Hit List Taking Aim At The Seven Deadly Sins:

Hit List Brian G. Hedges,2014 *Hit List* Brian G. Hedges,2014-11-01 The Christian life is a war and one of your most lethal enemies hangs its helmet inside your heart This infernal internal enemy is sin which even after new birth continues to reside in every believer As followers of Jesus we ve been given a simple mission regarding sin search and destroy Put it to death But in the words of Cornelius Plantinga Jr sin has a thousand faces It is one thing to oppose sin in principle quite another to actually do the bloody work of crucifying specific sin patterns in our lives Sometimes these patterns are difficult to detect Always they fight back tooth and nail mounting vehement resistance in counter maneuvers of a variety and complexity that would send General Schwarzkopf s mind spinning like a tilt a whirl The most famous faces of sin are the Seven Deadly Sins pride envy wrath sloth greed gluttony and lust Not merely corrupting vices in themselves these seven are gateway sins leading to countless others They are the leading undercover operatives for the world the flesh and the devil that evil complex of powers arrayed against our souls And while we may recognize these sins by their names we are often misled by the subtlety of their methods and ways These sins are masters of disguise adept at masking their true nature in charades of harmlessness acceptability and fun In *Hit List* Brian Hedges helps us take aim at the seven deadly sins by providing detailed dossiers for each one and equipping us with rich gospel resources for replacing vice with the virtue of Christ *Good News About Satan* Bob Bevington,2015-01-01 The bad news of Satan while serious is overshadowed by the good news of Jesus Here are the plain teachings of Scripture regarding Satan demons and spiritual warfare from a perspective that makes paramount the sovereignty of God and the finished work of Christ Containing none of the unfruitful speculations so common to this topic we believe it differs significantly from virtually every other book on the subject See more at <http://www.cruciformpress.com> sthash cXvo7FHQ dpuf MUDDY WATERS John Turton,2016-02-16 Muddy Waters is an auto biography of my experience of twelve years spent with a home grown New Zealand cult who established themselves in North Canterbury first in a Christchurch suburb and then relocating to a farm in Waipara I joined immediately following a spiritual awakening when I engaged Air Force friends who were already in the cult without knowing its true nature Other Air Force personnel did similar I share this journey beginning with my background prior to my entry into the group I explain my journey while in this particular cult from an insider s point of view which has not been shared before in a way that outsiders can comprehend The group went through a number of transitions hinging around them understanding their leader to be Messiah I share some of the life lived the style of worship the rationales around them justifying at times large scale theft and also petty theft with an accompanying idea it was ok to lie to outsiders We achieved notoriety after sizeable NZ police raids in 1977 and subsequent raids assisted by members of the defence force on households around New Zealand located near RNZAF bases after the discovery of a large cache of firearms and explosives The group was again raided in 1987 on similar grounds and other firearms confiscated My journey was one of a growing self awareness and a distinct development of conscience as I met and

worked through each of the challenges I engaged on exiting Prior to leaving my experience was marked with conflict and confrontation with the leadership which grew around the illusions presenting him as the secret Messiah Anecdotes include their lifestyle the routines the rituals and their exorcisms I was excommunicated following a direct doctrinal challenge I made to the leader and from which he then manipulated the group by playing victim in telling the followers I wanted to see him dead This caused a severe and vitriolic reaction ensuring I could in no way return even if I wished to I was shunned It has taken me 30 years before I got to the point of being able to write my story Today I am a retired Presbyterian minister in New Zealand and have recently retired after 25 years of pastoral ministry ranging from rural work to suburban and inner city work

Wellness His Way Caren Fehr,2023-07-17 Have you ever thought about what it would look like to take care of your body with God His way and for His glory Our bodies do matter The problem is that so often we make our bodies the main thing when they are simply meant to help us do the main thing which is to love God and love others For so long I took care of my body as though I was the owner of it rather than as the steward of it I got stuck in either idolizing my body or neglecting it all together My health was a tangled mess and the enemy tried to convince me it was hopeless But God gently drew near to me and whispered I can untangle it if you let Me I let Him and He did Are you ready to let Him Are you ready to learn and live His way This book is for The friend who obsesses about their body neglects it or is anywhere in between The friend who is ready to surrender this area of their life to Christ The friend who wants to be both strong in their spirit and healthy in body The friend who feels they've been given a problem body so why bother The friend who wants to learn how to steward their health with God His way and for His glory Friend you can steward your body with joy peace and as an extension of your worship I am cheering you on as you say yes to discovering why God's way is not only greater but is ultimately the Way 大卫·马蒂斯(David Mathis), 托尼·雷因克(Tony Reinke), 乔·里格尼(Joe Rigney), 杰森·梅耶(Jason Meyer), 乔纳森·帕内尔(Jonathan Parnell), 约翰·鲍尔斯(Johnathon Bowers), 瑞安·格里菲斯(Ryan Griffith),2021-09-13 7 desiringGod.org 7
