Garden* and *The Color Purple* for musical theater Marsha Norman has produced an impressive oeuvre that includes not only works for the stage but also a novel and several television screenplays The first book on the Louisville born writer in twenty years *Understanding Marsha Norman* introduces readers to her life and work while making a persuasive case for her preeminence among America's leading dramatic artists Following a biographical introduction the book examines such early plays as *Getting Out Third* and *Oak and Circus Valentine* which according to the playwright herself taught her the skills she needed to write her more successful works most notably the much lauded two character drama *night Mother* which centers around an apparently rational young woman's choice to commit suicide Subsequent chapters examine Norman's underrated novel *The Fortune Teller* and three mid-career plays that rewrite the traditions of the Western the biblical story of Sarah and Abraham and the legend of Daniel Boone Her more recent plays including *Trudy Blue* 140 and *Last Dance* acknowledge the limitations of romantic relationships while her forays into musical theater and television including scripts for such programs as *Law and Order Criminal Intent* and the Peabody winning HBO series *In Treatment* signal a dramatist who is ever willing to take risks and venture into new genres At her best when writing about interesting and troubled women and their relationships with each other Norman has received much less critical attention than male contemporaries such as Sam Shepard and David Mamet This engaging and edifying book helps rectify that disparity **Understanding Nonverbal Communication** Marcel Danesi, 2021-09-09 The human body is a primary source of meaning making with the body conveying over two thirds of our messages But how can we understand these physical communicative cues How are they being expressed and exploited in new media and multimodal online and mobile interaction Offering an in depth guide to help you investigate and understand real and virtual nonverbal communication using semiotic theory this book assumes little previous knowledge of semiotics or linguistics With in depth comparative case studies each chapter deals with a traditional aspect of nonverbal communication such as facial expressions touch and gesture before extending the discussion to new media and cyberspace Explaining the issues step by step and supported by exercises directed further reading and a glossary of key terms *Understanding Nonverbal Communication* provides you with all the tools you need to understand how nonverbal communication unfolds in all kinds of contexts and the kinds of messages that it makes possible *Investigating Social Problems* A. Javier Trevino, 2020-11-03 For the Third Edition of *Investigating Social Problems* editor A. Javier Trevino has gathered a panel of top experts to thoroughly examine all aspects of social problems providing students with a contemporary and authoritative introduction to the field Each chapter is written by a well known specialist on the topic being covered This unique contributed format ensures that the research and examples described are the most current and relevant available In

addition the experts use both general theoretical approaches structural functionalism conflict theory symbolic interactionism as well as specialized theories chosen to bring additional insight and analysis to their assigned topics The text is framed around three major themes intersectionality the interplay of race ethnicity class and gender the global scope of many problems and how researchers take an evidence based approach to studying problems This title is accompanied by a complete teaching and learning package

Owning Up Rosalind Wiseman, 2020-06-24 Foster dignity and respect and combat youth aggression As middle school students adjust to tougher academics they also find themselves introduced to increasingly complex social situations including conflicts on social media racism anxiety and bullying and the choices they make can have repercussions far beyond the classroom But they are not alone This new edition from bestselling author and Cultures of Dignity co founder Rosalind Wiseman is packed with the latest research based strategies reviewed by high school and middle school students and revised to include all that she has learned while working over decades with young people *Owning Up* has helped teachers counselors and leaders give students the tools they need to own up and take responsibility as perpetrators bystanders and targets for unethical behavior and to treat themselves and others with dignity This bigger comprehensive edition features Three flexible dynamic curricula separated by grade A new chapter on successfully implementing a social and emotional learning program in every school More games role playing activities and provocative discussion questions to use in co ed or single sex groups Even more lessons and resources updated to address social media bystanding and how young people can develop strong healthy relationships with adults Designed for use both in school and out *Owning Up* helps prevent many of the common issues young people face and promotes friendships in these critical years As educators we must enlist the people who can make a real difference the students

The Methuen Drama Handbook of Women in Contemporary British Theatre Marissia Fragkou, Rebecca Benzie, 2025-02-06 This handbook provides a detailed exploration of the rich and diverse theatrical work produced by women in the first two decades of 21st century British theatre The book explores key issues and methodologies relevant to women working in the UK s theatre industry including the legacies of feminism and its role in shaping contemporary work by women the politics of visibility and inclusion in theatrical institutions and collaborative strategies in creating original work It closely examines how women in contemporary British theatre tackle urgent social issues such as environmental risk the representation of marginalized identities and mental and physical wellbeing Chapters by both established and early career scholars from a variety of international contexts present new perspectives on significant questions and issues underpinning women s work in 21st century British theatre by engaging with contemporary debates from theatre and performance studies and cultural theory A concluding roundtable with women theatre practitioners addresses key questions pertaining to their work including working conditions the politics of funding and of ageing disability and care With a foreword by the Guardian s chief theatre critic Arifa Akbar and featuring research tools such as introductions to sections a detailed list of sources and an annotated bibliography this is an

authoritative study for anyone with a keen research interest in the distinct contribution of women to contemporary British theatre and performance
