History Education in Africa Gideon Boadu, Charles Adabo Oppong, 2024-07-12 This collection brings together African scholars in Africa and the diaspora to contribute to scholarly debates about critical issues in history teaching and learning in African schools The book contributes to filling the gap in knowledge on African history associated pedagogies and practices and its consequent effects on research and the declining popularity of history in African Schools Specifically the volume a examines current trends and practices in history education in African schools b unveils the challenges and subtleties of teaching the next generation of teachers and students and c examines classroom practices and opportunities for engagement with historical concepts in African schools The book adds a much needed African voice to the international history education literature and contribute to strengthening the place of history teaching and learning in Africa *HISTORY GEOGRAPHY GK GENERAL AWARENESS SSC MULTIPLE CHOICE QUESTIONS* Mocktime Publication, HISTORY GEOGRAPHY GK GENERAL AWARENESS SSC MULTIPLE CHOICE QUESTIONS keywords ssc central police forces cpo capf ssc combined graduate level cgl combined higher secondary level exam chsl 10 2 level exam ssc ldc udc data entry operator exam ssc mts matriculation level exam ssc je civil mechanical electrical engineering exam ssc scientific assistant exam ssc english ajay kumar singh ssc english by neetu singh ssc english grammar ssc english arihant publication ssc previous year solved papers ssc general awareness ssc gk lucent ssc math rakesh yadav ssc previous year question bank ssc reasoning chapterwise solved papers ssc disha books ssc cgl questions ssc cpo questions ssc mts questions ssc chsl questions ssc ldc clerk ssc practice sets ssc online test ssc math chapterwise solved papers ssc english kiran publication ssc cgl cpo mts chsl je exam books ssc online practice sets for computer based exam ssc kiran books disha arihant lucen gk ssc neetu singh rakesh yadav ajay singh books ssc history geography polity economy science mcq ssc math reasoning english gk chapterwise papers last year previous year solved papers online practice test papers mock test papers computer based practice sets online test series exam guide manual books gk general knowledge awareness mathematics quantitative aptitude reasoning english previous year questions mcqs **Mastering Primary History** Karin Doull, Christopher Russell, Alison Hales, 2019-02-21 Mastering Primary History introduces the primary history curriculum and helps trainees and teachers learn how to plan and teach inspiring lessons that make learning history irresistible Topics covered include Current developments in history History as an irresistible activity History as a practical activity Skills to develop in history Promoting curiosity Assessing children in history Practical issues This guide includes examples of children s work case studies readings to reflect upon and reflective questions that all help to show students and teachers what is considered to be best and most innovative practice and how they can use that knowledge in their own teaching to the greatest effect The book draws on the experience of three leading professionals in primary history Karin Doull Christopher Russell and Alison Hales to provide the essential guide to teaching history for all trainee primary teachers The Schenley Experiment Jake Oresick, 2017-04-14 The Schenley Experiment is the story of Pittsburgh s

first public high school a social incubator in a largely segregated city that was highly even improbably successful throughout its 156 year existence Established in 1855 as Central High School and reorganized in 1916 Schenley High School was a model of innovative public education and an ongoing experiment in diversity Its graduates include Andy Warhol actor Bill Nunn and jazz virtuoso Earl Hines and its prestigious academic program and pensions lured such teachers as future Pulitzer Prize winner Willa Cather The subject of investment as well as destructive neglect the school reflects the history of the city of Pittsburgh and provides a study in both the best and worst of urban public education practices there and across the Rust Belt Integrated decades before Brown v Board of Education Schenley succumbed to default segregation during the white flight of the 1970s it rose again to prominence in the late 1980s when parents camped out in six day long lines to enroll their children in visionary superintendent Richard C Wallace s reinvigorated school Although the historic triangular building was a cornerstone of its North Oakland neighborhood and a showpiece for the city of Pittsburgh officials closed the school in 2008 citing over 50 million in necessary renovations a controversial event that captured national attention Schenley alumnus Jake Oresick tells this story through interviews historical documents and hundreds of first person accounts drawn from a community indelibly tied to the school A memorable important work of local and educational history his book is a case study of desegregation magnet education and the changing nature and legacies of America s oldest public schools When Political Transitions Work Fanie du Toit, 2018-07-26 The peaceful end of apartheid in South Africa was a monumental event in late twentieth century history A racist regime built upon a foundation of colonialist exploitation South Africa had become by that point a tinderbox suffused with day to day violence and political extremism on all sides Yet two decades later it was a stable democracy with a growing economy How did such a deeply divided conflicted society manage this remarkable transition In When Political Transitions Work Fanie du Toit who has been a participant and close observer in post conflict developments throughout Africa for decades offers a new theory for why South Africa s reconciliation worked and why its lessons remain relevant for other nations emerging from civil conflicts He uses reconciliation as a framework for political transition and seeks to answer three key questions how do the reconciliation processes begin how can political transitions result in inclusive and fair institutional change and to what extent does reconciliation change the way a society functions Looking at South Africa one of reconciliation s most celebrated cases Du Toit shows that the key ingredient to successful reconciliations is acknowledging the centrality of relationships He further develops his own theoretical approach to reconciliation as interdependence the idea that reconciliation is the result of an integrated process of courageous leadership fair and inclusive institutions and social change built toward a mutual goal of prosperity As Du Toit conveys the motivation for reconciliation is the long term well being of one s own community as well as that of enemy groups Without ensuring the conditions in which one s enemy can flourish one s own community is unlikely to prosper sustainably **Federal Register**, 2013-06 **DP's SSC GK Subjectwise MCQ Series: HISTORY [Previous Year Questions]** Mocktime Publication, DP s

Social Studies Education in East Asian Contexts Kerry J. Kennedy, 2020-07-28 The book explores the state of social studies education within selected East Asian societies and provides some insights into distinctive classroom practices In an increasingly volatile and unpredictable world the education of young people who both understand the contexts in which they are growing up and see the need for engaging with them is a top priority This task falls to social studies education which carries the responsibility for inducting young people into their social world and helping them to see the role they can play within it This is particularly important in East Asia where strong economic growth long held cultural values and diverse political systems create an environment that challenges young people on multiple fronts This book with its team of regional authors shows how different societies in the region are dealing with these challenges and what can be expected from future citizens The book will appeal to policy makers researchers and teachers interested in the current state of social studies education in East Asian societies

Narrating the Soviet Era in Russian School History Textbooks Olga Konkka, 2025-09-03 This study focuses on how Russian history textbooks published between 1992 and 2021 dealt with the topic of the Soviet period 1917-1991 Representations of this part of Russia's past in school manuals have provoked vivid debates and bolstered government intervention in the field while a gradual shift towards a less critical narrative of the USSR in more recent textbooks is often presented as directed by Vladimir Putin This study combines research into these texts and inquiry into those who write publish approve or criticize them Bringing together these perspectives provides a more complex view of school textbooks as final products of both top down and bottom up processes This volume is aimed at postgraduates

researchers and academics specializing in Soviet history contemporary Russian politics and society and history education and textbooks
