A Citizen's Guide to American Ideology Morgan Marietta, 2012-03-29 Conservatives and Liberals often resort to cartoon images of the opposing ideology relying on broadly defined caricatures to illustrate their opposition To help us get past these stereotypes this short punchy book explains the two dominant political ideologies in America today providing a thorough and fair analysis of each as well as insight into their respective branches To help us understand the differences between the two contrasting ideologies Morgan Marietta employs an innovative metaphor of a tree growth from ideological roots to a core value expanding into a problem that creates the competing branches of the ideology This approach suggests a clear way to explain and compare the two ideologies in an effort to enhance democratic debate A Citizen's Guide to American Political Ideologies is a brief non technical and conversational overview of one of the most important means of understanding political rhetoric and policy debates in America today
