to a world we've only heard about from men. The stories she tells come straight from her own life and yet in this age of climate change and erasure of local cultures they feel universal, moving and urgent. **Giant Robot** Eric Nakamura, 2024-10-22 Celebrating the pop culture phenomenon that redefined what it meant to be Asian American with tributes from Margaret Cho, Randall Park, Jia Tolentino and more. Los Angeles 1994 Two Asian American punk rockers staple together the zine of their dreams featuring Sumo, Hong Kong Cinema and Osamu Tezuka. From the very margins of the DIY press and alternative culture, Giant Robot burst into the mainstream with over 60,000 copies in circulation annually at its peak. Giant Robot even popped right off the page, setting up a restaurant, gallery and storefronts in LA as well as galleries and stores in New York and San Francisco. As their influence grew in the 90s and 00s, Giant Robot was eventually invited to the White House by Barack Obama to speak at Harvard University's Graduate School of Design and to curate the GR Biennale at the Japanese American National Museum. Home to a host of unapologetically authentic perspectives bridging the bicultural gap between Asian and Asian American pop culture, GR had the audacity to print such topics side by side and become a touchstone for generations of artists, musicians, creators and collectors of all kinds in a pre-social media era. Nowhere else were pieces on civil rights activists running next to articles on skateboarding and Sriracha. Toy collectors, cartoonists and street style pioneers got as many column inches as Michelle Yeoh, Karen O, James Jean and Haruki Murakami. Giant Robot: Thirty Years of Defining Asian American Pop Culture features the best of the magazine's sixty-eight issue run alongside never-before-seen photographs, supplementary writing by long-term contributing journalist Claudine Ko and tributes from now-famous fans who've been around since day one. Margaret Cho, Daniel Wu and Randall Park celebrate Giant Robot's enduring legacy alongside pioneering pro skateboarder Peggy Oki, contemporary art giant Takashi Murakami, culinary darling Natasha Pickowicz and critically acclaimed essayist Jia Tolentino. **What's New**, 1995 **Catalogue** Montgomery Ward, 1985 Consumers Index to Product Evaluations and Information Sources, 1993 The Ultimate Rice Cooker Cookbook Beth Hensperger, Julie Kaufmann, 2003 This book unlocks the rice cooker's true potential.
